

16 December 2024

Change of Company Name to Breakthrough Minerals Limited

Intra Energy Corporation Limited (ASX:IEC) ("IEC" or "the Company") hereby advises that the Australian Securities and Investments Commission (ASIC) has provided the Certificate of Change of Name to the Company, confirming the new name of Breakthrough Minerals Limited.

The name change was approved by the requisite majority of shareholders as a special resolution at the Annual General Meeting held on 29 November 2024.

Subsequent to the completion of the consolidation the Company has now received confirmation from the Australian Securities Exchange (ASX) that the Company's securities will be listed as Breakthrough Minerals Ltd under the ASX ticker code of BTM, effective from Tuesday 17 December 2024.

Shareholders are not required to take any action as the change of name and ASX ticker will be processed automatically.

This announcement has been approved for release by the board of Intra Energy Corporation Ltd

About IEC:

IEC is currently focused on the development of two highly prospective and underexplored projects in Australia and Canada respectively:

Maggie Hays Gold and Lithium Project – located in Western Australia near Esperance is an 80% owned joint venture cover 49 km² targeting lithium as spodumene, tantalum, niobium and Archean lode gold mineralisation.

Llama Lithium Project – in the prolific James Bay Region of Québec, Canada, comprising 123 mineral claims for 63km², with reported outcropping pegmatites.

The company combines many years of experience of developing major projects, with a highly skilled board and demonstrated track record of success.
