

Richard King Joins Whitebark Energy Board as Non-Executive Director

7 May 2025

Whitebark Energy (“Whitebark” or the “Company”) is delighted to announce the appointment of Richard King to the Board of Whitebark Energy.

Richard has 30 years experience as a proven executive in E&P and the wider energy industry. An experienced business leader within Australia and internationally having held multiple advisory and leadership positions including with Duke Energy, Woodside, Chevron, KUFPEC and Otto Energy. He has been accountable for leading commercial and strategy teams in M&A, new ventures, product marketing, and in the commercialisation of LNG / Domestic Gas / Oil Projects / gas pipelines / and power generation. Richard is a founder of King Energy Ltd.

Chairman Mark Lindh said *“The appointment of Richard to the Board brings a deep understanding of the Alinya Project, together with proven management and commercial experience in the energy sector. This appointment bolsters the capability of the Board to drive exploration and achieve successful commercial outcomes in the delivery of the world scale hydrocarbon, hydrogen and helium exploration on the Officer Basin in South Australia.”*

This ASX announcement has been approved and authorised for release by the Board of Whitebark Energy Limited.

About Whitebark Energy Limited

Whitebark Energy Limited is an ASX-listed exploration and production company featuring low-cost oil and gas production in Canada, a substantial contingent gas resource in Western Australia, and three EPG permit areas in Queensland. WBE has realigned its corporate strategy following a comprehensive management changeout and the landmark acquisition of a 100% interest in the Wizard Lake producing asset located in the prolific oil & gas province of Alberta, Canada.
