

PENNYS GOLD PROJECT

DRILLING TO COMMENCE 21 SEPTEMBER 2026

Empire Resources Limited (ASX: ERL; "Empire" or the "Company") is pleased to provide the market with an update on its 2026 exploration activities.

A 2,400m aircore drilling program is scheduled to commence at the Pennys Gold project on the 21st of September 2026. Empire plans to drill two, previously untested, north-south, soil anomalies along strike of Maritana Minerals Ltd (ASX: MRT) Pennys Find Gold Mine which hosts a potential underground mine within a 63,000oz Au resource. A third, untested, soil anomaly is located on the south-eastern corner of E27/592. The program is expected to take about a week.
