About Alicanto Minerals

Alicanto Minerals Ltd (ASX: AQL) is pursuing aggressive exploration campaigns in Sweden's highly-regarded mining region of Bergslagen. These include exploring its tenements around the world class Falun copper-gold and polymetallic skarn project as well as seeking to identify high-grade silver extensions at the historic Sala silver-zinc-lead deposit and to build upon its maiden Inferred Resource (refer ASX release dated 13 July 2022).

Alicanto is considering a range of strategic funding options to continue progressing its Swedish exploration activities, in conjunction with reviewing advanced projects for potential acquisition. The Company remains committed to creating shareholder value by discovering, growing and developing precious and base metal resources in tier-one locations.

The strategy is driven by a Board and Management team comprising a broad range of expertise, including extensive technical, operational, financial and commercial skills as well as experience in mining exploration, strategy, venture capital, acquisitions and corporate finance.
