

ASX Announcement

26 June 2025

Intention to make \$204m takeover bid for New World Resources Limited (ASX: NWC)

Kinterra Capital GP Corp. II in its capacity as general partner of the Kinterra Critical Materials & Infrastructure Opportunities Fund II, L.P. (the **Kinterra Fund**) announces its intention to make an off-market takeover bid for all of the ordinary shares it does not already own in New World Resources Limited (ASX: NWC) (**NWC**) (the **Offer**).

The Kinterra Fund currently owns approximately 19.30% of NWC's issued shares.

Offer Price

Under the Offer, Kinterra will offer to pay NWC shareholders a cash price of A\$0.057 per NWC share (the **Offer Price**). The Offer Price values NWC's share capital at approximately A\$204million and the 80.70% of NWC's issued shares not currently held by the Kinterra Fund at approximately A\$164 million.

The Offer Price represents a:

- Premium to the proposal made by Central Asia Metals Plc (**CAML**) to acquire all NWC shares pursuant to a members' scheme of arrangement and off-market takeover bid, each for a cash consideration of A\$0.055 per NWC share, as announced to ASX on 20 June 2025 and 24 June 2025 respectively;
- 103.6% premium to the closing price of NWC shares of A\$0.028 on 20 May 2025;¹
- 123.2% premium to the volume weighted average price (**VWAP**) of NWC shares for one month up to and including 20 May 2025;
- 151.8% premium to the VWAP of NWC shares for the three months up to and including 20 May 2025; and
- 163.8% premium to the VWAP of NWC shares for the six months up to and including 20 May 2025;
- 185.0% premium to the last completed A\$14m placement at A\$0.020 per NWC share on 7 March 2025.

The Offer

The Offer is subject only to no "prescribed occurrences" (being the occurrences as listed in section 652C of the *Corporations Act 2001* (Cth) (the **Corporations Act**)) occurring in relation to NWC before the end of the Offer period.

Indicative Timetable

It is expected that the Bidder's Statement will be announced and lodged with the Australian Securities and Investments Commission today. Kinterra expects to dispatch the Bidder's Statement to NWC shareholders by no later than 10 July 2025, at which time the Offer will be open for acceptance by NWC shareholders.

Under the Corporations Act, the Target's Statement must be released by NWC within 15 days of the Bidder's Statement being dispatched to NWC shareholders. The Offer will remain open for at least one month.

ASIC Market Integrity Rule 5.13.1 Disclosure

Kinterra notes that it has appointed MA Moelis Australia Securities Pty Ltd (ABN 87 122 781 560) an Australian Financial Services licensee (AFSL No. 308241) as its broker to acquire NWC shares on market during normal trading hours on the ASX during the Bid Period (as defined in the ASIC Market Integrity Rules) at prices equal to or below the Offer Price (**On Market Purchases**).

¹ 20 May 2025 was the last trading day prior to the initial ASX announcement made by NWC in relation to the entry by NWC and CAML into a scheme implementation deed under which it was proposed that CAML would acquire all of the shares in NWC by way of a scheme of arrangement.

Any On Market Purchases will be disclosed to the ASX in substantial holder notices which Kinterra is required to lodge under the Corporations Act. Shareholders who sell their NWC shares on the ASX will receive payment on a T+2 basis (being two Business Days after the date of the relevant transaction). Shareholders who sell NWC shares on the ASX cannot subsequently accept the Offer in respect of their NWC shares sold on the ASX. In addition, Shareholders who sell NWC shares on the ASX may incur brokerage charges and GST on brokerage charges which they may not incur if they accept the Offer.

Letter to NWR Shareholders

26 June 2025

Dear NWR Shareholder

ALL CASH OFFER OF A\$0.057 PER SHARE

On behalf of Kinterra Capital GP Corp. II in its capacity as general partner of the Kinterra Critical Materials & Infrastructure Opportunities Fund II, L.P. (**Kinterra**), we are pleased to present you with this attractive all-cash offer to acquire your Shares in New World Resources Limited (ASX: **NWR**) (the **Offer**) for A\$0.057 cash per Share (the **Offer Price**).

The Offer is subject only to no Prescribed Occurrences occurring prior to the end of the Offer Period, providing transaction certainty and a simple, attractive and cash exit for your investment in NWR. The Offer remains open until [*] 2025 unless extended or withdrawn.

Kinterra is a North American based institutional private equity fund focused on investing in, acquiring and/or developing, critical materials, downstream infrastructure and related opportunities required for the modern economy in North America, Australia and certain other stable jurisdictions. Kinterra is currently NWR's largest shareholder with a Relevant Interest and Voting Power of 19.30%.

Offer Highlights

1. The Offer is a superior Offer to the CAML Proposal

- Higher all-cash offer at A\$0.057 vs. the A\$0.055 per share under the CAML Proposal;
- The Offer is subject only to no Prescribed Occurrences occurring prior to the end of the Offer Period as defined in section 7.6(a), versus the significant conditionality imposed by the CAML Proposal; and
- Kinterra is currently NWR's largest shareholder with a Relevant Interest and Voting Power of 19.30% making a successful competing offer unlikely.¹

2. Compelling, all-cash Offer at a significant premium

The all-cash Offer delivers a significant premium to the historical unaffected trading prices of NWR, providing immediate value for your Shares. The Offer Price represents a:²

- 103.6% premium to the last closing price of \$0.028 on 20 May 2025;
- 123.2% premium to the 1-month VWAP of Shares on 20 May 2025;
- 151.8% premium to the 3-month VWAP of Shares on 20 May 2025;
- 163.8% premium to the 6-month VWAP of Shares on 20 May 2025; and
- 185.0% premium to the last completed A\$14m placement at A\$0.020 per Share on 7 March 2025

3. Certainty of value with minimum conditionality

The Offer:

- Provides certainty of value in the form of all cash consideration;
- Delivers liquidity for Shareholders, including avoiding the need to incur brokerage costs that would otherwise be payable for any on-market sale; and

¹ Kinterra also holds 62,500,000 Options which are each exercisable into one Share at an exercise price of A\$0.04. The exercise of such Options is subject to compliance with all applicable laws, including Chapter 6 of the Corporations Act.

² Calculated based on cumulative trading volume across 30, 90 and 180 day periods up to and including 20 May 2025, being the last ASX trading day prior to the first announcement of the CAML Proposal on 21 May 2025.

- Removes future exposure to the risks associated with a development project, including timing, financing, dilution and other general market risks.

The full terms of the Offer are set out in section 7 of this Bidder's Statement.

4. Kinterra is currently NWR's largest shareholder

As at the Last Practicable Date, Kinterra collectively controls the largest holding of NWR Shares with a Relevant Interest in approximately 19.30% NWR Shares.

This substantial stake provides Kinterra with the ability to materially influence the outcome of any shareholder vote on any competing offer (including the CAML Proposal), as well as providing Kinterra with the ability to prevent a rival bidder from reaching the 90% threshold required to undertake a compulsory acquisition of the remaining Shares.

Kinterra also holds 62,500,000 Options which are each exercisable into one Share at an exercise price of A\$0.04.³

As such, Kinterra's 19.30% shareholding materially reduces the likelihood of any competing offer succeeding.

CAML Placement

On 20 June 2025 NWR announced CAML had agreed to provide A\$10.0 million to NWR via a subscription for approximately 188.7 million Shares at an issue price of \$0.053 per share (the **Placement**). NWR stated that *"the Placement is conditional on either no competing proposal being received by New World in the next 14 days (by 5.00pm Sydney time on 4 July 2025), or if a competing proposal is received within that time, the Directors of New World have not determined that it is or may reasonably be expected to become a superior proposal."*

On 23 June 2025, Kinterra provided NWR with a non-binding indicative offer to acquire all outstanding NWR Shares at \$0.057 per Share via an off-market takeover (the **Indicative Proposal**).

On 25 June 2025, NWR confirmed to Kinterra in writing that *"The NWR Board has determined, after obtaining advice from its legal and financial advisers, that the Kinterra Proposal constitutes a competing Proposal which may reasonably be expected to lead to a superior proposal."* Accordingly, Kinterra expects that NWR will terminate the Placement. In its Indicative Proposal dated 23 June 2025, Kinterra advised NWR that it is willing to consider providing to NWR an interim funding solution, and that it is open to engaging further with NWR on this.

Next steps

We recommend you **ACCEPT** the Offer as soon as possible to realise certain value for your NWR Shares and encourage you to read this Bidder's Statement in full for further details about the Offer, its terms and Kinterra.

If the Offer is not successful, there is a risk the NWR share price may drop to pre-Offer levels or below with a reduced level of trading liquidity.

The Offer Period is scheduled to end at 7:00pm (Sydney time) on [*] 2025, unless it is extended or withdrawn in accordance with the Corporations Act.

If you have any questions about the Offer, please call the Offer Information Line on 1300 367 804 (toll-free within Australia) or +61 2 9066 6162 (from outside Australia), or contact your legal, financial or other professional adviser.

Why You Should Accept the Offer

Kinterra is offering to acquire up to 100% of NWR Shares for A\$0.057 cash per Share. Reasons for accepting the Offer are set out below.

-
- 1 *Kinterra's Offer is superior to the CAML Proposal***
 - 2 *Compelling, all-cash Offer at a significant premium***
 - 3 *All-cash Offer provides value certainty with minimum conditionality***
 - 4 *Kinterra is currently NWR's largest shareholder***
-

ACCEPT THE OFFER

1. Kinterra's Offer is superior to the CAML Proposal

Kinterra's Offer represents a superior offer for NWR Shareholders in comparison to the existing CAML Proposal:

- **Highest Value:** Kinterra is offering A\$0.057 per Share – A\$0.02 higher than the consideration per Share offered under the CAML Proposal.
- **Increased Certainty:** Kinterra's Offer is subject to minimal Conditions, being subject only to no Prescribed Occurrences (as defined in section 7.6) occurring prior to the end of the Offer Period. In contrast, the CAML Proposal is subject to multiple conditions, including regulatory approvals (such as CFIUS approval and North Macedonian merger clearance) as well as a minimum acceptance threshold of 50.1%. Kinterra's Offer avoids the execution risk arising from this conditionality under the CAML Proposal.
- **Largest Shareholder of Influence:** Kinterra currently holds a Relevant Interest and Voting Power of 19.30% in NWR and is NWR's largest Shareholder.⁴ This gives Kinterra significant influence over the outcome of any competing proposal, and presents a material hurdle for competing offers, such as CAML's, to succeed.

2. Compelling, all-cash Offer at a significant premium

The Offer Price of **A\$0.057** is the highest offer currently capable of being accepted and represents a premium of:⁵

- 3.6% to the cash consideration of A\$0.055 per Share offered under the CAML Proposal;
- 103.6% to the last closing price of \$0.028 on 20 May 2025;
- 123.2% to the 1-month VWAP of Shares on 20 May 2025;
- 151.8% to the 3-month VWAP of Shares on 20 May 2025;
- 163.8% to the 6-month VWAP of Shares on 20 May 2025; and
- 185.0% to the last completed A\$14m placement at A\$0.020 per Share on 7 March 2025.

Figure 1 - Offer premium relative to recent trading prices (Source: IRESS). Premium values subject to rounding.

⁴ Kinterra also holds 62,500,000 Options which are each exercisable into one Share at an exercise price of A\$0.04. The exercise of such Options is subject to compliance with all applicable laws, including Chapter 6 of the Corporations Act.

⁵ Calculated based on cumulative trading volume across 30, 90 and 180 day periods up to and including 20 May 2025, being the last ASX trading day prior to the first announcement of the CAML Proposal on 21 May 2025. .

3. All-cash Offer provides value certainty with minimum conditionality

- The consideration offered to Shareholders under the Kinterra Offer is 100% cash and provides a compelling opportunity for Shareholders to realise their investment for full and certain value.
- If you accept the Offer, you will not be obliged to pay stamp duty. You will not incur any brokerage in connection with your acceptance of the Offer if your Shares are registered in an Issuer Sponsored Holding in your name and you deliver them directly to Kinterra.
- If you do not accept the Offer, there are potential risks associated with continuing to hold Shares, including as follows.

Risks of being a minority shareholder

If you do not accept the Offer and Kinterra acquires more than 50% of the Shares, but holds a relevant interest of less than 90% of Shares, you will be a minority shareholder in a company controlled by Kinterra. Being a minority shareholder in NWR may have the following potential implications:

- the price at which Shares are traded on the ASX may fall and trade at a material discount to the Offer Price;
- the market for Shares may become less liquid; and
- NWR may be delisted from the official list of the ASX.

Liquidity risk

Depending on the level of acceptances Kinterra receives under the Offer, the market for Shares may become even less liquid than at present. This could make it more difficult for you to sell your Shares at an attractive price in the future.

If Kinterra becomes entitled to compulsorily acquire your securities

If Kinterra becomes entitled to compulsorily acquire your Shares, it intends to exercise those rights. If your Shares are compulsorily acquired, you will still receive the consideration offered under the Offer, but at a later time than you would have received it if you had accepted the Offer.

Share price may fall

The Offer Price of A\$0.057 cash per Share is approximately 103.6% higher from the pre-Announcement Date closing share price of A\$0.028 on 20 May 2025 (being the last ASX trading day prior to the announcement of the CAML Proposal). If the Offer does not proceed, NWR's Share price may revert back to trading at a substantial discount to the Offer Price.

4. Kinterra is currently NWR's largest shareholder

As at the Last Practicable Date, Kinterra collectively controls the largest holding of NWR Shares with a Relevant Interest of approximately 19.30% of NWR Shares.

This substantial stake provides Kinterra with the ability to materially influence the outcome of any shareholder vote on any competing offer (including the CAMAL Proposal), as well as providing Kinterra with the ability to prevent a rival bidder from reaching the 90% threshold required to undertake a compulsory acquisition of the remaining Shares

Further, Kinterra also holds 62,500,000 Options which are each exercisable into one Share at an exercise price of A\$0.04.⁶

As such, Kinterra believes that the likelihood of a superior proposal emerging for NWR is low.

⁶ The exercise of such Options is subject to compliance with all applicable laws, including Chapter 6 of the Corporations Act.

3 Kinterra's Intentions

3.1 Introduction

This section 3 sets out the rationale for the Offer and Kinterra's intentions in relation to:

- (a) the continuation of the business of NWR;
- (b) any major changes to the business of NWR and any redeployment of the fixed assets of NWR; and
- (c) the future roles and employment arrangements of NWR's current employees.

These intentions are based on the information concerning NWR, its business and the general business environment which is known to Kinterra at the time of preparation of this Bidder's Statement.

Given that Kinterra has not had the benefit of recent due diligence investigation into NWR, Kinterra does not currently have full knowledge of all material information, facts and circumstances that are necessary to assess the operational, commercial, tax and financial implications of its current intentions. Where applicable, final decisions regarding these matters will only be made by Kinterra in light of material information and circumstances at the relevant time. Accordingly, the statements set out in this section 3 are statements of current intention only, which may change as new information becomes available to Kinterra or as circumstances change.

3.2 Post Offer review

After the Offer Period, Kinterra intends to undertake a general review of NWR's operations covering current strategy, financials and operating matters.

Consequently, the statements set out in this section 3 are statements of Kinterra's current intentions only and may vary as circumstances and further information arise. The statements and intentions set out in this section should be read in that context.

3.3 Intentions upon Kinterra acquiring 90% or more of the NWR Shares

This section 3.3 describes the intentions of Kinterra if at the end of the Offer Period, Kinterra acquires a Relevant Interest in at least 90% of the NWR Shares on issue.

In those circumstances, the current intentions of Kinterra are as follows.

(a) Corporate matters

- (i) Kinterra will proceed with compulsory acquisition of the outstanding Shares in accordance with the provisions of Chapter 6A.1 of the Corporations Act;
- (ii) If a compulsory acquisition process is completed, Kinterra would procure the removal of NWR from the official list of ASX;
- (iii) Kinterra will review, and possibly replace, all or some of the current NWR directors, noting that Kinterra has not yet determined the precise size or composition of the NWR Board in such circumstances; and
- (iv) Kinterra will review the holding structure of NWR Group and NWR's assets with a view to determining the optimal structure for the NWR Group under the 100% ownership of Kinterra.

(b) **General strategic and operational review**

Kinterra intends to conduct a general review of NWR's operations on both a strategic and operational level to evaluate NWR's performance, prospects and profitability in relation to the business. This review will apply quantitative and qualitative factors to measure performance and areas for improvement.

(c) **Management and employees**

Kinterra recognises NWR management and employees to be an integral part of the NWR business and its success. Kinterra looks forward to working constructively with all employees in an open and transparent manner. As noted in section 3.2, following the conclusion of the Offer, Kinterra will undertake a general review of NWR's operations. Part of that review will include an assessment of whether existing management and employee staffing arrangements remain appropriate, taking into account the future needs of NWR and any outcomes of the general strategic and operational review. This may result in adjustments to the composition or structure of the workforce.

3.4 Intentions upon Kinterra acquiring less than 90% of the NWR Shares

This section 3.4 sets out Kinterra's intentions if Kinterra were to acquire a Relevant Interest in more than 50% but less than 90% of NWR Shares on issue.

In those circumstances, the current intentions of Kinterra are as follows.

(a) **Corporate matters**

- (i) Kinterra will review NWR's listing on ASX and consider whether the benefits of a listing on the ASX justify the additional corporate and compliance costs of maintaining this listing. If NWR maintains its listing on the ASX, NWR Shareholders should be aware that the liquidity of NWR Shares on the ASX may be materially diminished.
- (ii) Subject to the Corporations Act and NWR's constitution and all other relevant matters, Kinterra intends to seek board representation so that Kinterra's nominees are at least commensurate with Kinterra's shareholding in NWR. The identity of the proposed nominees to the NWR Board will be the subject of discussion with the NWR Board at the relevant time.

(b) **General strategic and operational review and review of management and employees**

If Kinterra controls NWR following the close of the Offer, Kinterra currently intends to endeavour to procure that the NWR Board acts consistently with the intentions of Kinterra set out in sections 3.3(b) and 3.3(c) above.

(c) **Further acquisition of NWR Shares**

The Kinterra may, at some later time, acquire further NWR Shares in a manner consistent with the Corporations Act.

3.5 Intentions if Kinterra does not acquire more than 50% the NWR Shares

If the Offer closes and Kinterra has not acquired a Relevant Interest in more than 50% of NWR Shares:

- (a) Kinterra does not expect to be in a position to give effect to the intentions set out in sections 3.3(b) and 3.3(c), but aims to work with the NWR Board to implement those intentions to the extent possible and to the extent they remain appropriate;

- (b) Kinterra will seek to obtain representation on the NWR Board which is at least commensurate with its proportionate shareholding; and
- (c) Kinterra would have regard to the circumstances at the time and consider the appropriate courses of action that are in the best interests of Kinterra.

3.6 Limitations on intentions

The intentions and statements of future conduct set out in this section 3 must be read as being subject to:

- (a) the law (including the Corporations Act) and the ASX Listing Rules, including in particular the requirements of the Corporations Act and the ASX Listing Rules in relation to conflicts of interest and 'related party' transactions, given that if Kinterra obtains control of NWR but does not acquire all of the NWR Shares, it will be treated as a related party of NWR for these purposes;
- (b) the legal obligation of the directors of NWR at the time, including any nominees of Kinterra, to act in good faith and in the best interests of NWR for proper purposes and to have regard to the interests of all NWR Shareholders; and
- (c) the outcome of the reviews referred to in this section 3.

4 Sources of Consideration

4.1 Total cash consideration

The consideration for the acquisition of the Shares to which the Offer relates will be satisfied by the payment of cash (in Australian dollars).

As at the close of trading on the Last Practicable Date, according to documents provided by NWR to the ASX, NWR had 3,573,281,723 Shares on issue and 3,789,331,723 on a fully diluted basis.

In the event that acceptances are received for all Shares on issue on a fully diluted basis as at the Announcement Date (other than those Shares which Kinterra already owns, including 689,716,143 Shares and 62,500,000 Options with an exercise price of A\$0.04 each),⁹ the aggregate amount of cash consideration that Kinterra would be required to pay would be A\$169,046,338 (the **Offer Amount**) plus all associated transaction costs.¹⁰

4.2 Kinterra's funding arrangements

As at the date of this Bidder's Statement, Kinterra has undrawn capital commitments exceeding ~US\$850m from limited partners in the Kinterra Fund under binding agreements, which will be available to Kinterra to satisfy its obligation to pay the Offer Amount and associated transaction costs. Accordingly, the aggregate undrawn commitments significantly exceed the total consideration and associated transaction costs for the proposed acquisition and can be called upon at Kinterra's discretion.

The Offer is not subject to any financing conditions.

4.3 Provision of consideration

On the basis of the arrangements described in this section 4, Kinterra believes that it has reasonable grounds for holding the view, and does hold the view, that it will be able to provide the consideration offered under the Offer, as well as meet the associated transaction costs.

⁹ The exercise of such Options is subject to compliance with all applicable laws, including Chapter 6 of the Corporations Act.

¹⁰ For the purposes of calculating the total cash consideration in Section 4.1 (the "Offer Amount"), all Performance Rights are assumed to convert into ordinary shares and all outstanding Options are assumed to be exercised prior to close of the Offer. The exercise prices payable upon Option exercise are assumed to be received by Kinterra and are treated as partially offsetting the gross cash consideration payable by Kinterra. As such, the total cash consideration reflects the acquisition of all fully diluted shares at the Offer price, less the aggregate proceeds received from the exercise of in-the-money Options.

5 Australian Tax Considerations

5.1 Introduction

The following is a general description of the Australian income tax, GST and stamp duty consequences for Shareholders on the disposal of their Shares (through acceptance of the Offer) in return for cash consideration. The Australian taxation consequences for Shareholders will depend on their individual circumstances. Shareholders should make their own enquiries and seek independent professional advice on their circumstances.

This summary is based upon the provisions of the *Income Tax Assessment Act 1936* (Cth), the *Income Tax Assessment Act 1997* (Cth) (**ITAA 1997**) and the *Taxation Administration Act 1953* (Cth) (**TAA**), and other applicable tax laws and practice in effect as at the date of this Bidder's Statement. It is not intended to be an authoritative or complete statement or analysis of the tax laws applicable to the particular circumstances of every Shareholder. Shareholders should seek independent professional advice regarding the taxation consequences of disposing of Shares in the light of their own particular circumstances.

This summary is not applicable to all Shareholders. It is relevant only to Shareholders who are individuals, companies (other than life insurance companies), trusts and complying superannuation funds that hold their Shares on capital account for Australian tax purposes. This summary does not apply to Shareholders who:

- (a) hold their Shares on revenue account (such as share trading entities or entities who acquired their Shares for the purposes of resale at a profit) or as trading stock;
- (b) hold their Shares under an employee share scheme offered by NWR where those Shares remain subject to deferred taxation under Division 83A of the ITAA 1997;
- (c) may be subject to special tax rules, such as partnerships, tax exempt organisations, entities subject to the investment manager regime under subdivision 842-I of the ITAA 1997 in relation to their Shares, insurance companies, dealers in securities or Shareholders who change their tax residency while holding their Shares;
- (d) have a functional currency for Australian tax purposes other than an Australian functional currency; or
- (e) are subject to the taxation of financial arrangements rules in Division 230 of the ITAA 1997 in relation to gains and losses on their Shares.

Shareholders who are not resident in Australia for tax purposes should also take into account the tax consequences under the laws of their country of residence, as well as under Australian law, of the disposal of Shares under the Offer.

5.2 Australian resident Shareholders

Acceptance of the Offer will involve the disposal by Shareholders of their Shares, by way of transfer to Kinterra. The disposal of shares which are held on capital account will generally have capital gains tax (**CGT**) implications. Such disposal will trigger CGT event A1. The date of the CGT event should be the date on which the contract for the disposal of the Shares is entered into.

If the Shares are not disposed under the Offer and are instead compulsorily acquired in accordance with Chapter 6A.1 of the Corporations Act, the disposal under the compulsory acquisition will also trigger a CGT event A1. The date of the CGT event should be the date when Kinterra becomes the owner of those Shares.

In either case, Australian resident Shareholders may make a capital gain or capital loss on the disposal of their Shares under the Offer. Broadly, a Shareholder will make a 'capital gain' if the capital proceeds from the disposal of their Shares exceed the cost base of their Shares, while a

Shareholder will make a 'capital loss' if the capital proceeds from the disposal of their Shares are less than the reduced cost base of their Shares.

Capital gains and capital losses of a taxpayer in a year of income are, broadly, aggregated to determine whether there is a net capital gain. If so, that net capital gain is included in assessable income and is subject to income tax. However, a 'CGT Discount' may be available to reduce the taxable gain for certain Shareholders (see further below).

Capital losses may not be deducted against other income for income tax purposes, but may be offset against capital gains realised in the same income year or be carried forward to be offset against future capital gains. Specific capital loss recoupment rules apply to companies to restrict their ability to utilise capital losses in future years in some circumstances. Shareholders should obtain their own tax advice in relation to the operation of these rules.

(a) **Capital proceeds**

The capital proceeds from CGT event A1 includes the money received, or entitled to be received, in respect of the event happening. Accordingly, the capital proceeds arising from the disposal of the Shares by the Shareholders should include the Offer Price (being A\$0.057 per Share) that each Shareholder will receive by accepting the Offer.

(b) **Cost base and reduced cost base**

The cost base of Shares is generally their cost of acquisition or deemed cost of acquisition. Certain other amounts associated with acquisition, holding and disposal of the Shares, such as brokerage fees or stamp duty, may be added to the cost base. The reduced cost base is typically determined in a similar, but not identical manner (for example, it excludes certain amounts such as non-deductible interest). Any capital loss will be calculated on the basis of the difference between the capital proceeds and the reduced cost base of the Share.

However, if a Share was acquired (or deemed to be acquired) *at or before* 11.45 am on 21 September 1999, the cost base may be indexed for inflation, by reference to changes in the Consumer Price Index from the calendar quarter in which the Share was acquired (or deemed to be acquired) until the calendar quarter ended 30 September 1999. Shareholders who are individuals, complying superannuation entities or trustees of a trust must make an election if they wish to rely on indexation. Companies will generally be entitled to include the indexation without making an election. Indexation adjustments are taken into account only for the purposes of calculating a capital gain, and not a capital loss. Whether it is better for any given Shareholder to make the indexation election or not will depend upon the particular Shareholder's individual circumstances, including the cost base of the Shares and whether the Shareholder has any available losses. Shareholders should consult their own tax advisers in this regard.

On the other hand, if a Share was acquired (or deemed to be acquired) *after* 11.45 am on 21 September 1999, the capital gain or loss is generally calculated on the difference between the capital proceeds and the cost base for the Share, with no indexation.

(c) **CGT Discount**

A Shareholder who is an individual, complying superannuation entity or trustee of a trust, and who does not or cannot elect to adjust their cost base for indexation (as described above), may be entitled to claim a 'CGT Discount' if they acquired (or are deemed to have

acquired) their Shares 12 months or more before the time of the CGT event. This means that:

- (i) in the case of an individual (and, generally speaking, a trustee of a trust), only one-half of their net capital gain on those Shares (after deducting available capital losses) will be taxable; and
- (ii) in the case of a complying superannuation entity, only two-thirds of their net capital gain on those Shares (after deducting available capital losses) will be taxable.

However, the methodology for trustees is complex, and such Shareholders should obtain specific advice in this regard, including in relation to the tax consequences of distributions attributable to discounted capital gains.

Shareholders should note that any available capital losses will be deducted from the gross capital gain **before** the CGT Discount is applied.

The 'CGT Discount' is not available to companies, nor does it apply to Shares owned (or deemed to be owned) for less than the relevant 12 month period.

Shareholders should obtain their own tax advice in relation to the operation of these rules.

5.3 Non-Australian resident Shareholders

A Shareholder who is not a resident of Australia for taxation purposes (a **Foreign Resident Shareholder**), or who is the trustee of a foreign trust for CGT purposes should generally not make a taxable capital gain on the disposal of Shares under the Offer unless the Shares are taxable Australian property. In broad terms, the Shares held by a Foreign Resident Shareholder will be taxable Australian property only if:

- (a) they are an 'indirect Australian real property interest';
- (b) they were used at any time by the Foreign Resident in carrying on a business through a permanent establishment in Australia; or
- (c) the Foreign Resident was previously an Australian tax resident and chose to disregard a capital gain or loss in respect of their Shares from CGT Event I1 on ceasing to be an Australian tax resident.

Indirect Australian real property interest

Broadly, the Shares will only be an indirect Australian real property interest if:

- (d) the Shareholder, together with its Associates, held an interest of 10% or more in NWR at the time of disposal or for a 12 month period within the 24 months preceding the disposal (a 'non-portfolio interest test'); and
- (e) more than 50% of the market value of NWR's assets is attributable to direct or indirect interests in 'taxable Australian real property' (as defined in the tax law) (the 'principal asset test').

Based on the available information, it is not currently expected that more than 50% of the market value of NWR's assets is attributable to direct or indirect interests in 'taxable Australian real property' and thus it is not expected that the Shares will qualify as 'indirect Australian real property interests'.

Foreign Resident Shareholders should seek their own independent tax advice as to the tax implications of the Offer, including tax implications in their country of residence.

5.4 Foreign resident capital gains withholding

Broadly, under the 'foreign resident capital gains withholding' regime, a purchaser of shares may have an obligation to withhold and pay to the Australian Taxation Office (**ATO**) an amount equal to 12.5% of the purchase price for each share under section 14-200 of Schedule 1 of the TAA.

Kinterra may be required to withhold under the foreign resident capital gains withholding regime if the Shares qualify as 'indirect Australian real property interests' (see section 5.3 above) and Kinterra:

- knows or reasonably believes that the Shareholder is a Foreign Resident Shareholder; or
- does not reasonably believe that the Shareholder is an Australian resident, and either:
 - the relevant Shareholder has an address outside Australia; or
 - Kinterra is authorised to make payment of the Offer consideration to a place outside Australia (whether to the Shareholder or to anyone else).

A Shareholder may complete a 'foreign resident capital gains withholding declaration – vendor declaration' form (**Declaration Form**) to declare that it is an Australian tax resident or that their Shares are not 'indirect Australian real property interests' (see section 5.3 above). The Declaration Form may be obtained on the Australian Taxation Office website. Kinterra will not be required to withhold 15% of the Offer Price if the Shareholder provides a valid declaration to Kinterra by the relevant time and Kinterra does not know the declaration to be false at the time it is given. As explained above, based on available information, it is not currently expected that the Shares will qualify as 'indirect Australian real property interests'.

If the Shareholder does not provide an appropriately completed Declaration Form by the relevant time or if Kinterra reasonably believes that the information in the Declaration Form is false, and if Kinterra otherwise reasonably believes that there is, or is reasonably likely to be, a liability to withhold and pay an amount to the ATO in respect of the disposal of the Shares by a Shareholder, Kinterra may withhold the CGT withholding tax from the Offer Price payable to the Shareholder. In this case, the Shareholder will receive the net proceeds after deduction of this withheld amount and the Shareholder will be taken to receive the full Offer Price for the purposes of the Offer.

Kinterra may also seek to collaborate with the ATO about a process for identifying Shareholders who may be covered by the regime.

Any CGT withholding tax withheld may be able to be an offset against the actual tax payable on the gain from the disposal of the Shares and may be refundable by the ATO in certain circumstances to the extent that the CGT withholding tax exceeds the actual tax payable.

Announced changes to foreign resident capital gains withholding

Foreign Resident Shareholders should be aware that these rules are subject to proposed changes which may result in changes to their obligations under the Australian taxation law. The changes are intended to apply from the later of 1 October 2025 or the first 1 January, 1 April, 1 July or 1 October after the amending statute receives Royal Assent. For any disposals occurring once the changes are in effect, Foreign Resident Shareholders should seek independent tax advice in relation to the new CGT rules for foreign residents.

5.5 Stamp duty and GST

Kinterra will pay the stamp duty (if any) payable in Australia on the transfers of Shares under the Offer.

No GST should be payable on such transfers, except that GST will be payable on any fees or charges that a Controlling Participant (in respect of Shares in a CHESS Holding) or a broker, bank, custodian or other nominee (in respect of Shares held for a separate beneficial owner) may charge in connection with acceptance of the Offer.

Neither Kinterra nor any of its Associates has provided, or agreed to provide, consideration for a NWR Share under a purchase or agreement to purchase during the 4 months before the date of this Bidder's Statement, except as provided below.

6.2 No collateral benefits

Except as set out in this Bidder's Statement, during the period commencing four months before the date of this Bidder's Statement, and during the period from the date of this Bidder's Statement to the date before the date of the Offer, neither Kinterra nor any of its Associates gave, or offered to give, or agreed to give a benefit to another person which was likely to induce the other person, or an Associate of the other person, to:

- (a) accept the Offer; or
- (b) dispose of Shares,

and which is not offered to all holders of Shares under the Offer.

6.3 No escalation agreements

Neither Kinterra nor any of its Associates have entered into any escalation agreement that is prohibited by section 622 of the Corporations Act.

6.4 ASIC Market Integrity Rule 5.13.1 Disclosure

Subject to the Corporations Act, Kinterra reserves its right to acquire NWR Shares on market during normal trading hours on the ASX during the Bid Period (as defined in the ASIC Market Integrity Rules) at prices equal to or below the Offer Price (**On Market Purchases**). In accordance with rule 5.13.1 and 5.14.1 of the ASIC Market Integrity Rules, Kinterra notes that it has appointed MA Moelis Australia Securities Pty Ltd (ABN 87 122 781 560) an Australian Financial Services licensee (AFSL No. 308241) as its broker in respect of any such On Market Purchases. MA Moelis Australia Securities Pty Ltd is unable to give sellers advice in respect of the proposed purchases of Shares.

Any On Market Purchases will be disclosed to the ASX in substantial holder notices which Kinterra is required to lodge under the Corporations Act. Shareholders who sell their Shares on the ASX will receive payment on a T+2 basis (being two Business Days after the date of the relevant transaction). Shareholders who sell Shares on the ASX cannot subsequently accept the Offer in respect of their Shares sold on the ASX. In addition, Shareholders who sell Shares on the ASX may incur brokerage charges and GST on brokerage charges which they may not incur if they accept the Offer.

6.5 ASIC modifications and exemptions

ASIC has published various legislative instruments (including class orders) providing for modifications and exemptions that apply generally to all persons, including Kinterra, in relation to the operation of Chapter 6 of the Corporations Act.

Amongst others, Kinterra has relied on:

- (a) the modification to section 636(3) of the Corporations Act as set out in paragraph 5(d) of ASIC Class Order 13/521 to include references to certain statements by NWR in this Bidder's Statement without obtaining the consent of NWR. The relevant statements were respectively taken from announcements released to the ASX by NWR and from NWR's

¹² The exercise of such Options is subject to compliance with all applicable laws, including Chapter 6 of the Corporations Act.

website: <https://newworldres.com/>. As required by Class Order 13/521, Kinterra will make available a copy of these documents (or relevant extracts of these documents), free of charge, to Shareholders who request them during the Offer Period. To obtain a copy of these documents (or the relevant extracts), Shareholders may contact the Offer Information Line on 1300 367 804 (toll-free within Australia) or +61 2 9066 6162 (from outside Australia); and

- (b) ASIC Corporations (Consents to Statements) Instrument 2016/72, which permits Bidder's Statements to include, or be accompanied by, statements that fairly represent what purports to be a statement by an official person, from a public official document or a published book, journal or comparable publication. In addition, in accordance with that instrument, this Bidder's Statement contains trading data sourced from Bloomberg without their consent.

6.6 Potential for waiver of Conditions

The Offer is subject to the Conditions set out in section 7.6. Under the terms of the Offer and the Corporations Act, any or all of those Conditions may be waived by Kinterra.

If an event occurs which results (or would result) in the non-fulfilment of a Condition, Kinterra might not make a decision as to whether it will either rely on that occurrence, or instead waive the Condition in respect of that occurrence, until the date for giving notice as to the status of the Conditions of the Offer under section 630(3) of the Corporations Act. If Kinterra decides that it will waive a Condition it will announce that decision to ASX in accordance with section 650F of the Corporations Act.

6.7 Status of Conditions

The Offer is subject to the Conditions set out in section 7.6. Kinterra will provide updates on any material developments relating to the status of these Conditions through announcements to the ASX.

As at the date of this Bidder's Statement, Kinterra is not aware of any events or circumstances which would result in the non-fulfilment of any of the Conditions.

If any of the Conditions are not fulfilled, and Kinterra decides to rely on that non-fulfilment, then any contract resulting from acceptance of the Offer will become void at (or, in some cases, shortly after) the end of the Offer Period, and the relevant Shares will be returned to the holder.

6.8 Social security and superannuation implications of the Offer

Acceptance of the Offer may have implications under your superannuation or pension arrangements or on your social security entitlements. If in any doubt, Shareholders should seek specialist advice before accepting the Offer.

6.9 Withholding of consideration

Kinterra is not currently aware of any amounts that are or would be treated as withholding amounts under section 7.8(f). However, it is possible that Kinterra may become aware of an obligation in this regard after the date of this Bidder's Statement.

For example, under section 255 of the *Income Tax Assessment Act 1936* (Cth), the ATO may notify Kinterra that all or part of the consideration otherwise payable under the Offer to Shareholders who are non-residents of Australia is to be retained by Kinterra, or paid to the ATO, instead of being paid to the relevant Shareholders. Similarly, under section 260-5 of Schedule 1 to the TAA, the ATO may require Kinterra to pay to the ATO all or part of the consideration otherwise payable under the Offer to Shareholders who owe tax-related debts to the Australian

Government. Furthermore, under Subdivision 14-D of Schedule 1 to the TAA, the ATO may require Kinterra to pay to the ATO an amount in respect of the disposal of your Shares on account of foreign resident CGT withholding tax.

6.10 Date for determining holders of Shares

For the purposes of section 633 of the Corporations Act, the date for determining the people to whom information is to be sent under items 6 and 12 of section 633(1) for each Offer is the Register Date.

- (b) You may accept this Offer for all or some of your Shares. If you accept this Offer for some of your Shares, you may still accept the Offer for all or part of the balance of your Shares at any time during the Offer Period, as if an offer in the form of this Offer had been made to you in respect of the balance of your Shares.
- (c) The consideration offered for each of your Shares is A\$0.057 in cash.
- (d) If Kinterra acquires your Shares under this Offer, it will also be entitled to all Rights in respect of your Shares.
- (e) This Offer is dated [*] 2025.
- (f) The Offer relates to all Shares that exist on the Register Date and extends to Shares issued on the exercise of Convertible Securities after the Register Date but before the end of the Offer Period.

7.2 Offer Period

If your Shares are held in an Issuer Sponsored Holding (in which case your Securityholder Reference Number will commence with 'I'), to accept this Offer in respect of all or some of those Shares you must:

- (i) **complete** and **sign** the enclosed Acceptance Form in accordance with the instructions on it; and
- (ii) **return** the Acceptance Form (using the enclosed reply paid envelope if you wish or by email at corporateactions@boardroomlimited.com.au), together with all other documents required by the instructions on it, so that they are **received** before the end of the Offer Period at one of the addresses indicated on the Acceptance Form.

(b) **CHESS Holdings**

If your Shares are held in a CHESS Holding (in which case your Holder Identification Number will commence with 'X'), to accept this Offer in respect of all or some of those Shares you must either:

- (i) **instruct** your Controlling Participant, in accordance with the sponsorship agreement between you and the Controlling Participant, to initiate acceptance of this Offer in accordance with Rule 14.14 of the ASX Settlement Rules, so as to be effective before the end of the Offer Period (if you do this and your Controlling Participant follows those instructions, you do not need to complete and return the Acceptance Form); or
- (ii) **complete, sign and return** the enclosed Acceptance Form (using the enclosed reply paid envelope if you wish or by email at corporateactions@boardroomlimited.com.au) in accordance with the instructions on the Acceptance Form, together with all other documents required by those instructions, so that they are **received** before the end of the Offer Period at one of the addresses indicated on the Acceptance Form. This will authorise Kinterra to initiate, or alternatively to instruct your Controlling Participant to initiate, acceptance of this Offer on your behalf in accordance with Rule 14.14 of the ASX Settlement Rules before the end of the Offer Period. You must ensure that the Acceptance Form (and the other required documents) are received in sufficient time for Kinterra to give instructions to your Controlling Participant, and for your Controlling Participant to carry out those instructions, before the end of the Offer Period.

However, if you are the Controlling Participant in respect of your Shares, to accept this Offer you must yourself initiate acceptance of this Offer in accordance with Rule 14.14 of the ASX Settlement Rules before the end of the Offer Period.

(c) **Unregistered purchaser**

- (i) If at the time of your acceptance of this Offer you are not the registered holder of your Shares but section 7.9(b)(ii)(B) applies to your Shares, to accept the Offer you must:
 - (A) complete and sign the enclosed Acceptance Form in accordance with the instructions on it; and
 - (B) return the enclosed Acceptance Form, together with a copy of the purchase contract note relating to your Shares and all other documents required by the instructions on it, so that they are received before the end of the Offer Period at one of the addresses given on the Acceptance Form.

- (iii) However, if the Offer becomes unconditional, then notwithstanding anything else in this Bidder's Statement, Kinterra's obligation to provide Offer consideration in respect of your Shares as described in this section 7.3(c) will be subject to you becoming the registered holder of your Shares.

(d) **Level of acceptance**

As noted above, you have the option of accepting this Offer for all or some of your Shares, as chosen by you. Those of your Shares that are subject to your acceptance will constitute the **Accepted Shares**, and will comprise:

- (i) if you specify all of your Shares as being subject to acceptance – all of your Shares at the date your acceptance is processed (even if the number of Shares specified on the Acceptance Form differs from the number of your Shares);
- (ii) if you specify a number of Shares that is less than the number of your Shares at the date your acceptance is processed – that number of Shares;
- (iii) if you specify a number of Shares that is greater than the number of your Shares at the date your acceptance is processed – all of your Shares at the date your acceptance is processed; or
- (iv) if you do not specify the number of your Shares being subject to acceptance, or if you provide conflicting instructions on your Acceptance Form regarding the number of your Shares being subject to acceptance – all of your Shares at the date your acceptance is processed (even if the number of Shares specified on the Acceptance Form differs from the number of your Shares).

For this purpose, specification of the number of your Shares being subject to acceptance must be in the Acceptance Form or in a valid originating message transmitted in accordance with Rule 14.14 of the ASX Settlement Rules.

7.4 Status and effect of the Acceptance Form

(a) **Status of Acceptance Form**

The Acceptance Form that accompanies this Bidder's Statement forms part of this Offer, and the instructions on the Acceptance Form must be followed in using it to accept this Offer.

(b) **Effect of Acceptance Form**

By signing and returning the Acceptance Form in accordance with section 7.3, you irrevocably authorise Kinterra and its nominees:

- (i) to rectify any errors in, or omissions from, the Acceptance Form that are necessary to make it an effective acceptance of this Offer or to enable registration of the transfer of all of your Accepted Shares to Kinterra; and
- (ii) (in respect of any of your Accepted Shares in a CHESS Holding) to:
 - (A) initiate, or alternatively instruct your Controlling Participant to initiate, acceptance of this Offer in respect of all such Accepted Shares in accordance with Rule 14.14 of the ASX Settlement Rules; and
 - (B) give any other instructions concerning those Accepted Shares to your Controlling Participant on your behalf under the sponsorship agreement between you and the Controlling Participant, as determined by Kinterra (or its nominee) acting in its own interests as a beneficial owner and intended registered holder of your Accepted Shares,

and acknowledge that:

- (C) with respect to sub-paragraph (A) above, Kinterra (or its agents or nominees) will merely forward your Acceptance Form to your Controlling Participant (being the only person who can accept this Offer on your

behalf) and that it is your responsibility to allow sufficient time for your Controlling Participant to initiate acceptance of this Offer;

- (D) Kinterra (or its agents or nominees) is not responsible for any delays incurred by the process described in sub-paragraph (B) above or any losses whatsoever you incur by the fact that your acceptance is not processed before the end of the Offer Period; and
- (E) you must promptly give any further instructions or take any further actions necessary concerning your Accepted Shares to your Controlling Participant to initiate acceptance of this Offer on your behalf in accordance with Rule 14.14 of the ASX Settlement Rules prior to the end of the Offer Period.

(c) **Validation of Acceptance Form**

Notwithstanding sections 7.3(a) and 7.3(b)(ii), Kinterra may (except in relation to Shares in a CHESS Holding) treat the receipt by it of a signed Acceptance Form either:

- (i) before the end of the Offer Period; or
- (ii) after the end of the Offer Period but where the Acceptance Form is sent by post and the envelope in which it is posted is post-marked before the end of the Offer Period,

as valid even though it does not receive the other documents required by the instructions on the Acceptance Form or there is not compliance with any one or more of the other requirements for acceptance.

If Kinterra does treat such an Acceptance Form as valid, subject to section 7.8, Kinterra will not be obliged to give the consideration to you until Kinterra receives all those documents and all of the requirements for acceptance referred to in section 7.3 and in the Acceptance Form have been met (other than the requirement of your Acceptance Form to be received before the end of the Offer Period).

(d) **Risk in Acceptance Form**

The transmission by you of the Acceptance Form and any other documents in accordance with section 7.3 is at your own risk. No acknowledgement of receipt of any such documents will be given to you by or on behalf of Kinterra.

(e) **Revocation of acceptance**

Once you have accepted this Offer, you will be unable to revoke or withdraw your acceptance of this Offer or otherwise dispose of your Accepted Shares, except as follows:

- (i) if a Condition, as set out in section 7.6, is not fulfilled or waived, then this Offer will automatically terminate and your Accepted Shares will be returned to you; or
- (ii) if the Offer Period is extended for more than one month and, at the time, this Offer is subject to one or more Conditions, as set out in section 7.6, then you may be able to withdraw your acceptance in accordance with section 650E of the Corporations Act.

(f) **Power of attorney or deceased estate**

When accepting this Offer, you should forward for inspection:

- (i) if the Acceptance Form is executed by an attorney, a certified copy of the power of attorney; and

- (ii) if the Acceptance Form is executed by the executor of a will or the administrator of the estate of a deceased Shareholder, the relevant grant of probate or letters of administration.

7.5 Agreement resulting from acceptance

By signing and returning the Acceptance Form or initiating or causing acceptance of this Offer under the ASX Settlement Rules in accordance with section 7.3:

- (a) you accept this Offer (and any variation of it) in respect of all of your Accepted Shares at the date your acceptance is processed and agree to the terms and Conditions of this Offer;
- (b) subject to all of the Conditions being fulfilled or waived, you transfer, and consent to the transfer in accordance with the ASX Settlement Rules of, all of your Accepted Shares to Kinterra in accordance with this Offer and subject to the conditions of the constitution of NWR on which they were held immediately before your acceptance of this Offer (and Kinterra agrees to take those Accepted Shares subject to those conditions);
- (c) you represent and warrant to Kinterra that, at the time of your acceptance and at the time the transfer of your Accepted Shares to Kinterra is registered:
 - (i) all of your Accepted Shares are and will be fully paid;
 - (ii) you have full power and capacity to accept the Offer and to sell and transfer the legal and beneficial ownership of your Accepted Shares (including any Rights) to Kinterra;
 - (iii) Kinterra will acquire good title to them and full beneficial ownership of them free from all Encumbrances; and
 - (iv) that you have paid to NWR all amounts which at the time of acceptance have fallen due for payment to NWR in respect of your Accepted Shares;
- (d) subject to all of the Conditions being fulfilled or waived, you irrevocably appoint Kinterra and each of its directors and nominees severally as your attorney to exercise all powers and rights that you have as the registered holder of your Accepted Shares, including:
 - (i) attending any meeting of NWR, and voting in respect of your Accepted Shares, proposing or seconding any motion, and demanding a poll for any vote at, any such meeting;
 - (ii) requisitioning the convening of any general meeting of NWR and convening a general meeting pursuant to any such requisition; and
 - (iii) signing any form, notice, instrument or other document (including any proxy appointment) relating to your Accepted Shares.

Such appointment will terminate on the earlier of the withdrawal of your acceptance of this Offer (either in accordance with its terms or under section 650E of the Corporations Act) and the end of the Offer Period or, if all Conditions of the Offer have been fulfilled or waived, the registration of Kinterra as the holder of your Accepted Shares;

- (e) you agree that, in exercising the powers and rights conferred by the power of attorney in section 7.5(d), each attorney may act in the interests of Kinterra as the intended registered holder and beneficial owner of your Accepted Shares;
- (f) except as contemplated by section 7.5(d) and while the appointment in that section continues, you agree not to attend or vote in person or by proxy, attorney or corporate representative at any meeting of NWR, or to exercise or purport to exercise (in person or

by proxy, attorney, or corporate representative or otherwise) any of the powers conferred by the power of attorney in section 7.5(d);

- (g) you irrevocably authorise and direct NWR to pay to Kinterra, or to account to Kinterra for, all Rights in respect of your Accepted Shares (except to the extent that Kinterra elects to waive its entitlement to those Rights), subject, however, to any such Rights received by Kinterra being accounted for by Kinterra to you if any contract resulting from your acceptance of this Offer is rescinded or rendered void;
- (h) subject to all of the Conditions being fulfilled or waived, you irrevocably authorise Kinterra and its nominees to do all things necessary to transfer your Accepted Shares to Kinterra (including to cause a message to be transmitted in accordance with ASX Settlement Rule 14.17.1 so as to transfer your Accepted Shares, if held in a CHESS Holding, to the Takeover Transferee Holding), even if Kinterra has not at that time paid or provided the consideration due to you under this Offer; and
- (i) you agree to indemnify Kinterra and each of its agents in respect of any claim or action against it or any loss, damage or liability whatsoever incurred by it as a result of you not producing your Holder Identification Number or your Securityholder Reference Number or in consequence of the transfer of your Accepted Shares to Kinterra being registered by NWR without production of your Holder Identification Number or your Securityholder Reference Number.

The representations, warranties, authorities and indemnity referred to in this section 7.5 will (unless otherwise stated) remain in force after you receive the Offer consideration for your Accepted Shares and after Kinterra becomes the registered holder of them.

Where additional documents are required, either by the Acceptance Form or otherwise, to be given to Kinterra with your acceptance to enable Kinterra to become the holder of your Accepted Shares (such as a power of attorney) then, subject to sections 7.8(c) to 7.8(f) and the Corporations Act:

- (i) if those documents are given to Kinterra with your acceptance, Kinterra will pay you the consideration for your Accepted Shares in accordance with section 7.8(a);
- (ii) if those documents are given to Kinterra after your acceptance and before the end of the Offer Period, while this Offer is subject to a Condition, Kinterra will pay you the consideration for your Accepted Shares 5 Business Days after any contract resulting from your acceptance of this Offer becomes, or is declared, unconditional;

(c) Delivery of consideration

Payment of any cash amount to which you are entitled will be made by cheque drawn in Australian currency in your favour. The cheque will be sent to you, at your risk, by ordinary mail (or, in the case of Shareholders with addresses outside Australia, by airmail) to your address shown on the Acceptance Form or as recorded in the register of Shareholders of NWR on the Register Date. Payment will be deemed to have been made at the time the cheque is delivered to Australia Post for delivery or placed in an Australia Post postal box.

(d) Rights

If Kinterra becomes entitled to any Rights as a result of your acceptance of this Offer, it may require you to give to Kinterra all documents necessary to vest title to those Rights in Kinterra, or otherwise to give Kinterra the benefit or value of those Rights. If you do not do so, or if you have received or are entitled to receive (or any previous holder of your Accepted Shares has received or is entitled to receive) the benefit of those Rights, Kinterra will be entitled to deduct the amount (or an amount equal to the value, as reasonably assessed by Kinterra) of those Rights from any consideration otherwise

payable to you under this Offer. If Kinterra does not, or cannot, make such a deduction, you must pay that amount to Kinterra, except to the extent that Kinterra elects to waive its entitlement to those Rights.

(e) **Non-Australian residents**

If, at the time of acceptance of this Offer, any authority or clearance of a Public Authority is required for you to receive any consideration under this Offer or you are resident in or a resident of a place to which, or you are a person to whom any law of Australia or regulation under the Charter of the United Nations that would make it unlawful for Kinterra to provide consideration for your Accepted Shares applies then acceptance of this Offer will not create or transfer to you any right (contractual or contingent) to receive the consideration specified in this Offer unless and until all requisite authorities or clearances have been obtained by Kinterra.

(f) **Withholding of consideration by Kinterra**

If any amount (the **withholding amount**) is required, under any Australian law or by any Public Authority, to be:

- (i) withheld from any consideration otherwise payable to you under this Offer and paid to a Public Authority; or
- (ii) retained by Kinterra out of any consideration otherwise payable to you under this Offer,

the payment or retention by Kinterra of the withholding amount (as applicable) will constitute full discharge of Kinterra's obligation to pay the consideration to you to the extent of the withholding amount.

7.9 Offerees

(a) **Registered holders**

Kinterra is making an offer in the form of this Offer to each person registered as the holder of Shares in the register of members of NWR as at the Register Date.

(b) **Transferees**

- (i) If at any time during the Offer Period another person is able to give good title to some or all of your Shares, and that person has not already accepted an offer in the form of this Offer for those Shares, then that person may accept as if an offer in the form of this Offer had been made to them in respect of those Shares.
- (ii) For the purpose of section 7.9(b)(i) and the definition of "your Shares", "good title" in respect of any particular Share includes where a person:
 - (A) is registered as the holder of the Share; or
 - (B) is entitled to be registered as the holder of the Share as a result of having purchased the Share on-market.

(c) **Trustees and nominees**

If at any time during the Offer Period and before you accept this Offer your Shares consist of two or more separate parcels within the meaning of section 653B of the Corporations Act (for example, because you hold your Shares as trustee or nominee for, or otherwise on account of, several distinct beneficial owners), then you may accept as if a separate offer in the form of this Offer had been made in relation to each of those parcels

(including any parcel you hold in your own right). Acceptance for any parcel of Shares (including any parcel consisting of two or more parcels) is ineffective unless:

- (i) you give Kinterra notice stating that the Shares consist of a separate parcel, such notice being:
 - (A) in the case of Shares not in a CHESS Holding, in writing; or
 - (B) in the case of Shares in a CHESS Holding, in an electronic form approved by the ASX Settlement Rules for the purposes of Part 6.8 of the Corporations Act; and
- (ii) your acceptance specifies the number of Shares in the parcel.

(d) Shares subject to NWR transfer restrictions

If at any time during the Offer Period some of your Shares are subject to transfer restrictions imposed by NWR (for example, because you hold some of your Shares under an employee incentive plan), then you may accept as if a separate offer in the form of this Offer had been made in relation to the balance of your Shares. Acceptance for the balance of your Shares is ineffective unless you give Kinterra notice stating the number of your Shares that are subject to a transfer restriction and explaining the nature of the restriction, and your acceptance specifies the balance of your Shares.

7.10 Additional copies of Offer documents

If, for the purpose of accepting the Offer, you require additional copies of this Bidder's Statement and the Acceptance Form, please call the Offer Information Line on 1300 367 804 (toll-free within Australia) or +61 2 9066 6162 (from outside Australia) to request those additional copies.

7.11 Variation and withdrawal of Offer

(a) Variation

Kinterra may vary this Offer in accordance with the Corporations Act.

(b) Withdrawal

This Offer may be withdrawn with the written consent of ASIC, which consent may be subject to conditions. If so, Kinterra will give notice of the withdrawal to ASX and to NWR and will comply with any other conditions imposed by ASIC.

7.12 Costs and stamp duty

Kinterra will pay all costs and expenses of the preparation and circulation of this Offer and any Australian stamp duty payable on the transfer of any Shares to Kinterra under this Offer.

7.13 Governing law and jurisdiction

This Offer and any contract resulting from your acceptance of this Offer are governed by the laws of Western Australia. In relation to them and related non-contractual matters each party irrevocably submits to the non-exclusive jurisdiction of courts with jurisdiction there, and waives any right to object to the venue on any ground.
