

Ex Senior Tietto Minerals Exploration Manager Joins Dalaroo

Dalaroo Metals Ltd (ASX: DAL, “Dalaroo” or “Company”) is pleased to advise that Mr Frank Twum-Berima Bosompem has commenced employment with the Company as its Country Manager & Exploration Manager in Côte d’Ivoire.

Mr Bosompem is a qualified Geoscientist and Geo-Environmental Engineer with over 16 years of experience in mineral exploration and mining across West Africa, including Ghana, Liberia, Côte d’Ivoire, and Burkina Faso. He has worked extensively on gold, iron ore, manganese, bauxite, and base metal projects, with a focus on integrating technical excellence with environmental and social compliance.

Previously Mr Bosompem was the Exploration Manager for Tietto Minerals (Societe Minière De La Lobo) in Côte d’Ivoire, where he played a pivotal role in increasing the resource of 3.45 million ounces of gold at Tietto’s Abujar Project in Côte d’Ivoire, one of the most significant recent gold finds in the region. His other previous roles have included Country Manager/Exploration Manager at Tietto Minerals Liberia and Senior Geologist with Azumah Resources in Ghana.

Mr Bosompem holds an M.Sc. in Environmental Engineering from the Kwame Nkrumah University of Science and Technology, with a focus on Geo-techniques, Geotechnical engineering and Mine Waste management. He is a Member of the Australasian Institute of Mining and Metallurgy (MAusIMM). He also holds a professional certificate in JORC Code reporting and is currently pursuing an M.Sc. in Applied Mineral Exploration at Laurentian University in Canada.

As part of his employment agreement, Mr Bosompem has been provided with 2,700,000 ordinary fully paid shares in the Company as a sign on bonus.
