Delay in Lodgement of Half-Year Financial Report

Sustainable land management company **Fertoz Limited (Fertoz or the Company)** (ASX:FTZ) advises that there will be a delay in the lodgement of its Half-Year Financial Report for the half year ending 30 June 2023.

The delay is to allow the Company's Auditor, BDO Audit Pty Ltd, time to finalise its review, which is now well progressed. While the Company had anticipated that the review would be finalised to allow for the release of the Half-Year Financial Report by 13 September 2023, the steps taken to ensure the thoroughness of the review process in regard to share based payments have caused delay.

The Company expects to be in a position to lodge the Half-Year Financial Report shortly following the finalisation of the review which it apprehends will be within the next five business days.
