ASX RELEASE

Forrestania Joins Globally Recognised GDXJ Fund

Forrestania Resources Limited (ASX: FRS) ("FRS" or "the Company") is pleased to announce it has been added to the VanEck Junior Gold Miners ETF (**GDXJ**), one of the world's leading exchange-traded funds focused on junior precious metals companies.

The GDXJ is a globally recognised exchange-traded fund designed to track the performance of liquid small and mid-capitalisation companies operating in the global precious metals sector.

About the GDXJ

The VanEck Junior Gold Miners ETF (GDXJ) is a globally recognised exchange-traded fund providing investors with exposure to a diversified portfolio of small and mid-cap companies primarily involved in the precious metals sector.

As one of the largest specialist precious metals ETFs globally, GDXJ is widely followed by institutional and retail investors seeking exposure to the junior mining sector.

Inclusion in the ETF may increase Forrestania's share liquidity and broaden awareness of the Company amongst global investors seeking exposure to emerging precious metals companies.

Executive Chairman David Geraghty said:

"We are very pleased to see Forrestania included in the GDXJ. This represents an important milestone for the Company and reflects the significant progress we have made in advancing our portfolio and growing our profile within the global gold sector. We believe this inclusion validates the quality of our assets, our strategy and the work of our team as we continue to deliver value for shareholders."

This announcement has been authorised for release by the Board of Forrestania Resources Limited.

About Forrestania Resources Limited

Forrestania Resources Limited (ASX: FRS) is an Australian gold exploration and development company focused on building a significant Western Australian gold business.

Forrestania's strategy is centred on growing its gold resource inventory through disciplined exploration, value-accretive acquisitions and the advancement of high-quality development opportunities capable of supporting long-term production.

Forrestania has established a substantial portfolio of gold assets across Western Australia's premier mineral provinces, including the Southern Cross, Eastern Goldfields and Forrestania regions. These assets provide the foundation for the Company's strategy to develop two complementary processing hubs at Edna May and Lake Johnston, creating a scalable platform for future production and regional consolidation.

Supported by an experienced Board and management team with a proven track record of discovery, project development and mine operations, Forrestania is committed to creating long-term shareholder value through technical excellence, disciplined capital allocation and responsible resource development.
