A vote on this Resolution must not be cast (in any capacity) by or on behalf of any of the following persons:

- (a) a member of the Key Management Personnel, details of whose remuneration are included in the Remuneration Report;
- (b) or a Closely Related Party of such a member.

However, a person (the **voter**) described above may cast a vote on this Resolution as a proxy if the vote is not cast on behalf of a person described above and either:

EXPLANATORY STATEMENT

This Explanatory Statement has been prepared to provide information that the Directors believe to be material to Shareholders in deciding whether or not to pass the Resolutions which are the subject of the business of the Meeting.

1. ACTION TO BE TAKEN BY SHAREHOLDERS

Shareholders should read the Notice and this Explanatory Statement carefully before deciding how to vote on the Resolutions.

1.1 Proxies

A Proxy Form is attached to the Notice. This is to be used by Shareholders if they wish to appoint a representative (a 'proxy') to vote in their place. All Shareholders are invited and encouraged to attend the Meeting or, if they are unable to attend in person, sign and return the Proxy Form to the Company in accordance with the instructions thereon. Lodgement of a Proxy Form will not preclude a Shareholder from attending and voting at the Meeting in person.

Please note that:

- (a) a member of the Company entitled to attend and vote at the Annual General Meeting is entitled to appoint a proxy;
- (b) a proxy need not be a member of the Company; and
- (c) a member of the Company entitled to cast two or more votes may appoint two proxies and may specify the proportion or number of votes each proxy is appointed to exercise, but where the proportion or number is not specified, each proxy may exercise half of the votes.

The attached Proxy Form provides further details on appointing proxies and lodging Proxy Forms.

2. FINANCIAL STATEMENTS AND REPORTS

In accordance with section 317 of the Corporations Act, the business of the Meeting will include receipt and consideration of the annual financial report of the Company for the financial year ended 30 June 2024 together with the declaration of the Directors, the Directors' report, the Remuneration Report and the auditor's report.

The Company will not provide a hard copy of the Company's annual financial report to Shareholders unless specifically requested to do so. The Company's annual financial report is available on its website at www.dundasminerals.com.

3. RESOLUTION 1 – ADOPTION OF REMUNERATION REPORT

General

The Corporations Act requires that at a listed company's annual general meeting, a resolution that the remuneration report be adopted must be put to the shareholders. However, such a resolution is advisory only and does not bind the company or the directors of the company.

The remuneration report sets out the company's remuneration arrangements for the directors and senior management of the company. The remuneration report is part of the directors' report contained in the annual financial report of the company for a financial year.

The chair of the meeting must allow a reasonable opportunity for its shareholders to ask questions about or make comments on the remuneration report at the annual general meeting.

Voting consequences

A company is required to put to its shareholders a resolution proposing the calling of another meeting of shareholders to consider the appointment of directors of the company (**Spill Resolution**) if, at consecutive annual general meetings, at least 25% of the votes cast on a remuneration report resolution are voted against adoption of the remuneration report and at the first of those annual general meetings a Spill Resolution was not put to vote. If required, the Spill Resolution must be put to vote at the second of those annual general meetings.

If more than 50% of votes cast are in favour of the Spill Resolution, the company must convene a shareholder meeting (**Spill Meeting**) within 90 days of the second annual general meeting.

All of the directors of the company who were in office when the directors' report (as included in the company's annual financial report for the most recent financial year) was approved, other than the managing director of the company, will cease to hold office immediately before the end of the Spill Meeting but may stand for re-election at the Spill Meeting.

Following the Spill Meeting those persons whose election or re-election as directors of the company is approved will be the directors of the company.

Previous voting results

At the Company's previous annual general meeting the votes cast against the remuneration report considered at that annual general meeting were less than 25%. Accordingly, the Spill Resolution is not relevant for this Annual General Meeting.

4. RESOLUTION 2 – RE-ELECTION OF DIRECTOR TIM HRONSKY

General

Listing Rule 14.5 provides that an entity which has directors must hold an election of directors at each annual general meeting.

Clause 15.2 of the Constitution sets out the requirements for determining which Directors are to retire by rotation at an annual general meeting.

Mr Hronsky, who has served as a Non-Executive Director since 21 April 2020 will retire in accordance with clause 15.2 of the Constitution and, being eligible, seeks re-election.

Qualifications and other material directorships

Tim Hronsky

Mr Tim Hronsky is a geologist with 30+ years of international experience. Tim is a graduate of the WA School of Mines (1990), Kalgoorlie. Tim's varied career includes 15 years with Placer Dome Inc, one of the largest gold companies in the world at that time (since acquired by Barrick). He also has extensive global consulting experience in the mining industry; providing clients with unique and value adding solutions. Tim specialises in green fields exploration, developing innovative geological and exploration concepts. Mr Hronsky is not a director of any other ASX listed company.

Independence

If re-elected, the Board does not consider that Mr Hronsky will be an independent Director.

Board recommendation

The Board has considered the performance of Mr Hronsky since his appointment to the Board and is of the view that the skills and experience of Mr Hronsky will continue to enhance the Board's ability to perform its role. Accordingly, the Board supports the re-election of Mr Hronsky and recommends that Shareholders vote in favour of Resolution 2.

5. RESOLUTION 3 – APPROVAL OF 10% PLACEMENT CAPACITY

5.1 General

ASX Listing Rule 7.1A provides that an Eligible Entity may seek Shareholder approval at its annual general meeting to allow it to issue Equity Securities up to 10% of its issued capital (**10% Placement Capacity**).

An Eligible Entity is one that, as at the date of the relevant annual general meeting:

- (a) is not included in the S&P/ASX 300 Index; and
- (b) has a maximum market capitalisation (excluding restricted securities and securities quoted on a deferred settlement basis) of less than \$300,000,000.

As at the date of this Notice, the Company is an Eligible Entity as it is not included in the S&P/ASX 300 Index and has a current market capitalisation of approximately \$3,808,009 (based on the number of Shares on issue and to be issued, and the closing price of \$0.036 on the ASX on 5 September 2024).

An Equity Security is a share, a unit in a trust, a right to a share or unit in a trust or option, an option over an issued or unissued security, a convertible security, or, any security that ASX decides to classify as an equity security.

Any Equity Securities issued under the 10% Placement Capacity must be in the same class as an existing class of quoted Equity Securities.

As at the date of this Notice, the Company currently has only 1 class of quoted Equity Securities on issue, being the Shares (ASX Code: DUN).

If Shareholders approve Resolution 3, the number of Equity Securities the Company may issue under the 10% Placement Capacity will be determined in accordance with the formula prescribed in ASX Listing Rule 7.1A.2.

The effect of Resolution 3 will be to allow the Directors to issue Equity Securities up to 10% of the Company's fully paid ordinary securities on issue under the 10% Placement Capacity during the period up to 12 months after the Meeting, without subsequent Shareholder approval and without using the Company's 15% annual placement capacity granted under ASX Listing Rule 7.1.

If Resolution 3 is not passed, the Company will not be able to access the additional 10% capacity to issue Equity Securities without Shareholder approval under Listing Rule 7.1A and will remain subject to the 15% limit on issuing Equity Securities without Shareholder approval set out in Listing Rule 7.1.

Resolution 3 is a special resolution. Accordingly, at least 75% of votes cast by Shareholders present and eligible to vote at the Meeting must be in favour of Resolution 3 for it to be passed.

5.2 Technical information required by ASX Listing Rule 7.1A

Pursuant to and in accordance with ASX Listing Rule 7.3A, the information below is provided in relation to this Resolution 3:

(a) Minimum Price

Any Equity Securities under the 10% Placement Capacity must be in an existing quoted class of Equity Securities and be issued for cash consideration at a minimum price of 75% of the volume weighted average price of Equity Securities in that class, calculated over the 15 ASX trading days on which trades in that class were recorded immediately before:

- (i) the date on which the price at which the Equity Securities are to be issued is agreed by the entity and the recipient of the Equity Securities; or
- (ii) if the Equity Securities are not issued within 10 (ten) ASX trading days of the date in Section 5.2(a)(i), the date on which the Equity Securities are issued.

(b) **Date of Issue**

The Equity Securities may be issued under the 10% Placement Capacity commencing on the date of the Meeting and expiring on the first to occur of the following:

- (i) 12 months after the date of this Meeting;
- (ii) the time and date of the Company's next annual general meeting; and
- (iii) the date of approval by Shareholders of any transaction under ASX Listing Rules 11.1.2 (a significant change to the nature or scale of the Company's activities) or 11.2 (disposal of the Company's main undertaking) (after which date, an approval under ASX Listing Rule 7.1A ceases to be valid),

(10% Placement Capacity Period).

(c) **Risk of voting dilution**

Any issue of Equity Securities under the 10% Placement Capacity will dilute the interests of Shareholders who do not receive any Shares under the issue.

If Resolution 3 is approved by Shareholders and the Company issues the maximum number of Equity Securities available under the 10% Placement Capacity, the economic and voting dilution of existing Shares would be as shown in the table below.

The table below shows the dilution of existing Shareholders calculated in accordance with the formula outlined in ASX Listing Rule 7.1A(2), on the basis of the current market price of Shares and the current number of Equity Securities on issue as at the date of this Notice.

The table also shows the voting dilution impact where the number of Shares on issue (Variable A in the formula) changes and the economic dilution where there are changes in the issue price of Shares issued under the 10% Placement Capacity.

Number of Shares on Issue (Variable "A" in Listing Rule 7.1A2)		Dilution			
		Shares issued – 10% voting dilution	Issue Price		
			\$0.0175 (50% decrease in current issue price)	\$0.035 (Current issue price)	\$0.0525 (50% increase in current issue price)
			Funds Raised		
Current	105,778,046	10,577,805	\$185,112	\$370,223	\$555,335
50% increase	158,667,069	15,866,707	\$277,667	\$555,335	\$833,002
100% increase	211,556,092	21,155,609	\$370,223	\$740,446	\$1,110,669

* The number of Shares on issue (Variable A in the formula) could increase as a result of the issue of Shares that do not require Shareholder approval (such as under a pro-rata rights issue or scrip issued under a takeover offer) or that are issued with Shareholder approval under ASX Listing Rule 7.1, and/or from the exercise of any options.

The table above uses the following assumptions:

- 1. There are currently 105,778,046 Shares on issue.
- 2. No Options convert to Shares before the date of the issue of the Equity Securities.
- 3. The issue price set out above is the closing price of the Shares on the ASX on 13 September 2024 (being, \$0.035).
- 4. The Company issues the maximum possible number of Equity Securities under the 10% Placement Capacity.

5. The Company has not issued any Equity Securities in the 12 months prior to the Meeting that were not issued under an exception in ASX Listing Rule 7.2 or with approval under ASX Listing Rule 7.1.
6. The issue of Equity Securities under the 10% Placement Capacity consists only of Shares. If the issue of Equity Securities includes quoted Options, it is assumed that those quoted Options are exercised into Shares for the purpose of calculating the voting dilution effect on existing Shareholders.
7. The calculations above do not show the dilution that any one particular Shareholder will be subject to. All Shareholders should consider the dilution caused to their own shareholding depending on their specific circumstances.
8. This table does not set out any dilution pursuant to approvals under ASX Listing Rule 7.1.
9. The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%.
10. The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the 10% Placement Capacity, based on that Shareholder's holding at the date of the Meeting.

Shareholders should note that there is a risk that:

- (i) the market price for the Company's Shares may be significantly lower on the issue date than on the date of the Meeting; and
- (ii) the Shares may be issued at a price that is at a discount to the market price for those Shares on the date of issue.

(d) Purpose of Issue under 10% Placement Capacity

The Company may issue Equity Securities under the 10% Placement Capacity for cash consideration in which case the Company intends to use funds raised for the continued development of the Company's High Purity Alumina Project, acquisition of new resources, assets and investments (including expenses associated with such an acquisition) and general working capital.

The Company will comply with the disclosure obligations under ASX Listing Rules 7.1A(4) and 3.10.5A upon issue of any Equity Securities.

(e) Allocation under the 10% Placement Capacity

The Company's allocation policy for the issue of Equity Securities under the 10% Placement Capacity will be dependent on the prevailing market conditions at the time of the proposed placement(s).

The recipients of the Equity Securities to be issued under the 10% Placement Capacity have not yet been determined. However, the recipients of Equity Securities could consist of current Shareholders or new investors (or both), none of whom will be related parties of the Company. The Company will determine the recipients at the time of the issue under the 10% Placement Capacity, having regard to the following factors:

- (i) the purpose of the issue;
- (ii) alternative methods for raising funds available to the Company at that time, including, but not limited to, an entitlement issue or other offer where existing Shareholders may participate;
- (iii) the effect of the issue of the Equity Securities on the control of the Company;
- (iv) the circumstances of the Company, including, but not limited to, the financial position and solvency of the Company;
- (v) prevailing market conditions; and
- (vi) advice from corporate, financial and broking advisers (if applicable).

Further, if the Company is successful in acquiring new resources, assets or investments, it is likely that the recipients under the 10% Placement Capacity will be vendors of the new resources, assets or investments.

(f) **Previous Approval under ASX Listing Rule 7.1A**

The Company previously obtained approval from its Shareholders pursuant to Listing Rule 7.1A at its annual general meeting held on 20 November 2023 (Previous Approval).

During the 12-month period preceding the date of the Meeting, being on and from 22 October 2023, the Company issued 8,462,805 Shares pursuant to the Previous Approval (**Previous Issue**), which represent approximately 6.89% of the total diluted number of Equity Securities on issue in the Company on 20 October 2023, which was 122,808,811.

Further details of the issues of Equity Securities by the Company pursuant to Listing Rule 7.1A.2 during the 12-month period preceding the date of the Meeting are set out below.

The following information is provided in accordance with Listing Rule 7.3A.6(b) in respect of the Previous Issue:

Notes:

1. Market Price means the closing price of Shares on ASX (excluding special crossings, overnight sales and exchange traded option exercises). For the purposes of this table the discount is calculated on the Market Price on the last trading day on which a sale was recorded prior to the date of issue of the relevant Equity Securities.
2. Fully paid ordinary shares in the capital of the Company, ASX Code: DUN (terms are set out in the Constitution).
3. This is a statement of current intentions as at the date of this Notice. As with any budget, intervening events and new circumstances have the potential to affect the manner in which the funds are ultimately applied. The Board reserves the right to alter the way the funds are applied on this basis.

5.3 Voting Exclusion Statement

As at the date of this Notice, the Company is not proposing to make an issue of Equity Securities under Listing Rule 7.1A. Accordingly, a voting exclusion statement is not included in this Notice.

6. RESOLUTION 4 AND RESOLUTION 5 – RATIFICATION OF PRIOR ISSUE OF SHARES (29 AUGUST 2024) – LISTING RULE 7.4

6.1 General

On 22 August 2024, the Company announced that it had received commitments from a variety of unrelated Professional and Sophisticated investors (**Participants**) to subscribe to a placement of up to 21,150,000 Shares at an issue price of \$0.041 per Share which represented a 25% discount to the 15 day volume weighted average up to and including 21 August 2024 (**Placement**). On 29 August 2024 the Company completed the issue of a total of 21,150,000 Shares at an issue price of \$0.041 per Share under the Placement (**Placement Shares**), comprising:

- (a) 8,462,805 Placement Shares pursuant to the Company's existing placement capacity under ASX Listing Rule 7.1A (the subject of Resolution 4); and
- (b) 12,687,195 Placement Shares pursuant to the Company's existing placement capacity under ASX Listing Rule 7.1 (the subject of Resolution 5).

Salient Corporate Pty Ltd acted as lead manager and book runner for the Placement and received a fee of \$52,029 plus GST (being 6% of the funds raised under the Placement).

Resolutions 4 and 5 seek Shareholder ratification pursuant to ASX Listing Rule 7.4 for the issue of those Placement Shares.

6.2 Listing Rules 7.1 and 7.1A

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary securities it had on issue at the start of that 12 month period.

Under Listing Rule 7.1A however, an eligible entity can seek approval from its members, by way of a special resolution passed at its annual general meeting, to increase this 15% limit by an extra 10% to 25%.

The Company's ability to utilise the additional 10% capacity is conditional on Resolution 3 being passed at this Meeting.

The issue of the Placement Shares does not fit within any of the exceptions set out in Listing Rule 7.2 and, as it has not yet been approved by Shareholders, it effectively uses up part of the 25% limit in Listing Rules 7.1 and 7.1A, reducing the Company's capacity to issue further equity securities without Shareholder approval under Listing Rule 7.1 and 7.1A for the 12 month period following the date of issue of the Placement Shares.

6.3 Listing Rule 7.4

Listing Rule 7.4 allows the shareholders of a listed company to approve an issue of equity securities after it has been made or agreed to be made. If they do, the issue is taken to have been approved under Listing Rule 7.1 and so does not reduce the company's capacity to issue further equity securities without shareholder approval under that rule.

The Company wishes to retain as much flexibility as possible to issue additional equity securities in the future without having to obtain Shareholder approval for such issues under Listing Rule 7.1. Accordingly, the Company is seeking Shareholder ratification pursuant to Listing Rule 7.4 for the issue of the Placement Shares.

6.4 Technical information required by Listing Rule 14.1A

If Resolutions 4 and 5 are passed, the Placement Shares will be excluded in calculating the Company's combined 25% limit in Listing Rules 7.1 and 7.1A, effectively increasing the number of equity securities

the Company can issue without Shareholder approval over the 12 month period following the date of issue of the Placement Shares.

If Resolutions 4 and 5 are not passed, the Placement Shares will be included in calculating the Company's combined 25% limit in Listing Rules 7.1 and 7.1A, effectively decreasing the number of equity securities the Company can issue without Shareholder approval over the 12 month period following the date of issue of the Placement Shares.

The Company's ability to utilise the additional 10% capacity provided for in Listing Rule 7.1A remains conditions on Resolution 3 being passed at this Meeting.

6.5 Information required by ASX Listing Rule 7.5

Pursuant to and in accordance with ASX Listing Rule 7.5, the following information is provided in relation to Resolutions 4 and 5:

- (a) the Placement Shares were issued to professional and sophisticated investors who were identified through a bookbuild process, which involved Sandton Capital Advisory Pty Ltd seeking expressions of interest to participate in the placement from non-related parties of the Company;
- (b) 21,150,000 Placement Shares were issued on the following basis:
 - (i) 8,462,805 Placement Shares issued pursuant to ASX Listing Rule 7.1A; and
 - (ii) 12,687,195 Placement Shares issued pursuant to ASX Listing Rule 7.1;
- (c) the Placement Shares issued were all fully paid ordinary shares in the capital of the Company issued on the same terms and conditions as the Company's existing Shares;
- (d) the Placement Shares were issued on 29 August 2024;
- (e) the issue price was at \$0.041 per Placement Share under both of the issue of Shares pursuant to Listing Rule 7.1 and Listing Rule 7.1A. The Company has not and will not receive any other consideration for the issue of the Placement Shares;
- (f) the funds raised from this issue will be applied to the companies gold exploration projects in the Kalgoorlie region, Western Australia;
- (g) the Placement Shares were not issued pursuant to an agreement;
- (h) the issue of the Placement Shares did not breach Listing Rule 7.1A and 7.1; and
- (i) a voting exclusion statement is included in Resolutions 4 and 5 of the Notice.

7. RESOLUTION 6 – ADOPTION OF EMPLOYEE SECURITIES INCENTIVE PLAN

7.1 General

Resolution 6 seeks Shareholder approval for the adoption of the employee incentive scheme titled Employee Securities Incentive Plan (**ESIP**) and for the issue of securities under the ESIP in accordance with Listing Rule 7.2 (Exception 13(b)).

The objective of the ESIP is to attract, motivate and retain key employees and the Company considers that the adoption of the ESIP and the future issue of securities under the ESIP will provide recipients the opportunity to participate in the future growth of the Company.

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary shares it had on issue at the start of that period.

Listing Rule 7.2 (Exception 13(b)) provides that Listing Rule 7.1 does not apply to an issue of securities under an employee incentive scheme if, within three years before the date of issue of the securities, the holders of the entity's ordinary securities have approved the issue of equity securities under the scheme as exception to Listing Rule 7.1.

Exception 13(b) is only available if and to the extent that the number of equity securities issued under the scheme does not exceed the maximum number set out in the entity's notice of meeting dispatched to shareholders in respect of the meeting at which shareholder approval was obtained pursuant to Listing Rule 7.2 (Exception 13(b)). Exception 13(b) also ceases to be available if there is a material change to the terms of the scheme from those set out in the notice of meeting.

For the avoidance of doubt, the Company must seek Shareholder approval under Listing Rule 10.14 in respect of any future issues of securities under the ESIP to a related party or a person whose relationship with the Company or the related party is, in ASX's opinion, such that approval should be obtained.

If Resolution 6 is passed, the Company will be able to issue securities under the ESIP to eligible participants over a period of 3 years. The issue of any securities to eligible participants under the ESIP (up to the maximum number of securities stated in Section 5.2(c) below) will be excluded from the calculation of the number of equity securities that the Company can issue without Shareholder approval under Listing Rule 7.1.

If Resolution 6 is not passed, the Company will be able to proceed with the issue of securities under the ESIP to eligible participants, but any issues of securities will reduce, to that extent, the Company's capacity to issue equity securities without Shareholder approval under Listing Rule 7.1 for the 12 month period following the issue of the securities.

7.2 Technical information required by Listing Rule 7.2 (Exception 13)

Pursuant to and in accordance with Listing Rule 7.2 (Exception 13), the following information is provided in relation to Resolution 6:

- (a) a summary of the key terms and conditions of the ESIP is set out in Schedule 1;
- (b) The Company has not issued any Securities under the ESIP as this is the first time that Shareholder approval is being sought for the adoption of the ESIP;
- (c) the maximum number of securities proposed to be issued under the ESIP in reliance of Listing Rule 7.2 (Exception 13), following Shareholder approval, is 5,288,902 securities. It is not envisaged that the maximum number of securities for which approval is sought will be issued immediately. The Company may also seek Shareholder approval under Listing Rule 10.13 in respect of any future issues of securities under the Plan to a related party or a person whose relationship with the Company or the related party is, in ASX's opinion, such that approval should be obtained;
- (d) a voting exclusion statement applies to this Resolution; and
- (e) a voting prohibition statement applies to this Resolution.

8. RESOLUTION 7 – INSERTION OF PROPORTIONAL TAKEOVER PROVISIONS IN THE CONSTITUTION

8.1 General

A proportional takeover bid is a takeover bid where the offer made to each shareholder is only for a proportion of that shareholder's shares.

Pursuant to section 648G of the Corporations Act, an entity may include a provision in its constitution whereby a proportional takeover bid for shares may only proceed after the bid has been approved by a meeting of shareholders held in accordance with the terms set out in the Corporations Act.

In accordance with section 648G(1) of the Corporations Act, such clause will cease to apply at the end of three years from the incorporation of the Company, insertion of the clause or renewal of the clause (as appropriate) unless otherwise specified. When this clause ceases to apply, the constitution will be modified by omitting the clause.

A company may renew its proportional takeover approval provisions in the same manner in which a company can modify its constitution (i.e., by special resolution of shareholders).

The proportional takeover provisions contained in clause 37 of the Constitution are no longer operative as it has been more than three years since they were last approved by Shareholders.

This Resolution is a special resolution which will enable the Company to modify its Constitution by re-inserting proportional takeover provisions into the Constitution in the form of clause 37. The new clause 37 is in the same form as the existing clause 37 (as set out in Annexure A of this Notice).

The Company is permitted to seek further Shareholder approval to renew this clause for further periods of up to three years on each occasion.

A copy of the Constitution was released to ASX on 22 October 2024 and is available for download from the Company's ASX announcements platform.

8.2 Technical information required by section 648G(5) of the Corporations Act

Overview	A proportional takeover bid is a takeover bid where the offer made to each shareholder is only for a proportion of that shareholder's shares. Pursuant to section 648G of the Corporations Act, the Company has included in the Constitution a provision whereby a proportional takeover bid for Shares may only proceed after the bid has been approved by a meeting of Shareholders held in accordance with the terms set out in the Corporations Act. This clause of the Constitution will cease to have effect on the third anniversary of the date of the adoption of last renewal of the clause.
Effect of proposed proportional takeover provisions	Where offers have been made under a proportional off-market bid in respect of a class of securities in a company, the registration of a transfer giving effect to a contract resulting from the acceptance of an offer made under such a proportional off-market bid is prohibited unless and until a Resolution to approve the proportional off-market bid is passed.
Reasons for proportional takeover provisions	A proportional takeover bid may result in control of the Company changing without Shareholders having the opportunity to dispose of all their Shares. By making a partial bid, a bidder can obtain practical control of the Company by acquiring less than a majority interest. Shareholders are exposed to the risk of being left as a minority in the Company and the risk of the bidder being able to acquire control of the Company without payment of an adequate control premium. These amended provisions allow Shareholders

	to decide whether a proportional takeover bid is acceptable in principle, and assist in ensuring that any partial bid is appropriately priced.
Knowledge of any acquisition proposals	As at the date of this Notice, no Director is aware of any proposal by any person to acquire, or to increase the extent of, a substantial interest in the Company.
Potential advantages and disadvantages of proportional takeover provisions	The Directors consider that the proportional takeover provisions have no potential advantages or disadvantages for them and that they remain free to make a recommendation on whether an offer under a proportional takeover bid should be accepted. The potential advantages of the proportional takeover provisions for Shareholders include: (a) the right to decide by majority vote whether an offer under a proportional takeover bid should proceed; (b) assisting in preventing Shareholders from being locked in as a minority; (c) increasing the bargaining power of Shareholders which may assist in ensuring that any proportional takeover bid is adequately priced; and (d) each individual Shareholder may better assess the likely outcome of the proportional takeover bid by knowing the view of the majority of Shareholders which may assist in deciding whether to accept or reject an offer under the takeover bid. The potential disadvantages of the proportional takeover provisions for Shareholders include: (a) proportional takeover bids may be discouraged; (b) lost opportunity to sell a portion of their Shares at a premium; and (c) the likelihood of a proportional takeover bid succeeding may be reduced.
Recommendation of the Board	The Directors do not believe the potential disadvantages outweigh the potential advantages of adopting the proportional takeover provisions and as a result consider that the proportional takeover provision in the Constitution is in the interest of Shareholders and unanimously recommend that Shareholders vote in favour of this Resolution.

SCHEDULE 1

Summary of Employee Securities Incentive Plan

A summary of the material terms of the Company's Employee Securities Incentive Plan (**ESIP**) is set out below.

Eligible Participant	Eligible Participant means a person that is a 'primary participant' (as that term is defined in Division 1A of Part 7.12 of the Corporations Act) in relation to the Company or an Associated Body Corporate (as defined in the Corporations Act) and has been determined by the Board to be eligible to participate in the ESIP from time to time.
Purpose	The purpose of the ESIP is to: (a) assist in the reward, retention and motivation of Eligible Participants; (b) link the reward of Eligible Participants to Shareholder value creation; and (c) align the interests of Eligible Participants with shareholders of the Group (being the Company and each of its Associated Bodies Corporate), by providing an opportunity to Eligible Participants to receive a security in the capital of the Company granted under the ESIP, including Shares, Options Performance Rights or other convertible security (Securities).
Maximum number of Convertible Securities	The Company will not make an invitation under the ESIP which involves monetary consideration if the number of Shares that may be issued, or acquired upon exercise of Convertible Securities offered under an invitation, when aggregated with the number of Shares issued or that may be issued as a result of all invitations under the ESIP during the 3 year period ending on the day of the invitation, will exceed 5% of the total number of issued Shares at the date of the invitation (unless the Constitution specifies a different percentage and subject to any limits approved by Shareholders under Listing Rule 7.2 Exception 13(b) – refer to Resolution 6 and Section 7.2(c)).
ESIP administration	The ESIP will be administered by the Board. The Board may exercise any power or discretion conferred on it by the ESIP rules in its sole and absolute discretion (except to the extent that it prevents the Participant relying on the deferred tax concessions under Subdivision 83A-C of the <i>Income Tax Assessment Act 1997</i> (Cth)). The Board may delegate its powers and discretion.
Eligibility, invitation and application	The Board may from time to time determine that an Eligible Participant may participate in the ESIP and make an invitation to that Eligible Participant to apply for any (or any combination of) the Securities provided under the ESIP on such terms and conditions as the Board decides. On receipt of an invitation, an Eligible Participant may apply for the Securities the subject of the invitation by sending a completed application form to the Company. The Board may accept an application from an Eligible Participant in whole or in part. If an Eligible Participant is permitted in the invitation, the Eligible Participant may, by notice in writing to the Board, nominate a party in whose favour the Eligible Participant wishes to renounce the invitation.
Grant of Securities	The Company will, to the extent that it has accepted a duly completed application, grant the Eligible Participant the relevant number and type of Securities, subject to the terms and conditions set out in the invitation, the ESIP rules and any ancillary documentation required.
Rights attaching to Convertible Securities	A Convertible Security represents a right to acquire one or more ESIP Shares in accordance with the ESIP (for example, an Option or a Performance Right). Prior to a Convertible Security being exercised, the holder:

	(a) does not have any interest (legal, equitable or otherwise) in any Share the subject of the Convertible Security other than as expressly set out in the ESIP; (b) is not entitled to receive notice of, vote at or attend a meeting of the shareholders of the Company; (c) is not entitled to receive any dividends declared by the Company; and (d) is not entitled to participate in any new issue of Shares (see Adjustment of Convertible Securities section below).
Restrictions on dealing with Convertible Securities	Convertible Securities issued under the ESIP cannot be sold, assigned, transferred, have a security interest granted over or otherwise dealt with unless in Special Circumstances as defined under the ESIP (including in the case of death or total or permanent disability of the holder) with the consent of the Board in which case the Convertible Securities may be exercisable on terms determined by the Board. A holder must not enter into any arrangement for the purpose of hedging their economic exposure to a Convertible Security that has been granted to them.
Vesting of Convertible Securities	Any vesting conditions applicable to the Convertible Securities will be described in the invitation. If all the vesting conditions are satisfied and/or otherwise waived by the Board, a vesting notice will be sent to the Participant by the Company informing them that the relevant Convertible Securities have vested. Unless and until the vesting notice is issued by the Company, the Convertible Securities will not be considered to have vested. For the avoidance of doubt, if the vesting conditions relevant to a Convertible Security are not satisfied and/or otherwise waived by the Board, that security will lapse.
Forfeiture of Convertible Securities	Convertible Securities will be forfeited in the following circumstances: (a) in the case of unvested Convertible Securities only, where the holder ceases to be an Eligible Participant (e.g. is no longer employed or their office or engagement is discontinued with the Company and any Associated Bodies Corporate (as defined in the Corporations Act) (the Group); (b) where there is a failure to satisfy the vesting conditions in accordance with the ESIP; (c) on the date the Participant becomes insolvent; or (d) on the Expiry Date.
Listing of Convertible Securities	Convertible Securities granted under the ESIP will not be quoted on the ASX or any other recognised exchange. The Board reserves the right in its absolute discretion to apply for quotation of Convertible Securities granted under the ESIP on the ASX or any other recognised exchange.
Exercise of Convertible Securities and cashless exercise	To exercise a security, the Participant must deliver a signed notice of exercise and, subject to a cashless exercise (see next paragraph below), pay the exercise price (if any) to or as directed by the Company, at any time following vesting of the Convertible Securities (if subject to vesting conditions) and prior to the expiry date as set out in the invitation or vesting notice. An invitation to apply for Convertible Securities may specify that at the time of exercise of the Convertible Securities, the Participant may elect not to be required to provide payment of the exercise price for the number of Convertible Securities specified in a notice of exercise, but that on exercise of those Convertible Securities the Company will transfer or issue to the Participant that number of Shares equal in value to the positive difference between the Market Value of the Shares at the time of exercise and the exercise price that would otherwise be payable to exercise those Convertible Securities.

	Market Value means, at any given date, the volume weighted average price per Share traded on the ASX over the 5 trading days immediately preceding that given date, unless otherwise specified in an invitation. Convertible Securities may not be exercised unless and until that security has vested in accordance with the ESIP rules, or such earlier date as set out in the ESIP rules.
Timing of issue of Shares and quotation of Shares on exercise	Within five business days after the issue of a valid notice of exercise by a Participant, the Company will issue or cause to be transferred to that Participant the number of Shares to which the Participant is entitled under the ESIP rules and issue a substitute certificate for any remaining unexercised Convertible Securities held by that Participant.
Restriction periods and restrictions on transfer of Shares on exercise	If the invitation provides that any Shares issued upon the valid exercise of a Convertible Security are subject to any restrictions as to the disposal or other dealing by a Participant for a period, the Board may implement any procedure it deems appropriate to ensure the compliance by the Participant with this restriction. Additionally, Shares issued on exercise of the Convertible Securities are subject to the following restrictions: (a) if the Company is required but is unable to give ASX a notice that complies with section 708A(5)(e) of the Corporations Act, Shares issued on exercise of the Convertible Securities may not be traded until 12 months after their issue unless the Company, at its sole discretion, elects to issue a prospectus pursuant to section 708A(11) of the Corporations Act; (b) all Shares issued on exercise of the Convertible Securities are subject to restrictions imposed by applicable law on dealing in Shares by persons who possess material information likely to affect the value of the Shares and which is not generally available; and (c) all Shares issued on exercise of the Convertible Securities are subject to the terms of the Company's Securities Trading Policy.
Rights attaching to Shares on exercise	All Shares issued upon exercise of Convertible Securities will rank equally in all respects with the then Shares of the Company.
Change of control	If a change of control event occurs (being an event which results in any person (either alone or together with associates) owning more than 50% of the Company's issued capital), the Board may in its discretion determine the manner in which any or all of the holder's Convertible Securities will be dealt with, including, without limitation, in a manner that allows the holder to participate in and/or benefit from any transaction arising from or in connection with the change of control event. The Board may specify in the Invitation how the Convertible Securities will be treated on a change of control event occurring, or the Board determining that such event is likely to occur, which may vary depending upon circumstances in which the Participant becomes a leaver and preserve some or all of the Board's discretion under this rule.
Participation in entitlements and bonus issues	Subject always to the rights under the following two paragraphs, Participants will not be entitled to participate in new issues of capital offered to holders of Shares such as bonus issues and entitlement issues.
Adjustment for bonus issue	If Shares are issued by the Company by way of bonus issue (other than an issue in lieu of dividends or by way of dividend reinvestment), the Participant is entitled, upon exercise of the Convertible Securities, to receive an issue of as many additional Shares as would have been issued to the holder if the holder held Shares equal in number to the Shares in respect of which the Convertible Securities are exercised.
Reorganisation	If there is a reorganisation of the issued share capital of the Company (including any subdivision, consolidation, reduction, return or cancellation of such issued capital of the Company), the rights of each Participant holding Convertible Securities will be changed to the extent necessary to comply with the ASX Listing Rules applicable to a reorganisation of capital at the time of the reorganisation.

Buy-Back	Subject to applicable law, the Company may at any time buy-back Securities in accordance with the terms of the ESIP.
Employee Share Trust	The Board may in its sole and absolute discretion use an employee share trust or other mechanism for the purposes of holding Convertible Securities for holders under the ESIP and delivering Shares on behalf of holders upon exercise of Convertible Securities.
Amendment of ESIP	Subject to the following paragraph, the Board may at any time amend any provisions of the ESIP rules, including (without limitation) the terms and conditions upon which any Securities have been granted under the ESIP and determine that any amendments to the ESIP rules be given retrospective effect, immediate effect or future effect. No amendment to any provision of the ESIP rules may be made if the amendment materially reduces the rights of any Participant as they existed before the date of the amendment, other than an amendment introduced primarily for the purpose of complying with legislation or to correct manifest error or mistake, amongst other things, or is agreed to in writing by all Participants.
ESIP duration	The ESIP continues in operation until the Board decides to end it. The Board may from time to time suspend the operation of the ESIP for a fixed period or indefinitely and may end any suspension. If the ESIP is terminated or suspended for any reason, that termination or suspension must not prejudice the accrued rights of the Participants. If a Participant and the Company (acting by the Board) agree in writing that some or all of the Securities granted to that Participant are to be cancelled on a specified date or on the occurrence of a particular event, then those Securities may be cancelled in the manner agreed between the Company and the Participant.
Income Tax Assessment Act	The ESIP is a plan to which Subdivision 83A-C of the <i>Income Tax Assessment Act 1997</i> (Cth) applies (subject to the conditions in that Act) except to the extent an invitation provides otherwise.
Withholding	Notwithstanding any other provision of the ESIP Rules, and without limiting the amounts which may be deducted or withheld under applicable laws, if a member of the Group, a trustee or the ESIP administrator is obliged, or reasonably believes that it may have an obligation to account for any tax, or any superannuation amounts (or equivalent social security contributions, if applicable) in respect of a Eligible Participant (Withholding Amount), then that Group company, trustee or ESIP administrator (as applicable) is entitled to withhold or be reimbursed by the Eligible Participant for the Withholding Amount payable or paid.

Annexure A

37. PARTIAL TAKEOVER PLEBISCITES

37.1 Resolution to Approve Proportional Off-Market Bid

- (a) Where offers have been made under a proportional off-market bid in respect of a class of securities of the Company ("**bid class securities**"), the registration of a transfer giving effect to a contract resulting from the acceptance of an offer made under the proportional off-market bid is prohibited unless and until a resolution (in this clause 37 referred to as a "**prescribed resolution**") to approve the proportional off-market bid is passed in accordance with the provisions of this Constitution.
- (b) A person (other than the bidder or a person associated with the bidder) who, as at the end of the day on which the first offer under the proportional off-market bid was made, held bid class securities is entitled to vote on a prescribed resolution and, for the purposes of so voting, is entitled to one vote for each of the bid class securities.
- (c) A prescribed resolution is to be voted on at a meeting, convened and conducted by the Company, of the persons entitled to vote on the prescribed resolution.
- (d) A prescribed resolution that has been voted on is to be taken to have been passed if the proportion that the number of votes in favour of the prescribed resolution bears to the total number of votes on the prescribed resolution is greater than one half, and otherwise is taken to have been rejected.

37.2 Meetings

- (a) The provisions of this Constitution that apply in relation to a general meeting of the Company apply, with modifications as the circumstances require, in relation to a meeting that is convened pursuant to this clause 37.2 as if the last mentioned meeting was a general meeting of the Company.
- (b) Where takeover offers have been made under a proportional off-market bid, the Directors are to ensure that a prescribed resolution to approve the proportional off-market bid is voted on in accordance with this clause 37 before the 14th day before the last day of the bid period for the proportional off-market bid (the "**resolution deadline**").

37.3 Notice of Prescribed Resolution

37.4 Takeover Resolution Deemed Passed

Where, at the end of the day before the resolution deadline, no prescribed resolution to approve the proportional off-market bid has been voted on in accordance with this clause 37, a resolution to approve the proportional off-market bid is to be, for the purposes of this clause 37, deemed to have been passed in accordance with this clause 37.

37.5 Takeover Resolution Rejected

Where a prescribed resolution to approve a proportional off-market bid under which offers have been made is voted on in accordance with this clause 37 before the resolution deadline, and is rejected, then:

Your proxy voting instruction must be received by **10.00am (AWST) on Saturday, 19 October 2024**, being **not later than 48 hours** before the commencement of the Meeting. Any Proxy Voting instructions received after that time will not be valid for the scheduled Meeting.

SUBMIT YOUR PROXY

Complete the form overleaf in accordance with the instructions set out below.

YOUR NAME AND ADDRESS

The name and address shown above is as it appears on the Company's share register. If this information is incorrect, and you have an Issuer Sponsored holding, you can update your address through the investor portal: <https://investor.automic.com.au/#/home> Shareholders sponsored by a broker should advise their broker of any changes.

STEP 1 – APPOINT A PROXY

If you wish to appoint someone other than the Chair of the Meeting as your proxy, please write the name of that Individual or body corporate. A proxy need not be a Shareholder of the Company. Otherwise if you leave this box blank, the Chair of the Meeting will be appointed as your proxy by default.

DEFAULT TO THE CHAIR OF THE MEETING

Any directed proxies that are not voted on a poll at the Meeting will default to the Chair of the Meeting, who is required to vote these proxies as directed. Any undirected proxies that default to the Chair of the Meeting will be voted according to the instructions set out in this Proxy Voting Form, including where the Resolutions are connected directly or indirectly with the remuneration of KMP.

STEP 2 - VOTES ON ITEMS OF BUSINESS

You may direct your proxy how to vote by marking one of the boxes opposite each item of business. All your shares will be voted in accordance with such a direction unless you indicate only a portion of voting rights are to be voted on any item by inserting the percentage or number of shares you wish to vote in the appropriate box or boxes. If you do not mark any of the boxes on the items of business, your proxy may vote as he or she chooses. If you mark more than one box on an item your vote on that item will be invalid.

APPOINTMENT OF SECOND PROXY

You may appoint up to two proxies. If you appoint two proxies, you should complete two separate Proxy Voting Forms and specify the percentage or number each proxy may exercise. If you do not specify a percentage or number, each proxy may exercise half the votes. You must return both Proxy Voting Forms together. If you require an additional Proxy Voting Form, contact Automic Registry Services.
