FAR EAST GOLD CONTINUES TO GAIN POSITIVE SUPPORT FROM THE GOVERNMENT AND COMMUNITY.

Far East Gold Limited (**FEG** or the **Company**) is pleased to announce that from 1 May to 2 May 2023, members of the board and senior management undertook a site visit to the Company's flagship project, Woyla in Aceh**, meeting with local Community, Military and Police leaders**. The Company is extremely grateful to be receiving positive and engaging support from the **Government representatives, and the local people of Aceh**. We value the trust bestowed upon us and remain committed to continuing to provide communities where we operate with the highest standards of excellence and integrity.

HIGHLIGHTS:

- Members of FEG's board of directors and senior management met with the Regional Leaders of Pidie Regency, Aceh Province. During these meetings FEG explained its **commitment to investment** in the Woyla project that balances the importance of **safety** as well as **environmental stewardship and enhancing the local community**. This commitment has been demonstrated by the Company's strong community involvement that has been received favorably during the current advanced exploration phase.

- **On 1 May 2023 the Company met with Pidie Regent Wahyudi Adisiswanto** who was accompanied by the **Pidie Police Chief AKBP Imam Asfali and the Commander of the Army (Dandim) 0102 Pidie Lt. Col. Inf Abdul Jamal Husin**. The Pidie Regent expressed his gratitude for the Company's commitment to investing in Aceh and his hopes that FEG will commence production at Woyla, in order to improve the welfare of the surrounding community. The **Chief of Police and Dandim also offered their full support to FEG** in conducting its operations in accordance with applicable regulations.

- On 2 May 2023, members of FEG's board and senior management visited the Woyla Anak Perak main camp located in Geumpang District, Pidie Regency, and were greeted by the traditional dance "Ranup Lampuan" presented by Geumpang local children. The visit then continued to the drilling location in the area of Pulo Lhoih Village, Geumpang District. During this visit, the Head of Pulo Lhoih Village accompanied the team from FEG.

- In the evening, the Company had the opportunity to meet and dine **with the Geumpang and Mane District Leaders as well as the other senior village leaders** who reside in the operational area of Woyla. The sub-district head, the police chief, the Army Chief, and local community leaders had an open discussion directly with FEG and confirmed they **are very happy with the Company's approach to community and public relations** as this is the "**first time they could meet directly with the senior management of companies operating in their area**, different from the companies before FEG".

- Currently, **a large portion of Woyla's exploration support services is being sourced through the local communities via a co-op program initiated by FEG to assist in enhancing local prosperity and capabilities.**

ABOUT FAR EAST GOLD

Far East Gold Limited (ASX: FEG) is an ASX listed copper/gold exploration company with six advanced projects in Australia and Indonesia.

The Company's Woyla Copper Gold Project is a 24,260 ha 6th generation Contract of Work located in the Aceh region of North Sumatra, Indonesia. In the Company's opinion this project was one of the most highly prospective undrilled copper gold projects in South-East Asia with the potential to host high grade epithermal and porphyry deposits. FEG holds a 51% interest in the project that will increase to 80% upon the Company's completion of a feasibility study and definition of a maiden JORC resource estimate for the project.

Release approved by the company's board of directors.
