

27 November 2024

Global Lithium Organisational Changes

Following the delivery of the cost cutting program and organisational changes announced on 10 September 2024, Global Lithium Resources Limited (ASX: GL1) (**GL1 or Company**) advises that the role of Chief Financial Officer currently held by Mr Matthew Allen will be made redundant effective 6 December 2024.

Mr Allen's role will revert to a Non-Executive Director effective the same date.

Mr Kevin Hart, Company Secretary of GL1, and a Principal of Automic Group's CFO Advisory Group, will provide CFO services to the Company.

Global Lithium Executive Chair Ron Mitchell said: *"The Company would like to thank Matt for his contribution to the Company since joining as CFO in early 2023 and look forward to his continuing counsel as a director of GL1. The Company continues to monitor opportunities to manage the ongoing cost base whilst progressing key strategic opportunities that benefit all shareholders."*

Approved for release by the Board of Global Lithium Resources Limited.

Competent Persons Statement:

Mineral Resources

Information on historical exploration results and Mineral Resources for the Manna Lithium Project presented in this announcement, together with JORC Table 1 information, is contained in an ASX announcement released on 12 June 2024.

Information on historical exploration results and Mineral Resources for the Marble Bar Lithium Project presented in this announcement is contained in an ASX announcement released on 15 December 2022

The Company confirms that it is not aware of any new information or data that materially affects the information in the relevant market announcements, and that the form and context in which the Competent Persons findings are presented have not been materially modified from the original announcements.

Where the Company refers to Mineral Resources for the Manna Lithium Project (MLP) and the Marble Bar Lithium Project in this announcement (referencing previous releases made to the ASX), it confirms that it is not aware of any new information or data that materially affects the information included in that announcement and all material assumptions and technical parameters underpinning the Mineral Resource estimate in that announcement continue to apply and have not materially changed. The Company confirms that the form and context in which the Competent Persons findings are presented have not materially changed from the original announcement.
