OPTION TERMS

Aligned with the Appendix 3B, lodged at or around the same time as this notice to shareholders, The Company has agreed to issue 2,000,000 shares plus 2,000,000 unlisted options. Options will have an exercise price of \$0.035 (3.5 cents) and expire on 31 October 2027. Full terms of the options are set out below.

TERMS OF OPTIONS

- Each option (**Option**) entitles the holder to acquire one ordinary fully paid share (**Share**) in the capital of the Company.
- The exercise price of each Option is \$0.035 (3.5 cents).
- The Options expire at 5pm (Sydney time) on 31 October 2027.
- The Options can be exercised by completing an option exercise form and delivering it together with the payment for the number of Shares in respect of which the options are exercised to the Company's share registry.
- Any Option that has not been exercised prior to the expiry date automatically lapses.
- Holders shall not be entitled to exercise their Options (and the Company will not be required to issue shares upon such exercise) if it would be unlawful to do so.
- Options are transferable, subject to applicable law including without limitation the Corporations Act 2001 (Cth) and the ASX Listing Rules.
- The exercise price is payable in full on exercise.
- Where an Option holder determines to exercise some, but not all, of their held Options, the total aggregate amount payable to exercise the Options must be a minimum of \$1,000.
- All Shares issued upon exercise of Options will rank pari passu in all respect with, and have the same terms as, the Company's then issued fully paid ordinary shares. The Company will apply for official quotation by ASX of all Shares issued upon exercise of Options, subject to any restriction obligations imposed by ASX and the Company being listed on ASX at the relevant time. The Options will not give any right to participate in dividends until Shares are issued pursuant to the terms of the relevant Options.
- There are no participation rights or entitlements inherent in the Options. Option holders are not

entitled to participate in new issues of securities offers to shareholders without first exercising the Option. Prior to the Expiry Date and if required by the Listing Rules, the Company will send notices to option holders in accordance with the time limits required by the Listing Rules in respect of offers of securities made to shareholders.

- In the event of any reconstruction (including consolidation, subdivision, reduction or return) of the issued capital of the Company prior to the Expiry Date, the number of Options or the exercise price of the Options or both shall be reconstructed in accordance with the Listing Rules applying to a reorganisation of capital at the time of the reconstruction.

- Options will otherwise have the terms as required by ASX and the Listing Rules.
