Should you wish to discuss the matters in this Notice of Meeting please do not hesitate to contact the Company on +61 8 6102 2039.

3. FINANCIAL STATEMENTS AND REPORTS

In accordance with the Constitution, the business of the Meeting will include receipt and consideration of the annual financial report of the Company for the financial year ended 30 June 2025 together with the declaration of the Directors, the Directors' report, the Remuneration Report and the auditor's report.

The Company will not provide a hard copy of the Company's annual financial report to Shareholders unless specifically requested to do so. The Company's annual financial report is available on its website at www.orangeminerals.com.au.

4. RESOLUTION 1 – ADOPTION OF REMUNERATION REPORT

4.1 General

The Corporations Act requires that at a listed company's annual general meeting, a resolution that the remuneration report be adopted must be put to the shareholders. However, such a resolution is advisory only and does not bind the company or the directors of the company.

The remuneration report sets out the company's remuneration arrangements for the directors and senior management of the company. The remuneration report is part of the directors' report contained in the annual financial report of the company for a financial year.

The chair of the meeting must allow a reasonable opportunity for its shareholders to ask questions about or make comments on the remuneration report at the annual general meeting.

4.2 Voting consequences

A company is required to put to its shareholders a resolution proposing the calling of another meeting of shareholders to consider the appointment of directors of the company (**Spill Resolution**) if, at consecutive annual general meetings, at least 25% of the votes cast on a remuneration report resolution are voted against adoption of the remuneration report and at the first of those annual general meetings a Spill Resolution was not put to vote. If required, the Spill Resolution must be put to vote at the second of those annual general meetings.

If more than 50% of votes cast are in favour of the Spill Resolution, the company must convene a shareholder meeting within 90 days of the second annual general meeting.

At the Company's previous annual general meeting the votes cast against the remuneration report considered at that annual general meeting were less than 25%. Accordingly, the Spill Resolution is not relevant for this Annual General Meeting.

5. RESOLUTION 2 – RE-ELECTION OF DIRECTOR – CAMPBELL SMYTH

5.1 General

The Constitution sets out the requirements for determining which Directors are to retire by rotation at an annual general meeting.

The Directors have resolved to agree that Mr Campbell Smyth, who has served as a Director since 24 August 2021 and last re-elected on 28 November 2024, retires and be eligible for re-election.

5.3 Independence

If elected, the Board considers Mr Smyth will be an independent director.

5.4 Board recommendation

The Board, other than Mr Smyth, supports the re-election of Mr Smyth and recommends that Shareholders vote in favour of Resolution 2.

6. RESOLUTION 3 – ELECTION OF DIRECTOR – JOHNATHON BUSIING

6.1 General

The Constitution allows the Directors to appoint at any time a person to be a Director either to fill a casual vacancy or as an addition to the existing Directors, but only where the total number of Directors does not at any time exceed the maximum number specified by the Constitution. Pursuant to the Constitution and Listing Rule 70.2, any Director so appointed holds office only until the next annual general meeting and is then eligible for election by Shareholders but shall not be taken into account in determining the Directors who are to retire by rotation (if any) at that meeting.

Johnathon Busing, having been appointed by the Board on 4 November 2024, retires and being eligible, seeks election from Shareholders.

He is the Founder and Director of Eleven Corporate and an experienced Company Secretary, advising ASX-listed companies on compliance, mergers and acquisitions, and statutory accounting requirements. He is a member of Chartered Accountants Australia and New Zealand and holds a Public Practice Certificate.

Mr Busing is currently a Non-Executive Director of Mantle Minerals Limited (ASX:MTL).

6.3 Independence

If elected, the Board considers Mr Busing will be an independent director.

6.4 Board recommendation

The Board, other than Mr Busing, supports the re-election of Mr Busing and recommends that Shareholders vote in favour of Resolution 3.

7. RESOLUTION 4 – ELECTION OF DIRECTOR – NADIA ABDUL AZIZ

7.1 General

Refer to section 6.1 for details on the rules in the Constitution regarding the appointment of Directors by the Board.

Nadia Abdul Aziz, having been appointed by the Board on 24 July 2025, retires and being eligible, seeks election from Shareholders.

7.2 Qualification and other material directorships

experience, having previously served as a Non-Executive Director of Asante Gold Corporation, a gold exploration and development company with operations in Ghana. Currently, Mrs Aziz serves as a Director of Jada Mining Limited in Burkina Faso and Induusi Resources in Ghana, where she plays key roles in license acquisition and leads corporate social responsibility initiatives.

7.3 Independence

If elected, the Board considers Mrs Aziz will be an independent director.

7.4 Board recommendation

The Board, other than Mrs Aziz, supports the re-election of Mrs Aziz and recommends that Shareholders vote in favour of Resolution 4.

8. RESOLUTION 5 – RATIFICATION OF APPOINTMENT OF AUDITOR

On 21 October 2025, in accordance with section 327C of the Corporations Act, the Company appointed Stantons International Audit and Consulting Pty Ltd (**Stantons**) as auditor of the Company following the Australian Securities and Investments Commission's (ASIC) consent to the resignation of the Company's previous auditor, Criterion Audit Pty Ltd, in accordance with section 329(5) of the Corporations Act.

Following the above appointment, and in accordance with section 327C(2) of the Corporations Act, Stantons holds office as auditor of the Company until the Company's next Annual General Meeting, being the Meeting the subject of this Notice.

In accordance with section 327B(1)(b) of the Corporations Act, the Company now seeks Shareholder approval for the ongoing appointment of Stantons as auditor of the Company and its controlled entities.

In accordance with section 328B of the Corporations Act, notice in writing nominating Stantons as auditor of the Company has been given to the Company by a Shareholder. A copy of this notice is attached to this Notice as Annexure A.

Stantons has provided to the Company and has not withdrawn its consent to act as auditor of the Company in accordance with section 328A(1) of the Corporations Act.

Resolution 5 is an ordinary resolution.

The Board recommends that Shareholders vote in favour of this Resolution.

9. RESOLUTION 6 – APPROVAL OF 10% PLACEMENT CAPACITY

9.1 General

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of Equity Securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary securities it had on issue at the start of that period.

However, under Listing Rule 7.1A, an eligible entity may seek shareholder approval by way of a special resolution passed at its annual general meeting to increase this 15% limit by an extra 10% to 25% (**7.1A Mandate**).

An 'eligible entity' means an entity which is not included in the S&P/ASX 300 Index and has a market capitalisation of \$300,000,000 or less. The Company is an eligible entity for these purposes. As at the date of this Notice, the Company is an 'eligible entity' as it is not included in the S&P/ASX 300 Index and has a current market capitalisation of \$300,000,000 or less.

This Resolution seeks Shareholder approval by way of special resolution for the Company to have the additional 10% placement capacity provided for in Listing Rule 7.1A to issue Equity Securities without Shareholder approval.

9.2 Technical information required by Listing Rule 14.1A

If this Resolution is passed, the Company will be able to issue Equity Securities up to the combined 25% limit in Listing Rules 7.1 and 7.1A without any further Shareholder approval.

If this Resolution is not passed, the Company will not be able to access the additional 10% capacity to issue Equity Securities without Shareholder approval under Listing Rule 7.1A, and will remain subject to the 15% limit on issuing Equity Securities without Shareholder approval set out in Listing Rule 7.1.

9.3 Technical information required by Listing Rule 7.1A

Pursuant to and in accordance with Listing Rule 7.3A, the information below is provided in relation to this Resolution:

(a) Period for which the 7.1A Mandate is valid

The 7.1A Mandate will commence on the date of the Meeting and expire on the first to occur of the following:

- (i) the date that is 12 months after the date of this Meeting;
- (ii) the time and date of the Company's next annual general meeting; or
- (iii) the time and date of approval by Shareholders of any transaction under Listing Rule 11.1.2 (a significant change in the nature or scale of activities) or Listing Rule 11.2 (disposal of the main undertaking).

(b) Minimum Price

Any Equity Securities issued under the 7.1A Mandate must be in an existing quoted class of Equity Securities and be issued at a minimum price of 75% of the volume weighted average price of Equity Securities in that class, calculated over the 15 Trading Days on which trades in that class were recorded immediately before:

- (i) the date on which the price at which the Equity Securities are to be issued is agreed by the entity and the recipient of the Equity Securities; or
- (ii) if the Equity Securities are not issued within 10 Trading Days of the date in Section 9.3(b)(i), the date on which the Equity Securities are issued.

(c) Use of funds raised under the 7.1A Mandate

The Company may only seek to issue the Equity Securities under the 7.1A Mandate for cash consideration. The Company intends to use funds raised from issues of Equity Securities under the 7.1A Mandate towards:

- (i) continued exploration expenditure on the Company's current assets/or projects;

- (ii) the development of the Company's current business;
- (iii) the acquisition of new resources, assets and investments (including expenses associated with such an acquisition); and
- (iv) general working capital.

(d) **Risk of Economic and Voting Dilution**

Any issue of Equity Securities under the 7.1A Mandate will dilute the interests of Shareholders who do not receive any Shares under the issue.

If this Resolution is approved by Shareholders and the Company issues the maximum number of Equity Securities available under the 7.1A Mandate, the economic and voting dilution of existing Shares would be as shown in the table below.

The table below shows the dilution of existing Shareholders calculated in accordance with the formula outlined in Listing Rule 7.1A.2, on the basis of the closing market price of Shares and the number of Equity Securities on issue as at 20 October 2025 (being \$0.088). The table also shows the voting dilution impact where the number of Shares on issue (Variable A in the formula) changes and the economic dilution where there are changes in the issue price of Shares issued under the 7.1A Mandate.

Number of Shares on Issue (Variable A in Listing Rule 7.1A.2)		Shares issued – 10% voting dilution	Dilution		
			Issue Price		
			0.044	0.088	0.0132
			50% decrease	Issue Price	50% increase
			Funds Raised		
Current	169,585,608	16,958,560	\$746,176	\$1,492,353	\$2,238,529
50% increase	248,428,412	24,842,841	\$1,119,265	\$2,238,530	\$3,357,795
100% increase	331,237,882	33,123,788	\$1,492,353	\$2,984,706	\$4,477,059

The table above uses the following assumptions:

- There are currently 169,585,608 Shares on issue.
- The issue price set out above is the closing market price of Shares as at 20 October 2025 (being \$0.088).
- The Company issues the maximum possible number of Equity Securities under the 7.1A Mandate.
- The issue of Equity Securities under the 7.1A Mandate consists only of Shares. It is assumed that no Options are exercised into Shares before the date of the Equity Securities. If the issue of Equity Securities includes quoted Options, it is assumed that those quoted Options are exercised into Shares for the purpose of calculating the voting dilution effect on existing Shareholders.
- The calculations above do not show the dilution that any one particular Shareholder will be subject to. All Shareholders should consider the dilution caused to their own shareholding depending on their specific circumstances.
- This table does not set out any dilution pursuant to approvals under Listing Rule 7.1 unless otherwise disclosed.

7. The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%.
8. The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the 7.1A Mandate, based on that Shareholder's holding at the date of the Meeting.

Shareholders should note that there is a risk that:

- (i) the market price for the Company's Shares may be significantly lower on the issue date than on the date of the Meeting; and
- (ii) the Shares may be issued at a price that is at a discount to the market price for those Shares on the date of issue.

(e) Allocation policy under the 7.1A Mandate

The recipients of the Equity Securities to be issued under the 7.1A Mandate have not yet been determined. However, the recipients of Equity Securities could consist of current Shareholders or new investors (or both), none of whom will be related parties of the Company.

The Company will determine the recipients at the time of the issue under the 7.1A Mandate, having regard to the following factors:

- (i) the purpose of the issue;
- (ii) alternative methods for raising funds available to the Company at that time, including, but not limited to, an entitlement issue, share purchase plan, placement or other offer where existing Shareholders may participate;
- (iii) the effect of the issue of the Equity Securities on the control of the Company;
- (iv) the circumstances of the Company, including, but not limited to, the financial position and solvency of the Company;
- (v) prevailing market conditions; and
- (vi) advice from corporate, financial and broking advisers (if applicable).

(f) Previous approval under Listing Rule 7.1A

The Company previously obtained approval from its Shareholders pursuant to Listing Rule 7.1A at its annual general meeting held on 28 November 2024.

During the 12-month period preceding the date of the Meeting, being on and from 28 November 2024, the Company issued 10,334,659 Shares at an issue price of \$0.03 each on 28 April 2025. The issue of these Equity Securities raised \$310,040 as part of a broader placement by the Company raising approximately \$1 million (before costs) to finalise due diligence on the Tapa Project, to support exploration on the Company's existing portfolio and for general working capital. As at the date of this Notice, the Company estimates it has spent approximately 50% of the funds raised. It is not possible to state the exact amount of funds used and remaining, however Shareholders are referred to the Company's Quarterly Report to 30 June 2025 which reported the Company's cash balance of approximately \$658,000 at the end of that period. The issue of Equity Securities represented approximately 9.5% of the total number of Equity Securities on issue as at the date of the Previous Approval, and represented 6.3% discount to the market price of shares on the date of issue. The issue of these Equity Securities was ratified by Shareholders on 30 June 2025.

(g) **Voting Exclusion Statement**

As at the date of this Notice, the Company is not proposing to make an issue of Equity Securities under Listing Rule 7.1A. Accordingly, a voting exclusion statement is not included in this Notice.
