4	CAAF, Xanadu's largest independent shareholder, holding approximately 9.89% ¹ of Xanadu Shares on issue following completion of the Concurrent Financing, intends to accept the Offer with respect to 100% of its holding, subject to the Bid Implementation Agreement not being terminated, in the absence of a superior proposal (as determined in their sole and absolute discretion) and subject to the Independent Expert concluding that the Offer is fair and reasonable (and not changing or withdrawing that opinion).
5	If you accept the Offer and the Offer becomes unconditional, you will have certainty of cash consideration for your Xanadu Shares.
6	The Offer removes your exposure to the risks associated with being an investor in a company which is a non-operating, minority joint venture partner in the Khuiten JV, in the event the 25% Put Option is exercised.

Letter from the Bidder

27 May 2025

Dear Xanadu Shareholder

Recommended offer to acquire 100% of Xanadu for total consideration of \$0.08 cash per Xanadu Share

Bastion Mining Pte Ltd (the **Bidder**) is pleased to enclose an Offer to acquire all of your Xanadu Shares at a price of \$0.08 cash per Xanadu Share (the **Offer Consideration**), subject to the satisfaction or waiver of the Offer Conditions.

As the Offer Consideration is 100% cash and at a significant premium to historic market prices for Xanadu Shares, the Bidder believes accepting the Offer provides Xanadu Shareholders with an attractive cash value from their Xanadu Shares eliminating the long-term risks associated with the development of the Kharmagtai Project.

Unanimous approval of all Independent Xanadu Directors

The Xanadu Board has formed an independent committee to consider the Offer, comprised of all Xanadu Directors except for Mr Shaoyang Shen (a Non-Executive Director and Zijin nominee) and Mr Ganbayar Lkhagvasuren (Executive Director & Country Manager, and a 25% shareholder of the Bidder).

All Independent Xanadu Directors have unanimously recommended that you accept the Offer in the absence of a Superior Proposal, and intend to accept the Bidder's Offer in respect of all the Xanadu Shares they own or control, in the absence of a Superior Proposal and subject to the Independent Expert continuing to conclude that the Offer is fair and reasonable.

In addition, CAAF Ltd, Xanadu's largest independent shareholder, holding 226,665,378 Xanadu Shares, representing approximately 9.89%² of Xanadu Shares, has provided Xanadu with an intention statement confirming that CAAF intends to accept the Offer in respect of 100% of its holding, subject to the BIA not being terminated, in the absence of a superior proposal (as determined in their sole and absolute discretion) and subject to the Independent Expert concluding that the Offer is fair and reasonable (and not changing or withdrawing that opinion).

Offer Consideration

The Offer Consideration of \$0.08 per Xanadu Share in cash delivers a significant premium to Xanadu's historic market prices:

- 57% to Xanadu's last closing price on the ASX of \$0.051 per share on 16 May 2025 (being the last trading day prior to the Announcement Date);
- 62% to Xanadu's 10-day VWAP of \$0.049 per Xanadu Share up to and including 16 May 2025;
- 46% to Xanadu's 30-day VWAP of \$0.055 per Xanadu Share up to and including 16 May 2025; and
- 52% to Xanadu's 90-day VWAP of \$0.053 per Xanadu Share up to and including 16 May 2025.

Offer Conditions

The Offer is subject to the satisfaction or waiver of certain conditions, including (among others):

- a 50.1% minimum acceptance condition;
- Xanadu not exercising its Put Options to sell all or part of its interest in the Kharmagtai Project;
- there being no Material Adverse Change to Xanadu;

² Refer to note (2) in the table set out in section 2.7 for details on the estimation of CAAF's Voting Power as at the Latest Practicable Date.

- there being no Prescribed Occurrences;
- there being no legal restraint or prohibition preventing or materially restricting the Offer, excluding any action taken by the Government of Mongolia to designate the Kharmagtai Project as a 'Strategic Deposit'; and
- the representations and warranties provided by Xanadu in the BIA remaining correct.

The full terms and conditions of the Offer are set out in section 8 of this Bidder's Statement.

See section 4 of this Bidder's Statement for further details regarding funding of the Offer.

If the Conditions are not satisfied or waived by the end of the Offer Period, then the Offer will lapse and your acceptance will be void. You will continue to hold your Xanadu Shares and be free to deal with them as if the Offer had not been made.

	Under the terms of the Bid Implementation Agreement, the Bidder has undertaken to declare the Offer free of all Conditions within 2 Business Days of the Bidder (together with its Associates) achieving a Relevant Interest of 50.1% in Xanadu Shares.
What happens if the Offer Conditions are not satisfied or waived?	If the Offer Conditions are not satisfied or waived before the end of the Offer Period, the Offer will lapse and any acceptances into the Offer will be void. In those circumstances, Xanadu Shareholders who have accepted the Offer will not receive the Offer Consideration and will continue to hold their Xanadu Shares and be free to deal with them as if the Offer had not been made. Under the terms of the Bid Implementation Agreement, the Bidder has undertaken to declare the Offer free of all Conditions within 2 Business Days of the Bidder (together with its Associates) achieving a Relevant Interest of 50.1% in Xanadu Shares. Subject to this Bidder's Statement and the Corporations Act, the Bidder may declare the Offer to be free from any Offer Condition.

See section 2.7 and section 2.8 of this Bidder's Statement for further details regarding the Bidder's Relevant Interest and Voting Power in Xanadu as at the Last Practicable Date.
What are the tax implications of acceptance?	You should consult your financial, tax or other professional adviser on the tax implications of acceptance. However, sections 5 and 6 contain general summaries of the major likely Australian and Canadian tax consequences (respectively) for Xanadu Shareholders who accept the Offer.
Do I pay brokerage or stamp duty if I accept?	You will not pay stamp duty on the disposal of your Xanadu Shares if you accept the Offer. If your Xanadu Shares are registered in an Issuer Sponsored Holding in your name and you deliver them directly to the Bidder, you will not incur any brokerage in connection with your acceptance of the Offer. If your Xanadu Shares are registered in a CHESS Holding, or if you are a beneficial owner whose Xanadu Shares are registered in the name of a broker, bank, custodian or other nominee, you should ask your Controlling Participant (usually your broker) or that nominee whether it will charge any transaction fees or service charges in connection with acceptance of the Offer.

In these circumstances (and upon the Offer becoming unconditional), the Bidder will nominate persons to be appointed to the Xanadu Board such that a majority of the directors of Xanadu are directors nominated by the Bidder. The Bidder also intends to implement the other intentions set out in section 3.3 to the extent possible and consistent with Xanadu being a controlled entity of the Bidder, but not a wholly-owned Subsidiary. If you remain a Xanadu Shareholder in these circumstances you may be a minority shareholder in what may be a less liquid stock. - The closing price of Xanadu Shares on the ASX for the last 12 months prior to the Announcement Date compared to the Offer Consideration is shown below:

2. The Offer values Xanadu at A\$160 million which implies that you will receive substantial value for your interest in the Khuiten JV, at the high end of the range disclosed in the recent valuation prepared by BDO⁵.

- The equity value of the Offer is US\$99.4 million⁶ (A\$160.3 million).
- BDO concluded that the value of Xanadu's interest in the Khuiten JV is US\$59.3 to US\$108.0 million before giving effect to the 25% Put Option and US\$79.1 to US\$105.9 million after giving effect to the 25% Put Option.

⁶ Equity value of the Offer excludes the Xanadu Shares issued to the Bidder pursuant to the Concurrent Financing (refer to section 7.2 for further information) and assumes a US\$:A\$ exchange rate of 0.62.

⁷ Refer to note (2) in the table set out in section 2.7 for details on the estimation of CAAF's Voting Power as at the Latest Practicable Date.

6. The Offer removes your exposure to the risks associated with being a non-operating, minority joint venture partner.

- The Offer provides Xanadu Shareholders with the opportunity to realise certain cash value and avoid ongoing exposure, through investment in Xanadu, to risks associated with Xanadu being a non-operating, minority joint venture partner (assuming the 25% Put Option is exercised), including:
 - Zijin, as operator of the Kharmagtai Project, may delay the project, impacting value;
 - there is no certainty that the full project value of the Kharmagtai Project can be delivered, reducing the value of Xanadu's interest in the Kharmagtai Project;
 - All debt, offtake and royalty funding proposals received by Xanadu to date require collateral commitments from Zijin, which have not been, and Xanadu has stated it believes there is a material risk that they will not be, forthcoming; and
 - Xanadu and Zijin may not agree on the timing, scale, approach to funding and other project parameters and progress on Kharmagtai Project may be delayed, or Xanadu's interest in the project may be diluted.

7. The Offer removes your exposure to risks associated with a development project, including timing, financing, dilution and other general market risks.

- The Offer provides Xanadu Shareholders with the opportunity to realise cash value and avoid external and company-specific risks that Xanadu may be subject to, which may adversely affect the future trading price of the Xanadu Shares, such as:
 - Risks associated with financing and developing Xanadu's interest in the Kharmagtai Project, including:
 - expense and potential dilution of financing Xanadu's 50% share of the US\$50-60 million required for completion of the Bankable Feasibility Study, Mongolian Feasibility Study and approval processes during 2025 and 2026;

 - Risks associated with advancing and developing Xanadu's other projects within its portfolio;
 - regulatory risks;
 - competitive threats; and / or
 - global macroeconomic conditions.

- If you accept the Offer and the Offer becomes unconditional, you will no longer be exposed to the risks and uncertainties inherent in owning Xanadu Shares. By contrast, if you do not accept the Offer, the amount which you will be able to realise for your Xanadu Shares is uncertain.

Xanadu Shares	286,829,633	12.52%

Notes:

- (1) The Bidder has a Relevant Interest in 286,829,663 Xanadu Shares on issue, and Voting Power of 12.52% in Xanadu, as at the Last Practicable Date pursuant to sections 608(1)(a) and 610(1) of the Corporations Act, as the Bidder is the registered holder of these Xanadu Shares which were issued pursuant to the Concurrent Financing described in section 7.2.
- (2) Boroo, as the parent company of the Bidder, also has a Relevant Interest in the 286,829,633 Xanadu Shares held by the Bidder (being a controlled body corporate of Boroo pursuant to section 608(3) of the Corporations Act) and Voting Power in Xanadu of 14.45% pursuant to section 610(1) of the Corporations Act, (which includes an additional 44,228,329 Xanadu Shares in which Mr Ganbayar Lkhagvasuren has a Relevant Interest in, as an Associate of Boroo for the purposes of section 12 of the Corporations Act) as at the Last Practicable Date.

(b) Acquisitions of Xanadu Shares by the Bidder or Associates

Neither the Bidder nor any of its Associates have provided (or agreed to provide) consideration for a Xanadu Share under a purchase or agreement to purchase during the four months before the date of this Bidder's Statement or in the period between the date of this Bidder's Statement and the date of the Offer, other than as part of the Concurrent Financing described in section 7.2.

2.9 Recent and historical trading of Xanadu Shares

The last recorded sale price of Xanadu Shares on the ASX on 16 May 2025 was \$0.051.

In the 12 months preceding 16 May 2025, approximately 598.2 million Xanadu Shares representing approximately 31.3% of the Xanadu Shares currently on issue were traded on the ASX at a VWAP of \$0.056, with a price range of \$0.045 to \$0.079.

In the 12 months preceding 16 May 2025, approximately 19.5 million Xanadu Shares representing approximately 1.0% of the Xanadu Shares currently on issue were traded on the TSX at a VWAP of \$0.059, with a price range of \$0.044 to \$0.076.

3 The Bidder's Intentions

3.1 Introduction

This section 3 sets out the rationale for the Offer and the Bidder's intentions in relation to:

- (a) the continuation of the business of Xanadu;
- (b) any major changes to the business of Xanadu; and
- (c) the future employment of the present employees of Xanadu.

These intentions are based on the information concerning Xanadu, its business and the general business environment which is known to the Bidder at the time of preparation of this Bidder's Statement.

The Bidder does not currently have full knowledge of all material information, facts and circumstances that are necessary to assess the operational, commercial, tax and financial implications of their current intentions. Final decisions regarding these matters will only be made by the Bidder in light of material information and circumstances at the relevant time. Accordingly, the statements set out in this section 3 are statements of current intention only, which may change as new information becomes available to the Bidder or as circumstances change.

The Bidder's intentions concerning the businesses, assets and employees of, and securities in, Xanadu are set out in this section 3.

3.2 Rationale for the Offer

As at the date of this Bidder's Statement, the Bidder has a Relevant Interest a total of 286,829,633 Xanadu Shares representing 12.52% of the Xanadu Shares on issue.

The Bidder is seeking to acquire an interest in Xanadu and would be satisfied for the Offer to result in it holding (together with its Associates) a minimum Relevant Interest in 50.1% of the Xanadu Shares.

As a result, the Bidder is making a takeover offer to all Xanadu Shareholders.

The proposed acquisition of Xanadu through the Offer is consistent with Boroo's strategy to grow its portfolio of assets organically and through the acquisition of businesses which complement its existing operations and projects. Boroo intends to apply its capabilities in mine development, financing and management with its Mongolian expertise to advance the Kharmagtai Project.

3.3 Intentions if the Bidder acquires more than 50% but less than 90% of the Xanadu Shares

The Bidder's intentions if Xanadu becomes a controlled entity of the Bidder, but the Bidder is not entitled to proceed to compulsory acquisition in accordance with Part 6A.1 of the Corporations Act are set out below.

(a) General strategic, operational and capital management matters

The Bidder intends to conduct a general review of Xanadu's operations on both a strategic and operational level to evaluate Xanadu's performance, prospects and profitability in relation to the business. This review will apply quantitative and qualitative factors to measure performance and areas for improvement.

With regards to the Kharmagtai Project, the Bidder intends to advocate for the development of the Kharmagtai Project in accordance with the funding and development milestones contemplated by the Khuiten JV between Xanadu and Jinping, pending completion of the Bidder's broader operational review of Xanadu.

Relevantly, under the terms of the BIA, Xanadu has withdrawn the resolutions seeking Xanadu Shareholder support for the exercise of the 25% Put Option as set out in its notice of meeting dated 5 April 2025.

Accordingly, the Bidder has not formed any current intentions that are inconsistent with the current strategy proposed by the Xanadu Board.

(b) **Employees**

Other than to the extent noted above, the Bidder has not formed any intention with respect to the future employment of the present employees of Xanadu.

(c) **Board representation**

Subject to the size of the interest in Xanadu Shares held by the Bidder following completion of the Offer, the Bidder may seek representation on the Xanadu Board that is reasonably proportionate to its interest in Xanadu Shares.

(d) **Further acquisitions of Xanadu Shares**

It is possible that, even if the Bidder is not entitled to proceed to compulsory acquisition of minority holdings after the end of the Offer Period under Part 6A.1 of the Corporations Act, it may subsequently become entitled to exercise rights of general compulsory acquisition under Part 6A.2 of the Corporations Act. For example, as a result of acquisitions of Xanadu Shares in reliance on the '3% creep' exception in item 9 of section 611 of the Corporations Act. If so, it reserves the right to exercise those rights.

(e) **ASX listing**

If the Bidder acquires a Relevant Interest in more than 75%, but less than 90%, of the Xanadu Shares, then the Bidder intends to actively encourage Xanadu to apply for removal of Xanadu from the official list of ASX to the extent that it is able to do so consistently with ASX guidance. While the decision to apply for removal of Xanadu from the official list of ASX lies with the Xanadu Board and a consideration of the number of Xanadu Shareholders and liquidity of Xanadu Shares on the ASX, ASX's guidance in relation to the removal of entities from the official list of ASX is set out in ASX Guidance Note 33.

ASX Guidance Note 33 sets out ASX's policy in relation to a request for removal from the official list of ASX and indicates that shareholder approval would not be required for the removal of Xanadu from the official list of ASX if all the following factors are satisfied:

- (i) the Bidder and its related bodies corporate own or control at least 75% of Xanadu Shares but do not meet the conditions for compulsory acquisition under the Corporations Act;
- (ii) excluding the Bidder and its related bodies corporate, the number of Xanadu Shareholders having holdings with a value of at least \$500 (being a marketable parcel) is fewer than 150;
- (iii) the Bidder has foreshadowed in this Bidder's Statement that it intends, if the Bidder secures control of Xanadu, to cause Xanadu to apply for removal from the official list of ASX;
- (iv) the Offer remains open for at least two weeks following the Bidder and its related bodies corporate having attained ownership or control of at least 75% of the Xanadu Shares; and
- (v) Xanadu applies for removal no later than one month after the end of the Offer Period.

If these factors are satisfied and shareholder approval for the delisting of Xanadu is not required, the Bidder intends to send a written or electronic communication to all remaining Xanadu Shareholders advising them of the nominated time and date at which Xanadu would be removed from the official list of the ASX, being a date not earlier than three months after the date the notice was given (**Removal Date**). The notice to the remaining Xanadu Shareholders would also state that:

- (i) if they wish to sell their Xanadu Shares on the ASX, they will need to do so before the Removal Date; and
- (ii) if they do not sell their Xanadu Shares before the Removal Date, thereafter, they will only be able to sell their Xanadu Shares off market (or on the TSX, if Xanadu remains listed on TSX – see section 3.3(f) below).

Those remaining Xanadu Shareholders who do not sell their Xanadu Shares on the ASX before the Removal Date would face risks associated with the potential reduced liquidity of an unlisted Xanadu Share.

If the factors in ASX Guidance Note 33 are not satisfied, the Bidder may still request that ASX remove Xanadu from the official list of ASX. ASX's guidance indicates that ASX's decision to act on the Bidder's request may be subject to the satisfaction of certain conditions. ASX imposes conditions to ensure that the interests of the remaining Xanadu Shareholders are not unduly prejudiced by the removal and that trading in Xanadu Shares takes place in an orderly manner up to the date of its removal from the official list.

ASX's guidance indicates that (in some cases), these conditions may include, if shareholder approval is sought within 12 months after the end of the Offer Period, the approval of Xanadu Shareholders to the proposed removal with such approval to be by way of ordinary resolution on which the Bidder and its associates may be excluded from voting. Where more than 12 months have lapsed since the Offer Period, ASX has indicated in ASX Guidance Note 33 that it would generally permit the Bidder and its associates to vote on a resolution approving Xanadu's removal from the official list. Any decision by Xanadu to apply to ASX for removal from the official list would need to be made by the Xanadu Board, not the Bidder. The Xanadu Board, including any of the Bidder's nominees on the Xanadu Board, could decide to seek a delisting if it is in the interest of Xanadu to do so at the relevant time.

(f) **TSX listing**

If the Bidder and its Associates acquire a Relevant Interest in more than 75%, but less than 90%, of the Xanadu Shares, then the Bidder may not be supportive of Xanadu's continued listing on TSX. While the decision to apply for removal of Xanadu from the official list of the TSX lies with the Xanadu Board, the Bidder intends to actively encourage Xanadu to apply for removal of Xanadu from the official list of the TSX to the extent that it is able to do so consistently with the TSX Company Manual. The process in relation to the removal of issuers from the official list of the TSX is set out in section 720 of the TSX Company Manual. Such process includes an application in a prescribed form to the TSX, and depending on the circumstance, shareholder approval may be required.

Section 720(a) of the Manual provides that a listed issuer may apply to have all or any class of its listed securities delisted. The application should take the form of a letter addressed to the TSX and should outline:

- (i) the name of the corporation;
- (ii) the reasons for the application to delist;

- (iii) whether security holder approval to delist will be sought and if not, why; and
- (iv) the proposed date of delisting.

The application should also include the following:

- (i) the name of the corporation;
- (ii) a certified copy of a resolution of Xanadu's Board authorising the application to delist; and
- (iii) a draft copy of a press release to be pre-cleared by the TSX, disclosing:
 - (A) the application to voluntarily delist, with the reasons for the application;
 - (B) the anticipated date of the security holder meeting, if one will take place;
 - (C) the satisfaction of any of the conditions set out below, if applicable; and
 - (D) the proposed delisting date.

Section 720(b) of the TSX Company Manual provides that the TSX will generally require approval by the holders of the securities the issuer wishes to delist as a condition of acceptance of a voluntary delisting application, unless, among other things (which are inapplicable in the current context):

- (i) an alternative market exists or will exist for the listed securities on or near the proposed delisting date; or
- (ii) security holders have a near term liquidity event for which all material conditions have been satisfied and the likelihood of non-completion is remote.

Generally, insiders with materially different beneficial interests from the remaining security holders in respect of the voluntary delisting will not be entitled to vote with respect to the voluntary delisting. A security holder that owns, or controls or directs 50% or more of the issued and outstanding shares of the affected class of shares will be deemed to have a material different beneficial interests from the remaining security holders.

The delisting date for the class sought to be delisted cannot be earlier than the 10th business day following the later of:

- (i) dissemination of the press release pre-cleared by the TSX announcing the voluntary delisting; and
- (ii) the issuer having obtained security holder approval for the voluntary delisting, if applicable.

Upon delisting from the TSX, Xanadu may then apply to the Ontario Securities Commission for a declaration that it has ceased to be a reporting issuer and is relieved of its continuous and timely disclosure obligations. This application will be a passport application under National Policy 11-206 *Process for Cease to be a Reporting Issuer Applications*.

3.4 Intentions if the Bidder acquires more than 90% of the Xanadu Shares

The Bidder's current intentions if the Bidder acquires a Relevant Interest in 90% or more of the Xanadu Shares pursuant to the Offer is to proceed to compulsory acquisition of the outstanding Xanadu Shares are set out below.

(a) Compulsory acquisition

If the Bidder acquires a Relevant Interest in 90% or more of the Xanadu Shares pursuant to the Offer and becomes entitled to compulsorily acquire the remaining Xanadu Shares under the Corporations Act, it intends to give notices to Xanadu Shareholders to compulsorily acquire any outstanding Xanadu Shares in accordance with Part 6A.1 of the

Corporations Act. If the Bidder compulsorily acquires the remaining Xanadu Shares under this procedure, the applicable Xanadu Shareholders will receive the Offer Consideration later than the time of payment of those Xanadu Shareholders who accepted the Offer.

(b) **ASX and TSX listing**

The Bidder's current intention is to arrange for Xanadu to be removed from the official list of ASX and the TSX, and for Xanadu to be subsequently converted to a proprietary company limited by shares.

(c) **General strategic, operational and capital management matters**

The Bidder's intentions with respect to the strategic, operational and capital management of Xanadu upon the Bidder and its Associates acquiring a Relevant Interest in 90% or more of the Xanadu Shares pursuant to the Offer is as set out in section 3.3(a).

(d) **Employees**

Other than to the extent noted above, the Bidder has not formed any intention with respect to the future employment of the present employees of Xanadu.

(e) **Board representation**

If Xanadu becomes a wholly-owned controlled entity of the Bidder then the Bidder intends to conduct a review of the members of the Xanadu Board and may replace some or all of the existing members with their nominees. Replacement board members have not yet been identified by the Bidder and their identity will depend on the circumstances at the relevant time. However, it is expected that the majority of the replacement board members will be nominees of the Bidder.

3.5 Limitations on intentions

The intentions and statements of future conduct set out in this section 3 must be read as being subject to:

- (a) the law (including the Corporations Act), ASX Listing Rules and TSX Company Manual, including in particular the requirements of the Corporations Act, ASX Listing Rules and TSX Company Manual in relation to conflicts of interest and 'related party' transactions given that, if the Bidder obtains control of Xanadu but does not acquire all of the Xanadu Shares, it will be treated as a related party of Xanadu for these purposes;
- (b) the legal obligation of the directors of Xanadu at the time, including any nominees of the Bidder, to act in good faith in the best interests of Xanadu and for proper purposes and to have regard to the interests of all Xanadu Shareholders; and
- (c) the outcome of the review referred to in section 3.3.

4 Sources of Consideration

4.1 Total cash consideration

The consideration for the acquisition of the Xanadu Shares to which the Offer relates will be satisfied by the payment of cash (in Australian dollars).

As at the close of trading on the Last Practicable Date, according to documents provided by Xanadu to the ASX, Xanadu had 2,291,211,189 Xanadu Shares.

In the event that acceptances are received for all Xanadu Shares on issue (excluding those Xanadu Shares which the Bidder or its Associates have a Relevant Interest), the aggregate amount of cash consideration that the Bidder would be required to pay would be \$160.4 million (the **Offer Amount**) plus all associated transaction costs.

4.2 Overview of the Bidder's funding arrangements

The Bidder will source the necessary funds to pay the Offer Amount (and costs associated with the Offer) from a combination of funds made available under a funding deed entered into with the Bidder's shareholders, Boroo and Mr Lkhagvasuren, pursuant to which Boroo and Mr Lkhagvasuren have undertaken to make available up to US\$90 million (A\$140.6 million) and US\$30 million (A\$46.9 million), respectively, to the Bidder in connection with the Offer (the **Bidder Funding Deed**),⁸ being US\$108 million (A\$187.5 million) (**Total Funding Commitment**).

The Total Funding Commitment amount available to the Bidder, pursuant to the Bidder Funding Deed, exceeds the aggregate of the Offer Amount and the costs associated with the Offer.

As at the date of this Bidder's Statement, Boroo and Mr Lkhagvasuren have provided the aggregate Total Funding Commitment to the Bidder in accordance with the Bidder Funding Deed, with US\$108 million (A\$177.14 million) in remaining funds available to the Bidder and reserved for the Offer.

4.3 Overview of the Bidder's shareholders' funding arrangements

Boroo and Mr Lkhagvasuren have sourced the necessary funds to pay the portion of the Total Funding Commitment they are responsible to fund under the terms of the Bidder Funding Deed:

- (a) in the case of Boroo, from existing cash reserves; and
- (b) in the case of Mr Lkhagvasuren, a term loan facility for the full US\$30 million pursuant to a loan agreement dated 22 May 2025 between Mr Lkhagvasuren and the Facility Lender (the **GBL Facility**).

All conditions to utilisation of the GBL Facility have been satisfied and the GBL Facility has been fully drawn by Mr Lkhagvasuren, with the funds applied to the Bidder in satisfaction of Mr Lkhagvasuren's portion of the Total Funding Commitment.

4.4 Conclusion

On the basis of the arrangements described in this section 4, the Bidder believes that it has reasonable grounds for holding the view, and holds the view, that it will be able to provide the consideration offered under the Offer, as well as meet the associated transaction costs.

5 Australian Tax Considerations

5.1 Introduction

This section summarises the tax implications of the Offer for Xanadu Shareholders for the purposes of the Bidder's Statement.

This section considers the Australian tax consequences of disposal of Xanadu Shares, including the income tax, Goods and Services tax (**GST**) and stamp duty implications.

It is not contemplated that this section of the Bidder's Statement will be updated after it has been issued for any changes in the tax laws or in the facts of the Offer.

The tax comments in this section are based on the provisions of the *Income Tax Assessment Act 1936*, the *Income Tax Assessment Act 1997 (ITAA 1997)*, the *A New System (Goods and Services Tax) Act 1999*, the *Taxation Administration Act 1953* and any other Australian tax law and practice in effect at the date of this Bidder's Statement and do not take into account or anticipate changes in the relevant Australian tax law whether by judicial interpretation or legislative amendments. The laws are complex and subject to change periodically, as is their interpretation by the courts and the tax authorities. It is not intended to be, and is not, an authoritative or complete analysis of the Australian income tax, GST and stamp duty law.

As the tax comments are general in nature and do not take into account all Xanadu Shareholders and their individual circumstances, it is recommended that all Xanadu Shareholders should consult with their own independent tax advisers regarding the Australian income tax, GST and stamp duty consequences of disposing of Xanadu Shares having regard to their particular circumstances.

The tax comments in this section rely upon the facts and representations as provided in the Bidder's Statement.

This section is a general outline of the Australian income tax, GST and stamp duty consequences of the Offer for certain Xanadu Shareholders who participate in the Offer. The comments set out below are relevant only to those Xanadu Shareholders who hold their Xanadu Shares on capital account and acquired, or have been deemed to acquire, their Xanadu Shares on or after 20 September 1985.

This section does not address the Australian tax consequences for Xanadu Shareholders who:

- hold their Xanadu Shares on revenue account or as trading stock;
- are temporary residents for Australian tax purposes;
- are under a legal disability;
- are exempt from Australian income tax;
- are subject to the Investment Manager Regime under Subdivision 842-I of the *Income Tax Assessment Act 1990* in respect of their Xanadu Shares;
- hold their Xanadu Shares in connection with a business carried on through a permanent establishment outside their country of residence;
- acquired their Xanadu Shares pursuant to an employee share, option or rights plan;
- are a bank, insurance company or tax-exempt organisation; or
- are subject to the taxation of financial arrangements rules in Division 230 of the *ITAA 1997* in relation to gains and losses on their Xanadu Shares.

Xanadu Shareholders who are tax residents of a country other than Australia (whether or not they are also residents, or are temporary residents, of Australia for tax purposes) should take into

account the tax consequences of the Offer under the laws of their country of residence, as well as under Australian law.

5.2 Australian resident Xanadu Shareholders

(a) Australian resident Xanadu Shareholders

In the event that the Offer is accepted, the Bidder will acquire all of the issued Xanadu Shares held by the relevant Xanadu Shareholders. The income tax implications for Australian tax resident shareholders are outlined below.

(i) Capital gains tax (CGT) event

Under the Offer, Xanadu Shareholders will dispose of their Xanadu Shares to the Bidder. This disposal will constitute a CGT event A1 for Australian CGT purposes for Xanadu Shareholders.

Calculation of capital gain or capital loss

Xanadu Shareholders will make a capital gain on the disposal of Xanadu Shares to the extent that the capital proceeds from the disposal of the Xanadu Shares are more than the cost base of those Xanadu Shares. Conversely, Xanadu Shareholders will make a capital loss to the extent that the capital proceeds are less than the reduced cost base of those Xanadu Shares.

(ii) Cost base

The cost base of the Xanadu Shares generally includes the cost of acquisition and certain non-deductible incidental costs of their acquisition and disposal (provided the costs have not previously been claimed as tax deduction). The reduced cost base of the Xanadu Shares is usually determined in a similar, but not identical, manner to the cost base. Some differences between cost base and reduced cost base may exist depending on the Xanadu Shareholder's individual circumstances.

(iii) Capital proceeds

The capital proceeds received in respect of the disposal of each Xanadu Share should be \$0.08 cash consideration per Share, being the consideration amount under the Offer.

(iv) CGT Discount

Individuals, complying superannuation entities or trustees that have held Xanadu Shares for at least 12 months may be entitled to discount the amount of the capital gain (after application of capital losses) from the disposal of Xanadu Shares by 50% in the case of individuals and trustees or by 33.33% for complying superannuation entities (**CGT Discount**).

The CGT Discount is not available for Xanadu shareholders that are companies.

For trustees, the ultimate availability of the CGT Discount for beneficiaries of the trusts will depend on the tax profile of the beneficiaries.

A Xanadu Shareholder's net capital gain for an income year, which includes the capital gains for an income year reduced by any capital losses and any applicable CGT Discount, should be included in their assessable income and is subject to income tax.

Capital losses may not be deducted against other income for income tax purposes but may be carried forward to offset against future capital gains (subject to satisfaction of loss recoupment tests for certain taxpayers).

Xanadu Shareholders should seek tax advice in relation to the operation of these rules.

(b) Non-Australian tax resident Xanadu Shareholders

For any Xanadu Shareholder who:

- (i) hold the Xanadu Shares on capital account;
- (ii) is not a resident of Australia for Australian tax purposes; and
- (iii) does not hold their Xanadu Shares in carrying on a business through a permanent establishment in Australia,

the disposal of Xanadu Shares will generally only result in Australian CGT implications if:

- (iv) that shareholder together with its associates held an interest of 10% or more in Xanadu at the time of disposal or for a 12 month period within 2 years preceding the disposal (referred to as a "non-portfolio interest"); and
- (v) more than 50% of the market value of Xanadu's assets is attributable to direct or indirect interests in "taxable Australian real property" (as defined in the income tax legislation).

Non-Australian tax resident Xanadu Shareholders who acquired their Xanadu Shares after 8 May 2012 are not entitled to the 50% CGT Discount.

5.3 Foreign resident capital gains withholding

A foreign resident capital gains withholding tax of 15% applies to transactions involving the acquisition of the legal ownership of an asset that is an indirect Australian real property interest.

The Bidder may be required to withhold under the foreign resident capital gains withholding regime if the Xanadu Shares qualify as 'indirect real property interests' and the Bidder:

- (a) knows or reasonably believes that the Xanadu Shareholder is a foreign resident shareholder; or
- (b) does not reasonably believe that the Xanadu Shareholder is an Australian resident, and either:
 - (i) the relevant Xanadu Shareholder has an address outside Australia; or
 - (ii) the Bidder is authorised to make a payment to a place outside Australia (whether to the Xanadu Shareholder or to anyone else).

A Xanadu Shareholder may complete a foreign resident capital gains withholding declaration to declare that it is an Australian tax resident or that their Xanadu Shares are not an 'indirect Australian real property interest'. The declaration forms part of the Acceptance Form, or otherwise may be obtained on the ATO website. Each Xanadu Shareholder should read the declaration contained in the Acceptance Form in full and follow the instructions provided on the form.

If the Xanadu Shareholder does not provide an appropriately completed declaration by the relevant time or if the Bidder reasonably believes that the information in the declaration is false, the Bidder may withhold the CGT withholding tax from the Offer Consideration payable to the Xanadu Shareholder. In this case, the Xanadu Shareholder will be taken to receive the full Offer Consideration for the purposes of the Offer.

Xanadu Shareholders who have an amount of foreign resident CGT withholding should generally be entitled to a credit for the amount withheld upon lodging an Australian income tax return. This credit can be offset against the actual tax payable on the gain from the disposal of the Xanadu Shares and should be refundable by the ATO to the extent that the CGT withholding tax exceeds

the actual tax payable. If you are unsure about whether a credit for withholding tax may be claimed or how to lodge an Australian tax return, you should seek independent professional tax advice in this regard.

A non-resident individual Xanadu Shareholder who has previously been a resident of Australia and chose to disregard a capital gain or loss on ceasing to be a resident should be subject to Australian CGT consequences on disposal of the Xanadu Shares as set out above.

Non-resident Xanadu Shareholders should obtain their own independent tax advice regarding the tax implications of the Offer in Australia and in their country of residence.

5.4 Goods and services tax

Xanadu Shareholders should not be liable for GST in respect of a disposal of Xanadu Shares, regardless of whether the Xanadu Shareholder is registered for GST. However GST will likely be payable on any fees or charges that a Controlling Participant (in respect of Xanadu Shares in a CHESS Holding) or a broker, bank, custodian or other nominee (in respect of Xanadu Shares held for a separate beneficial owner) may charge in connection with acceptance of the Offer.

In the event the Xanadu Shareholder is an Australian resident and is registered for GST, the disposal of the Xanadu Shares to the Bidder should be considered an input taxed financial supply. Conversely, where the Xanadu Shareholder is an Australian resident that is not registered for GST, or a foreign resident with no presence in Australia, the disposal of the Xanadu Shares to the Bidder should be outside the scope of Australian GST.

GST may be included in costs incurred by Xanadu Shareholders that relate to the Offer. Xanadu Shareholders that are registered for GST may be entitled to input tax credits or reduced input tax credits for such costs, subject to meeting specific criteria. This will depend on each Xanadu Shareholder's individual circumstances and separate advice should be obtained to confirm a Xanadu Shareholder's entitlement to recover such GST. Xanadu Shareholders that are not registered for GST will not be entitled to recover any such GST.

Xanadu Shareholders should seek their own independent tax advice in relation to the GST implications of their participation in the Offer.

5.5 Stamp duty

No stamp duty is payable by Xanadu Shareholders in respect of the disposal of their Xanadu Shares pursuant to the Offer.

6 Canadian Tax Considerations

6.1 Introduction

The following summary describes the principal Canadian federal income tax considerations generally applicable to a beneficial owner of Xanadu Shares who disposes of such Xanadu Shares pursuant to the Offer and who, at all relevant times, for the purposes of the *Income Tax Act* (Canada) and the Income Tax Regulations (collectively, **Canadian Tax Act**): (i) deals at arm's length with Xanadu and the Bidder; (ii) is not affiliated with Xanadu or the Bidder; and (ii) holds the Xanadu Shares as capital property (in this section 6, a **Holder**). Generally, the Xanadu Shares will be capital property to a Holder provided the Holder does not hold those Xanadu Shares in the course of carrying on a business of trading or dealing securities or as part of an adventure or concern in the nature of trade.

This summary is based on the current provisions of the Canadian Tax Act and on the Bidder's understanding of the current administrative policies and assessing practices of the Canada Revenue Agency published in writing prior to the date of this Bidder's Statement. This summary takes into account all specific proposals to amend the Canadian Tax Act publicly announced by or on behalf of the Minister of Finance (Canada) prior to the date of this Bidder's Statement (**Proposed Amendments**) and assumes that all Proposed Amendments will be enacted in the form proposed. However, no assurances can be given that the Proposed Amendments will be enacted as proposed or at all. This summary does not otherwise take into account or anticipate any changes in law or administrative policy or assessing practice, whether by legislative, administrative or judicial decision or action, nor does it take into account other federal tax legislation or considerations or those of any province, territory or foreign jurisdiction, which may differ from those described in this section 6.

This summary assumes that Xanadu is not, and is not deemed to be, resident in Canada for the purposes of the Canadian Tax Act. If Xanadu is resident in Canada for the purposes of the Canadian Tax Act, the Canadian federal income tax consequences to a Holder may be different from those described in this summary.

For the purposes of the Canadian Tax Act, all amounts relating to the acquisition, holding or disposition of Xanadu Shares must generally be expressed in Canadian dollars. Amounts denominated in any other currency must generally be converted into Canadian dollars using a rate of exchange determined in accordance with the rules in the Canadian Tax Act.

This summary is of a general nature only, is not exhaustive of all possible Canadian federal income tax considerations that are potentially applicable to a Holder and is not intended to be, nor should it be construed to be, legal or tax advice to any particular Holder. Accordingly, Holders should consult their own tax advisors with respect to their particular circumstances.

6.2 Holders Resident in Canada

This portion of the summary is generally applicable to a Holder who, at all relevant times, for purposes of the Canadian Tax Act and any applicable income tax convention or treaty is, or is deemed to be, resident in Canada (**Canadian Holder**).

This summary does not apply to a Canadian Holder:

- (a) that is a "financial institution" as defined in the Canadian Tax Act for purposes of the mark-to-market rules;
- (b) that is a "specified financial institution" as defined in the Canadian Tax Act;

- (c) that holds an interest which is a “tax shelter investment” for the purposes of the Canadian Tax Act;
- (d) that reports its “Canadian tax results,” as defined in the Canadian Tax Act, in a currency other than the Canadian currency;
- (e) that enters into a “derivative forward agreement,” as defined in the Canadian Tax Act, with respect to the Xanadu Shares, or
- (f) in relation to which Xanadu or any of its subsidiaries is a “foreign affiliate” within the meaning of the Canadian Tax Act. Such Canadian Holders should consult their own tax advisors.

Generally, a Canadian Holder who disposes of Xanadu Shares pursuant to the Offer will realise a capital gain (or capital loss) equal to the amount, if any, by which the proceeds of disposition, net of any reasonable costs of disposition, exceed (or are less than) the adjusted cost base to the Canadian Holder of the Xanadu Shares immediately before the disposition.

Generally, a Canadian Holder is required to include in computing its income for a taxation year one-half of the amount of any capital gain (a “taxable capital gain”) realised in the year. Subject to and in accordance with the provisions of the Canadian Tax Act, a Canadian Holder is required to deduct one-half of the amount of any capital loss (an “allowable capital loss”) realised in a taxation year from taxable capital gains realised by the Canadian Holder in the year and allowable capital losses in excess of taxable capital gains for the year may be carried back and deducted in any of the three preceding taxation years or carried forward and deducted in any subsequent taxation year against net taxable capital gains realised in such years.

A Canadian Holder that is:

- (a) throughout the relevant taxation year a “Canadian-controlled private corporation”, or
- (b) at any time in the relevant taxation a “substantive CCPC”

(each, as defined in the Canadian Tax Act), may be liable for an additional refundable tax on certain investment income for the year, including taxable capital gains. Capital gains realised by a Canadian Holder who is an individual or a trust (other than certain specified trusts) may give rise to a liability for alternative minimum tax under the Canadian Tax Act.

6.3 Holders Not Resident in Canada

This portion of the summary is generally applicable to a Holder who, at all relevant times, for purposes of the Canadian Tax Act and any applicable income tax convention or treaty is not, and is not deemed to be, resident in Canada, and does not use or hold, and is not deemed to use or hold, Xanadu Shares in connection with a business carried on in Canada (**Non-Canadian Holder**). This portion of the summary is not applicable to a Holder that is an insurer that carries on an insurance business in Canada and elsewhere.

Generally, a Non-Canadian Holder who disposes of Xanadu Shares pursuant to the Offer will not be subject to tax under the Canadian Tax Act on any capital gain realised on such disposition unless at the time of the disposition the Xanadu Shares constitute “taxable Canadian property” (as defined in the Canadian Tax Act) of the Non-Canadian Holder and such capital gain is not otherwise exempt from income tax under the Canadian Tax Act pursuant to the provisions of an applicable income tax convention or treaty (if any).

Provided that the Xanadu Shares are listed on a designated stock exchange for purposes of the Canadian Tax Act (which includes the ASX and TSX) at the time of the disposition, the Xanadu Shares generally will not constitute taxable Canadian property of a Non-Canadian Holder, unless:

- (a) if at any time during the 60-month period immediately preceding the disposition or deemed disposition of the Xanadu Shares:
 - (i) 25% or more of the issued shares of any class or series of the share capital of Xanadu were owned by, or belonged to, one or any combination of:
 - (A) the Non-Canadian Holder;
 - (B) persons with whom the Non-Canadian Holder did not deal at arm's length (for purposes of the Canadian Tax Act); and
 - (C) partnerships in which the Non-Canadian Holder or a person referred to in paragraph (B) holds a membership interest directly or indirectly through one or more partnerships; and
 - (ii) more than 50% of the fair market value of the Xanadu Shares was derived directly or indirectly from one or any combination of:
 - (A) real or immovable property situated in Canada;
 - (B) Canadian resource property (as defined in the Canadian Tax Act);
 - (C) timber resource property (as defined in the Canadian Tax Act); and
 - (D) options in respect of, or interests in, or for civil law rights in, property described in any of paragraphs (A) through (C), whether or not such property exists, or
- (b) the Xanadu Shares are otherwise deemed under the Canadian Tax Act to be taxable Canadian property.

If a Xanadu Share is taxable Canadian property to a Non-Canadian Holder, any capital gain realised on the disposition or deemed disposition of such Xanadu Share may nevertheless be exempt from Canadian federal income tax pursuant to the terms of an applicable income tax treaty or convention between Canada and the country of residence of a Non-Canadian Holder.

Non-Canadian Holders whose Xanadu Shares are taxable Canadian property should consult their own tax advisors.

7 Other Material Information

7.1 Bid Implementation Agreement

On 19 May 2025, Boroo, Mr Ganbayar Lkhagvasuren and the Bidder entered into a bid implementation agreement with Xanadu (**BIA**).

Under the BIA, the parties have agreed the principles governing their relationship in relation to the Offer.

The BIA was released to the ASX on Monday, 19 May 2025 and a copy is available from Xanadu's announcements page on the ASX website (www.asx.com.au).

The key terms of the BIA are summarised below.

(a) Offer terms and consideration

The Bidder must make the Offer on the terms agreed. The agreed terms are the terms of the Offer set out in section 8 of this Bidder's Statement.

The Bidder has undertaken to declare the Offer free of all Conditions within 2 Business Days of the Bidder (together with its Associates) achieving a Relevant Interest of 50.1% in Xanadu Shares.

The Bidder has agreed to offer \$0.08 per Xanadu Share.

(b) Exclusivity

The BIA contains certain exclusivity arrangements in favour of the Bidder. These arrangements are summarised as follows.

- (i) (*No shop*) Xanadu must not solicit, invite, encourage or initiate (including by the provision of non- public information to any Third Party) any inquiry, expression of interest, offer, proposal or discussion by any person in relation to, or which would reasonably be expected to encourage or lead to the making of, an actual, proposed or potential Competing Proposal.
- (ii) (*no talk and no due diligence*) Subject to a fiduciary exception, Xanadu must not:
 - (A) participate in or continue any negotiations or discussions with respect to any actual, proposed or potential Competing Proposal;
 - (B) negotiate, accept or enter into, approve or recommend, or enter into any agreement, arrangement or understanding with any person in relation to, or that could reasonably be expected to lead to a Competing Proposal;

 - (D) communicate to any person an intention to do anything referred to in this section 7.1(b).
- (iii) (*notification*) Xanadu must promptly notify the Bidder if it becomes aware of any actions in relation to a Competing Proposal as set out above in sections 7.1(b)(ii)(A), 7.1(b)(ii)(C) and 7.1(b)(ii)(D).
- (iv) (*Matching right and Xanadu Board recommendation*) Xanadu is prohibited from entering into any legally binding agreement, arrangement or understanding that gives effect to any Competing Proposal and must procure that no Independent Xanadu Director withdraws or changes their recommendation in respect of the

Offer as a result of the Competing Proposal or publicly recommends the Competing Proposal other than where:

- (A) the Independent Xanadu Board acting in good faith and in order to satisfy their statutory or fiduciary duties determines that the Competing Proposal is, or may reasonably be expected to lead to, a Superior Proposal;
- (B) Xanadu has provided the Bidder with all terms and conditions of the Competing Proposal, except where communication of such details would constitute a breach by the Xanadu Directors of their fiduciary or statutory duties;
- (C) Xanadu has given the Bidder at least 2 Business Days after providing the information referred to in section 7.1(b)(iv)(B) to provide a counter proposal on more favourable or no less favourable terms than the Competing Proposal; and
- (D) the Bidder has not announced a matching or superior proposal to the terms of the Competing Proposal by the expiry of the 2 Business Day period in section 7.1(b)(iv)(C).

(c) Board changes

As soon as practicable after the Bidder (together with its Associates) acquire a Relevant Interest in at least 50.1% of the Xanadu Shares, the Bidder will declare the Offer unconditional, upon which Xanadu must:

- (i) take all actions necessary to cause the appointment of the nominees of the Bidder to the Xanadu Board; and
- (ii) procure that the Xanadu Directors nominated by the Bidder resign and release Xanadu from any claims they may have against Xanadu,

provided that until the end of the Offer Period, there is an independent quorum of Xanadu Directors.

(d) Conduct of business

Between the period from the Agreement Date and the end of the Offer Period (each inclusive), Xanadu:

- (i) must conduct its business and operations in the ordinary course and consistent with the 6 months prior to the Agreement Date, subject to certain specified agreed restrictions and thresholds;
- (ii) agrees to keep the Bidder informed of the conduct of its business operations and financial matters, including by providing the Bidder with any relevant correspondence from specified parties and Governmental Agencies or regulators, and
- (iii) agrees to promptly notify the Bidder of anything of which it becomes aware of that:
 - (A) makes any material information publicly filed by Xanadu to be, or reasonably likely to be, incomplete, incorrect, untrue or misleading;
 - (B) makes any of the representations and warranties given by Xanadu under the BIA false, inaccurate, misleading or deceptive in any material respect; or
 - (C) may, or may with time, constitute a Material Adverse Change or Prescribed Occurrence.

(e) Xanadu Independent Board recommendation

Xanadu must use reasonable endeavours to procure that each Independent Xanadu Director does not withdraw, adversely revise or adversely qualify their recommendation in relation to the Offer other than where:

- (i) Xanadu has received a Superior Proposal and Xanadu has paid the Bidder the Break Fee; or
- (ii) the Independent Expert ceases to conclude (including by withdrawing or modifying its previous conclusion) that the Offer is fair and reasonable to Xanadu Shareholders not associated with the Bidder.

(f) Break Fee payable by Xanadu

Xanadu has agreed to pay a Break Fee in circumstances where:

- (i) any Independent Xanadu Director fails to make, or makes then withdraws, or adversely changes their recommendation in relation to the Offer;
- (ii) a Competing Proposal is announced or publicly recommended by the Independent Xanadu Board (but excluding a statement that no action should be taken by Xanadu Shareholders pending the assessment of a Competing Proposal);
- (iii) a Competing Proposal is announced prior to the end of the Offer Period and completed at any time before the later of the six month anniversary of the Agreement Date and the end of the Offer Period, which, as a result, a Third Party acquires control of Xanadu or the Xanadu Group;
- (iv) the Xanadu Board convenes a general meeting of Xanadu to consider the taking of any step that would, or would be likely to, prevent a Condition being satisfied or result in a Condition not being satisfied, and any of the Independent Xanadu Directors recommend that Xanadu Shareholders vote in favour of implementing or taking that step; or
- (v) the Bidder terminates the BIA as a result of Xanadu being in material breach of the BIA (including material breach of a representation or warranty).

The Break Fee is not payable if, at the time the Bidder demands payment of the Break Fee, Xanadu is entitled to terminate the BIA due to the Bidder being in material breach of the BIA (including material breach of a representation or warranty).

(g) Representations and warranties

Xanadu and the Bidder have given representations and warranties to each other in the BIA that are customary for an agreement of this nature.

(h) Reverse Break Fee payable by the Bidder

The Bidder has agreed to pay a reverse Break Fee if:

- (i) Xanadu terminates the BIA due to the Bidder being in material breach of the BIA (including material breach of a representation or warranty); or
- (ii) the Bidder (together with its Associates) fails to acquire a Relevant Interest in at least 50.1% of Xanadu Shares by the end of the Offer Period.

(i) Termination

Each of Xanadu and the Bidder may terminate the BIA at any time before the end of the Offer Period if:

- (i) the other is in material breach of the BIA (other than for a material breach of a representation or warranty given by the other); or
 - (ii) the Condition described in section 8.6(e) becomes incapable of satisfaction;
- the Bidder may terminate the BIA at any time before the end of the Offer Period, if:
- (iii) any Condition (other than the Condition described in section 8.6(e)) becomes incapable of satisfaction; or
 - (iv) any Independent Xanadu Director publicly adversely modify or withdraw their recommendation of the Offer, or publicly recommend, promote or otherwise endorse a Competing Proposal (but excluding a statement that no action should be taken pending the assessment of a Competing Proposal by the Independent Xanadu Board).

Xanadu may terminate the BIA at any time before the end of the Offer Period if:

- (v) the Bidder is in material breach of any of its obligations under the Share Subscription Agreement;
- (vi) the Independent Xanadu Board publicly recommends, promotes or otherwise endorses a Superior Proposal (provided any Break Fee has been paid by Xanadu);
- (vii) the Independent Expert concludes that the Offer is not fair and reasonable, resulting in the Independent Xanadu Board publicly adversely modifying or withdrawing their recommendation; or
- (viii) the Independent Expert ceases to conclude that the Offer is fair and reasonable, resulting in the Independent Xanadu Directors publicly adversely modify or withdrawing their recommendation of the Offer (provided any Break Fee has been paid by Xanadu).

7.2 Concurrent Financing

In accordance with the Share Subscription Agreement between the Bidder and Xanadu dated 19 May 2025 (**Share Subscription Agreement**), the Bidder agreed to provide Xanadu \$17.2 million interim funding by subscribing for 286,829,633 Xanadu Shares at the price of \$0.06 per Xanadu Share (**Concurrent Financing**).

The funds raised by the Concurrent Financing will be used to ensure Xanadu may continue advancing the Kharmagtai Project towards development and for working capital prior to closing of the Offer.

Completion of the Concurrent Financing occurred on Monday, 26 May 2025.

Refer to Xanadu's announcement on the ASX Market Announcements Platform on the Announcement Date for a summary of the Share Subscription Agreement.

7.3 ASIC modifications and exemptions

ASIC has published various legislative instruments (including class orders) providing for modifications and exemptions that apply generally to all persons, including the Bidder, in relation to the operation of Chapter 6 of the Corporations Act.

Amongst others, the Bidder has relied on the modification to section 636(3) of the Corporations Act as set out in paragraph 6(e) of ASIC Legislative Instrument 2023/683 to include references to certain statements by Xanadu in this Bidder's Statement without obtaining the consent of Xanadu. The relevant statements were respectively taken from announcements released to the ASX by Xanadu and from the Xanadu Group's website: <https://www.xanadumines.com/>. As required by Legislative Instrument 2023/683, the Bidder will make available a copy of these documents (or

relevant extracts of these documents), free of charge, to Xanadu Shareholders who request them during the Offer Period. To obtain a copy of these documents (or the relevant extracts), Xanadu Shareholders may contact the Offer Information Line on 1300 116 263 (toll-free within Australia) or +61 3 9415 4283 (from outside Australia).

7.4 Potential for waiver of Conditions

The Offer is subject to the Conditions set out in section 8.6. Under the terms of the Offer and the Corporations Act, any or all of those Conditions may be waived by the Bidder.

Under the terms of the BIA, the Bidder has agreed to waive all outstanding Conditions upon the Bidder (together with its Associates) acquiring a Relevant Interest in 50.1% of Xanadu Shares.

If an event occurs which results (or would result) in the non-fulfilment of a Condition, the Bidder might not make a decision as to whether it will either rely on that occurrence, or instead waive the Condition in respect of that occurrence, until the date for giving notice as to the status of the Conditions of the Offer under section 630(3) of the Corporations Act. If the Bidder decides that it will waive a Condition it will announce that decision to the ASX in accordance with section 650F of the Corporations Act.

7.5 Status of Conditions

The Offer is subject to the Conditions set out in section 8.6. The Bidder will provide updates on any material developments relating to the status of these Conditions through announcements to the ASX.

If any of the Conditions are not fulfilled, and the Bidder decides to rely on that non-fulfillment, then any contract resulting from acceptance of the Offer will become void at (or, in some cases, shortly after) the end of the Offer Period, and the relevant Xanadu Shares will be returned to the holder.

7.6 Social security and superannuation implications of the Offer

Acceptance of the Offer may have implications under your superannuation or pension arrangements or on your social security entitlements. If in any doubt, Xanadu Shareholders should seek specialist advice before accepting the Offer.

7.7 Approvals for payment of consideration

The Bidder is not aware of any Xanadu Shareholders who require any approval referred to in section 8.8(e) in order to be entitled to receive any consideration under the Offer.

7.8 Withholding of consideration

The Bidder is not currently aware of any amounts that are or would be treated as withholding amounts under section 8.8(f). However, it is possible that the Bidder may become aware of an obligation in this regard after the date of this Bidder's Statement.

For example, under section 255 of the *Income Tax Assessment Act 1936* (Cth), the ATO may notify the Bidder that all or part of the consideration otherwise payable under the Offer to Xanadu Shareholders who are non-residents of Australia is to be retained by the Bidder, or paid to the ATO, instead of being paid to the relevant Xanadu Shareholders. Similarly, under section 260-5 of Schedule 1 to the *Taxation Administration Act 1953* (Cth), the ATO may require the Bidder to pay to the ATO all or part of the consideration otherwise payable under the Offer to Xanadu Shareholders who owe tax-related debts to the Australian Government. Furthermore, under Subdivision 14-D of Schedule 1 to the *Taxation Administration Act 1953* (Cth), the Australian Tax

Office may require the Bidder to pay to the Australian Tax Office an amount in respect of the disposal of your Xanadu Shares on account of foreign resident CGT withholding tax.

7.9 Broker commission

The Bidder may offer to pay a commission to brokers who solicit acceptances of the Offer from their clients. The Bidder has made no final decision in relation to the matter at this stage.

Any commission payments will be paid only in respect of parcels of Xanadu Shares held by retail Xanadu Shareholders who accept the Offer.

If such arrangements are put in place, commission payments will not exceed 0.75% of the value of the consideration payable for parcels of Xanadu Shares held by retail Xanadu Shareholders who accept the Offer, and will be subject to minimum payments (not exceeding \$50) and maximum payments (not exceeding \$750) for each acceptance.

If a commission is offered, it will be payable to brokers only and subject to the condition that no part of the fee will be able to be passed on, or paid, to Xanadu Shareholders.

If and when the Bidder decides to offer such a commission to any broker, it will make an announcement to the ASX.

It is the Bidder's intention that, if and when an offer of commission has been made to any broker by the Bidder, the commission arrangement will remain in place for the balance of the Offer Period and the amount of the commission offered will not be increased during the Offer Period.

7.10 No collateral benefits

Neither the Bidder nor any of its Associates has in the four months before the date of this Bidder's Statement, or in the period between the date of this Bidder's Statement and the date of the Offer, given, offered to give or agreed to give a benefit which is not offered to all Xanadu Shareholders under the Offer to another person which was likely to induce the other person (or an Associate) to accept the Offer or dispose of Xanadu Shares.

7.11 No escalation agreements

Neither the Bidder nor any of its Associates have entered into any escalation agreement that is prohibited by section 622 of the Corporations Act.

7.12 Date for determining holders of Xanadu Shares

For the purposes of section 633 of the Corporations Act, the date for determining the people to whom information is to be sent under items 6 and 12 of section 633(1) for each Offer is the Register Date.
