

BENZ ANNOUNCES CHANGE OF AUDITOR

Benz Mining Corp. (TSXV: BZ, ASX: BNZ) (**Benz** or the **Company**) is pleased to advise that it has appointed RSM Australia Partners, Chartered Professional Accountants (**RSM Australia** or **Successor Auditor**) as the Company's new public accounting firm, effective 29 September 2025.

RSM Australia was appointed following the receipt by the Company of the resignation of Lancaster & David, Chartered Professional Accountants (**L&D** or **Former Auditor**) effective September 29, 2025. The Audit Committee of the Board of Directors (the **Audit Committee**) accepted the resignation of L&D and recommended the appointment of RSM Australia as the Company's independent registered public accounting firm, following the expansion of the Company's operations in Australia and Canada and RSM Australia's strong presence in both jurisdictions. The Board of Directors of the Company, on the recommendation of the Audit Committee, appointed RSM Australia as the new auditor until the next Annual General Meeting of the Company.

The Company sent a Notice of Change of Auditor (the **Notice**) to the Former Auditor and to the Successor Auditor and has received a letter from each, addressed to the securities commissions in each of British Columbia and Alberta stating that they agree with the information contained in the Notice. The Notice and letters (the **Change of Auditor Package**) have been reviewed and approved by the Company's Audit Committee and the Board of Directors.

The Change of Auditor Package is available under the Company's SEDAR+ profile at www.sedarplus.ca.

About Benz Mining Corp.

Benz Mining Corp. (TSXV:BZ, ASX:BNZ) is a pure-play gold exploration company dual-listed on the TSX Venture Exchange and Australian Securities Exchange. The Company owns the Eastmain Gold Project in Quebec, and the recently acquired Glenburgh and Mt Egerton Gold Projects in Western Australia.

Benz's key point of difference lies in its team's deep geological expertise and the use of advanced geological techniques, particularly in high-metamorphic terrane exploration. The Company aims to rapidly grow its global resource base and solidify its position as a leading gold explorer across two of the world's most prolific gold regions.

The Glenburgh Gold Project features a Mineral Resource Estimate of 16.3Mt at 1.0 g/t Au (510,100 ounces of contained gold)¹.

The Eastmain Gold Project in Quebec hosts a Mineral Resource Estimate of 1,005,000 ounces at 6.1g/t Au² showcasing Benz's focus on high-grade, high-margin assets in premier mining jurisdictions.

to apply and have not materially changed. The Company confirms that the form and context in which the Competent Person's findings are presented have not been materially modified from the original market announcements.

Forward-Looking Statements

Statements contained in this news release that are not historical facts are "forward-looking information" or "forward looking statements" (collectively **Forward-Looking Information**) as such term is used in applicable Canadian securities laws. Forward-Looking Information includes, but is not limited to, planned exploration and use of advanced techniques and related activities on the Eastmain Gold Mine and the Glenburgh and Mt Egerton projects, the expansion of its global resource base and solidification of the Company's position as a leading gold explorer across the world's most prolific gold regions, including the anticipated benefits thereof. In certain cases, Forward-Looking Information can be identified by the use of words and phrases or variations of such words and phrases or statements such as "anticipates", "complete", "become", "expects", "next steps", "commitments" and "potential", in relation to certain actions, events or results "could", "may", "will", "would", be achieved. In preparing the Forward-Looking Information in this news release, the Company has applied several material assumptions, including, but not limited to, that the tenements associated with the Glenburgh and Mt Egerton projects that are still pending grant or undergoing the renewal process will be granted and/or renewed, as applicable, in a timely manner; the current exploration, development, environmental and other objectives concerning the Company's Projects (including Glenburgh and Mt Egerton) can be achieved; and the continuity of the price of gold and other metals, economic and political conditions, and operations.

Forward-looking information is subject to a variety of risks and uncertainties and other factors that could cause plans, estimates and actual results to vary materially from those projected in such forward-looking information. Factors that could cause the forward-looking information in this news release to change or to be inaccurate include, but are not limited to, the risk that any of the assumptions referred to prove not to be valid or reliable, that occurrences such as those referred to above are realized and result in delays, or cessation in planned work, that the Company's financial condition and development plans change, and delays in regulatory approval, as well as the other risks and uncertainties applicable to the Company as set forth in the Company's continuous disclosure filings filed under the Company's profile at www.sedarplus.ca. and www.asx.com.au. Accordingly, readers should not place undue reliance on Forward-Looking Information. The Forward-looking information in this news release is based on plans, expectations, and estimates of management at the date the information is provided and the Company undertakes no obligation to update these forward-looking statements, other than as required by applicable law.

NEITHER THE TSX VENTURE EXCHANGE NOR ITS REGULATION SERVICES PROVIDER (AS THAT TERM IS DEFINED IN THE POLICIES OF THE TSX VENTURE EXCHANGE) ACCEPTS RESPONSIBILITY FOR THE ACCURACY OR ADEQUACY OF THIS RELEASE.
