ASX Announcement **10 July 2025**

Placement and Loan

Moab Minerals Limited (ASX: **MOM**) (**Moab** or **the Company**) is pleased to announce that it has received a firm commitment from European Lithium Ltd (ASX: EUR) to raise $141,000 via a placement (**Placement**) of 141,000,000 ordinary shares at an issue price of $0.001 per share (**Placement Shares**). The Placement Shares will be issued under the Company's existing placement capacity under ASX Listing Rules 7.1 and are expected to be issued on 11 July 2025.

In addition, Moab advises that EUR has granted a cash loan of $500,000 to the Company (**Loan**). The Loan is unsecured and accrues interest at 10% per annum and is repayable on 11 July 2026.

Funds raised under the Placement and Loan will primarily be used towards procuring and assessing new resource project opportunities, exploration activities at the Company's Manyoni Uranium Project located in Tanzania, and for general working capital purposes.

Bryan Hughes, Non-Executive Chairman, stated "the cash loan granted by European Lithium to Moab illustrates the support from a key shareholder in the work being undertaken by us."

This announcement has been authorised for release by the Board of Directors.

ABOUT MOAB MINERALS

Moab Minerals Limited (ASX:MOM) is an exploration and project development company with a portfolio of exploration projects including:

- The Manyoni and Octavo Uranium Projects located in Tanzania,
- The REX Uranium-Vanadium Project located in the famed Uravan Mineral Belt of Colorado, and
- The Highline Copper-Cobalt Project in Southern Nevada.

Moab also holds a 11.02% interest in CAA Mining, an exploration and development company focused on lithium and gold exploration in Ghana, Africa, providing Moab shareholders with an interest in three lithium projects that are complementary to its existing assets, expanding its business as a junior exploration company.
