About Yari Minerals

Yari Minerals Limited (ASX: YAR) owns 100% interests in the Pilbara Lithium and Wandagee Projects, which comprise approximately 1,400km² in 6 granted exploration licences located in the Pilbara and Gascoyne regions of Western Australia.

The Pilbara Projects are highly prospective for lithium and situated near two of the world's largest hard rock lithium deposits/mines (ASX: PLS – Pilgangoora & ASX: MIN – Wodgina) and other deposits and occurrences near Marble Bar (ASX: GL1's Archer Project).

Until 3 April 2023, YAR owned and operated the Plomosas Mine in Mexico. On that date, the mine was sold to Impact Silver Corp. (TSX-V: IPT). The Company retains an interest in that Project through a 12% net profit interest royalty and shares in Impact Silver Corp. which were part of the purchase consideration.
