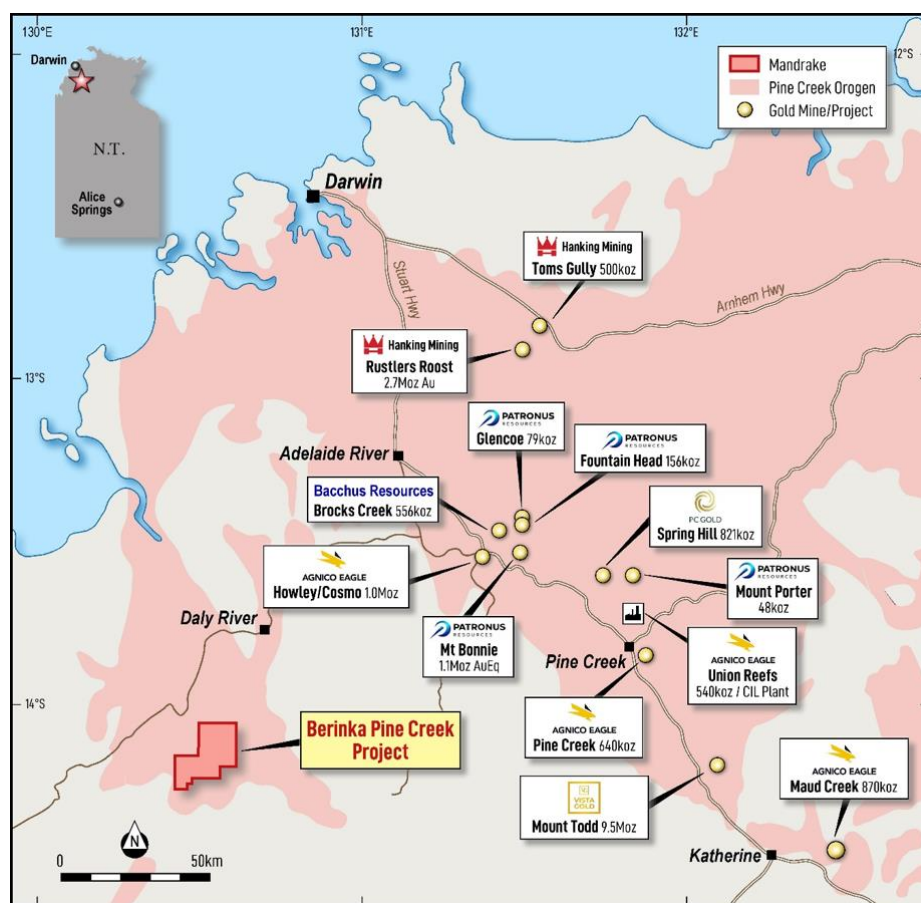

Figure 1: Location of Berinka Pine Creek Gold-Copper Project

Mandrake Resources Limited (ASX: MAN) (Mandrake or the Company) is pleased to advise that it has received approval for an Environmental Mining Licence from the Northern Territory Department of Lands, Planning and Environment (DLPE) for its ~3,200m drilling programme at the Berinka Gold-Copper Project in the Pine Creek goldfields of the Northern Territory.

The approval represents the final regulatory step required ahead of drilling, with mobilisation and commencement of the programme scheduled for next month.

This announcement has been authorised for release by the Board of Mandrake Resources.
