IMPORTANT INFORMATION

TIME AND PLACE OF MEETING

Notice is given that the Annual General Meeting of the Shareholders of Resources & Energy Group Limited (the Company) to which this Notice of Meeting relates will be held at 10.00am (AEDT) on Friday 28 November 2025 at:

Resources & Energy Group Limited
Suite 301, Level 3
66 Hunter Street
Sydney, New South Wales

Your vote is important

The business of the Annual General Meeting affects your shareholding and your vote is important.

Voting Eligibility

The Directors have determined pursuant to Regulation 7.11.37 of the *Corporations Regulations 2001* (Cth) that the persons eligible to vote at the Annual General Meeting are those who are registered Shareholders at 7.00pm (EST) on 26 November 2025.

Voting in Person

To vote in person, attend the virtual Annual General Meeting at the time, date and place set out above. Voting at the Meeting will be conducted via a poll. You may still attend the online Meeting and vote even if you have lodged a proxy.

If you have previously submitted a Proxy Form, your attendance will not revoke your proxy appointment unless you actually vote at the virtual meeting, in which case, the proxy's appointment is deemed to be revoked with respect to voting on that resolution.

In the case of joint Shareholders, all holders may attend the Meeting but only one holder may vote at the Meeting in respect of the relevant Shares (including by proxy). If more than one joint holder is present, and more than one of the joint holders vote in respect of the relevant Shares, only the vote of the joint holder whose name stands first in the register in respect of the relevant Shares is counted.

If you are voting by proxy

To vote by proxy, please complete and sign the enclosed Proxy Form and return by the time and in accordance with the instructions set out on the Proxy Form.

In accordance with section 249L of the Corporations Act, members are advised that:

- each member has a right to appoint a proxy;
- the proxy need not be a member of the Company; and
- a member who is entitled to cast 2 or more votes may appoint 2 proxies and may specify the proportion or number of votes each proxy is appointed to exercise. If the member appoints 2 proxies and the appointment does not specify the proportion or number of the member's votes, then in accordance with section 249X(3) of the Corporations Act, each proxy may exercise one-half of the votes.

Shareholders and their proxies should be aware that changes to the Corporations Act made in 2011 mean that:

- if proxy holders vote, they must cast all directed proxies as directed; and
- any directed proxies which are not voted will automatically default to the Chair, who must vote the proxies as directed.

Further details on these changes are set out below.

Proxy vote if appointment specifies way to vote

Section 250BB(1) of the Corporations Act provides that an appointment of a proxy may specify the way the proxy is to vote on a particular resolution and, **if it does**:

- the proxy need not vote on a show of hands, but if the proxy does so, the proxy must vote that way (i.e. as directed); and
- if the proxy has 2 or more appointments that specify different ways to vote on the resolution, the proxy must not vote on a show of hands; and
- if the proxy is the chair of the meeting at which the resolution is voted on, the proxy must vote on a poll, and must vote that way (i.e. as directed); and
- if the proxy is not the chair, the proxy need not vote on the poll, but if the proxy does so, the proxy must vote that way (i.e. as directed).

Transfer of non-chair proxy to chair in certain circumstances

Section 250BC of the Corporations Act provides that, if:

- an appointment of a proxy specifies the way the proxy is to vote on a particular resolution at a meeting of the Company's members; and
- the appointed proxy is not the chair of the meeting; and
- at the meeting, a poll is duly demanded on the resolution; and
- either of the following applies:
 - the proxy is not recorded as attending the meeting; or
 - the proxy does not vote on the resolution,

the chair of the meeting is taken, before voting on the resolution closes, to have been appointed as the proxy for the purposes of voting on the resolution at the meeting.

EXPLANATORY STATEMENT

This Explanatory Statement has been prepared to provide information which the Directors believe to be material to Shareholders in deciding whether or not to pass the Resolutions which are the subject of the business of the Meeting.

1. FINANCIAL STATEMENTS AND REPORTS

In accordance with the Constitution, the business of the Meeting will include receipt and consideration of the annual financial report of the Company for the financial year ended 30 June 2025 together with the declaration of the directors, the directors' report, the Remuneration Report and the auditor's report.

The Company will not provide a hard copy of the Company's annual financial report to Shareholders unless specifically requested to do so. The Company's annual financial report is available on the Company's web site or on the ASX platform for "REZ" at www.asx.com.au.

There is no requirement for shareholders to approve these reports. However, the Chairman will allow a reasonable opportunity for shareholders to ask questions about, or make comments on, the operations and management of REZ. Shareholders will be given a reasonable opportunity to ask the auditor questions about the conduct of the audit, the preparation and content of the Auditor's Report, the accounting policies adopted by REZ in relation to the preparation of the Financial Statements and the independence of the auditor in relation to the conduct of the audit.

2. RESOLUTION 1 – ADOPTION OF REMUNERATION REPORT

2.1 General

The Corporations Act requires that at a listed company's annual general meeting, a resolution that the Remuneration Report be adopted must be put to the Shareholders. However, such a Resolution is advisory only and does not bind the Directors or the Company.

The Remuneration Report sets out the Company's remuneration arrangements for the Directors and senior management of the Company. The Remuneration Report is part of the Directors' report contained in the annual financial report of the Company for the financial year ending 30 June 2025.

A reasonable opportunity will be provided for discussion of the Remuneration Report at the Annual General Meeting.

2.2 Voting consequences

Under Corporations Act 2001, if at least 25% of the votes cast on a remuneration report resolution are voted against adoption of the remuneration report in two consecutive annual general meetings, the Company will be required to put to Shareholders a resolution proposing the calling of an extraordinary general meeting to consider the appointment of directors of the Company (**Spill Resolution**) at the second annual general meeting.

If more than 50% of shareholders vote in favour of the Spill Resolution, the company must convene the extraordinary general meeting (**Spill Meeting**) within 90 days of the second annual general meeting.

All of the directors of the company who were in office when the directors' report (as included in the Company's annual financial report for the financial year ended immediately before the second annual general meeting) was approved, other than the managing director of the company, will cease to hold office immediately before the end of the Spill Meeting but may stand for re-election at the Spill Meeting.

At the Company's previous annual general meeting no votes were cast against the remuneration report considered at that annual general meeting. Accordingly, the Spill resolution is not relevant for this Annual General Meeting.

2.3 Voting Prohibition Statement:

A vote on this Resolution must not be cast (in any capacity) by or on behalf of any of the following persons:

- (a) a member of the Key Management Personnel (KMP), details of whose remuneration are included in the Remuneration Report; or
- (b) a Closely Related Party of such a member.

KMP or their closely related parties cannot cast a vote as a proxy for a shareholder entitled to cast a vote if the proxy is not directed on how to vote on Advisory Resolution 1, unless:

- (a) the KMP is the Chairman of the Meeting; and
- (b) the appointment of the Chairman as proxy expressly authorises him to exercise the proxy in accordance with a direction to vote as he decides, even though Advisory Resolution 1 is connected directly with the remuneration of a KMP.

In accordance with section 250BD of the Corporations Act, a vote must not be cast on Advisory Resolution 1 as a proxy by a member of the KMP at the date of the AGM, or a closely related party of those persons, unless it is cast as proxy for a person entitled to vote in accordance with their directions. This restriction on voting undirected proxies does not apply to the Chairman of the Meeting where the proxy appointment expressly authorises the Chairman of the meeting to exercise undirected proxies even if the resolution is connected, directly or indirectly, with the remuneration of the KMP.

The non-executive directors recommend that you vote in favour of this advisory resolution.

3. RESOLUTION 2 – RE-ELECTION OF DIRECTOR – MR RICHARD POOLE

Clause 13.2 of the Constitution requires that at the Company's annual general meeting in every year, one-third of the Directors for the time being, or, if their number is not a multiple of 3, then the number nearest one-third, shall retire from office, provided always that no Director (except a Managing Director) shall hold office for a period in excess of 3 years, or until the third annual general meeting following his or her appointment, whichever is the longer, without submitting himself or herself for re-election.

A Director who retires by rotation under clause 13.2 of the Constitution is eligible for re-election pursuant to clause 13.3 of the Constitution.

The Company currently has three Directors, two non-executive Directors excluding the Managing Director, and accordingly one must retire.

Mr Poole commenced his career as a lawyer specialising in mergers and acquisitions. He left the law in 1990 to build a research and development operation with operations in Japan, USA and Australia and added a manufacturing company in China in 1994. He successfully built the R&D company from its early stages to a public listed vehicle raising the necessary capital up to his departure in 1999. Since 1999 he has continued his involvement in fund raising and the development of companies. He is a principal of Arthur Phillip Pty Limited a corporate advisory firm providing investment services and he is an experienced corporate advisor and entrepreneur.

If re-elected the Board considers Mr Poole not to be an independent director due to his previous role as CEO and level of shareholding in the Company.

The Board, other than Mr Poole, unanimously supports the re-election of Mr Poole as a Director and recommends that Shareholders vote in favour of Resolution 2.

4. RESOLUTION 3 – APPROVAL OF 10% PLACEMENT CAPACITY

4.1 General

ASX Listing Rule 7.1A provides that an Eligible Entity may seek shareholder approval by special resolution passed at its annual general meeting to have the capacity to issue up to that number of Equity Securities equal to 10% of its issued capital (**10% Placement Capacity**) without using the entity's existing 15% annual placement capacity granted under ASX Listing Rule 7.1.

If Shareholders approve Resolution 3, the number of Equity Securities the Eligible Entity may issue under the 10% Placement Capacity will be determined in accordance with the formula prescribed in ASX Listing Rule 7.1A.2 (as set out in section 4.2 below).

The effect of Resolution 3 will be to allow the Company to issue Equity Securities up to 10% of the Company's fully paid ordinary securities on issue under the 10% Placement Capacity during the period of the earlier of up to 12 months after the Meeting or the time and date of the Company's next annual general meeting (as set out in Listing Rule 7.1A.1(b)). An issue of Equity Securities could then be made without subsequent Shareholder approval and without using the Company's 15% annual placement capacity granted under Listing Rule 7.1. If Resolution 3 is not passed by Shareholders the Company will be limited to only issuing up to its 15% annual placement capacity granted under ASX Listing Rule 7.1 without further approval by Shareholders.

Shareholders passed a similar resolution at the 2024 annual general meeting, however that approval will lapse 12-months after its approval due to the operation of the Listing Rules.

Resolution 3 is a **special resolution**. Accordingly, at least 75% of votes cast by Shareholders present and eligible to vote at the Meeting must be in favour of Resolution 3 for it to be passed.

4.2 ASX Listing Rule 7.1A

ASX Listing Rule 7.1A enables an Eligible Entity to seek shareholder approval at its annual general meeting to issue Equity Securities in addition to those under the Eligible Entity's 15% annual placement capacity.

An Eligible Entity is one that, as at the date of the relevant annual general meeting:

- (a) is not included in the S&P/ASX 300 Index; and
- (b) has a maximum market capitalisation (excluding restricted securities and securities quoted on a deferred settlement basis) of \$300 million.

As at the date of this Notice, the Company is an Eligible Entity as it is not included in the S&P/ASX 300 Index and has a current market capitalisation of \$17,728,000 (based on the number of Shares on issue and the closing price of Shares on the ASX on 22 October 2025 and excluding any restricted securities that may be on issue).

Any Equity Securities issued must be in the same class as an existing class of quoted Equity Securities. The Company currently has one class of quoted Equity Security on issue, being the Shares (ASX Code: REZ).

The exact number of Equity Securities that the Company may issue under an approval under Listing Rule 7.1A will be calculated according to the formula contained in Rule 7.1A.2.

4.3 Technical information required by ASX Listing Rule 7.1A

Pursuant to and in accordance with ASX Listing Rule 7.3A, the information below is provided in relation to this Resolution 6:

(a) Minimum Price

The minimum price at which the Equity Securities may be issued is 75% of the volume weighted average price of Equity Securities in that class, calculated over the 15 ASX trading days on which trades in that class were recorded immediately before:

- (i) the date on which the price at which the Equity Securities are to be issued is agreed; or
- (ii) if the Equity Securities are not issued within 10 ASX trading days of the date in section 4.3(a)(i), the date on which the Equity Securities are issued.

(b) Date of Issue

The Equity Securities may be issued under the 10% Placement Capacity commencing on the date of the Meeting and expiring on the first to occur of the following:

- (i) 12 months after the date of this Meeting;
- (ii) the date and time of the Company's next annual general meeting; and
- (iii) the date of approval by Shareholders of any transaction under ASX Listing Rules 11.1.2 (a significant change to the nature or scale of the Company's activities) or 11.2 (disposal of the Company's main

undertaking) (after which date, an approval under Listing Rule 7.1A ceases to be valid),

(10% Placement Capacity Period).

(c) Risk of voting dilution

Any issue of Equity Securities under the 10% Placement Capacity will dilute the interests of Shareholders who do not receive any Shares under the issue.

If Resolution 3 is approved by Shareholders and the Company issues the maximum number of Equity Securities available under the 10% Placement Capacity, the economic and voting dilution of existing Shares would be as shown in the table below.

The table below shows the dilution of existing Shareholders calculated in accordance with the formula outlined in ASX Listing Rule 7.1A.2, on the basis of the current market price of Shares and the current number of Equity Securities on issue as at 22 October 2025.

The table also shows the voting dilution impact where the number of Shares on issue (Variable A in the formula) changes and the economic dilution where there are changes in the issue price of Shares issued under the 10% Placement Capacity.

Number of Shares on Issue	Dilution			
	Issue Price (per Share)	\$0.0115 50% decrease in Issue Price	\$0.023 Issue Price	\$0.046 100% increase in Issue Price
770,805,921 (Current Variable A)	Shares issued - 10% voting dilution	77,280,592 Shares	77,280,592 Shares	77,280,592 Shares
	Funds raised	\$888,727	\$1,777,454	\$3,554,907
1,159,208,882 (Variable A with 50% increase in Variable A)	Shares issued - 10% voting dilution	115,920,888 Shares	115,920,888 Shares	115,920,888 Shares
	Funds raised	\$1,333,090	\$2,666,180	\$5,332,361
1,545,611,842 (Variable A with 100% increase in Variable A)	Shares issued - 10% voting dilution	154,561,184 Shares	154,561,184 Shares	154,561,184 Shares
	Funds raised	\$1,777,454	\$3,554,907	\$7,109,814

*The number of Shares on issue (Variable A in the formula) could increase as a result of the issue of Shares that do not require Shareholder approval (such as under a pro- rata rights issue or scrip issued under a takeover offer) or that are issued with Shareholder approval under Listing Rule 7.1.

The table above uses the following assumptions:

1. There are 772,805,921 Shares currently on issue.
2. The issue price set out above is the closing price of the Shares on the ASX on 22 October 2025.
3. The Company issues the maximum possible number of Equity Securities under the 10% Placement Capacity.
4. The Company has not issued any Equity Securities in the 12 months prior to the Meeting that were not issued under an exception in ASX Listing Rule 7.2 or with approval under ASX Listing Rule 7.1.
5. The issue of Equity Securities under the 10% Placement Capacity consists only of Shares. It is assumed that no Options are exercised into Shares before the date of issue of the Equity Securities.
6. The calculations above do not show the dilution that any one particular Shareholder will be subject to. All Shareholders should consider the dilution caused to their own shareholding depending on their specific circumstances.
7. This table does not set out any dilution pursuant to approvals under ASX Listing Rule 7.1 unless otherwise disclosed.
8. The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%.

9. The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the 10% Placement Capacity, based on that Shareholder's holding at the date of the Meeting.

Shareholders should note that there is a risk that:

- (i) the market price for the Company's Shares may be significantly lower on the issue date than on the date of the Meeting; and
- (ii) the Shares may be issued at a price that is at a discount to the market price for those Shares on the date of issue.

(d) Purpose of Issue under 10% Placement Capacity

The Company may issue Equity Securities under the 10% Placement Capacity as cash consideration. The Company intends to use funds raised for the potential acquisition of assets and investments (including expenses associated with such an acquisition) and continued exploration or operating expenditure on the Company's current assets.

(e) Compliance with ASX Listing Rules 7.1A.4 and 3.10.3

When the Company issues Equity Securities pursuant to the 10% Placement Capacity, it must give to ASX:

- (i) a list of the recipients of the Equity Securities and the number of Equity Securities issued to each (not for release to the market), in accordance with Listing Rule 7.1A.4; and
- (ii) the information required by Listing Rule 3.10.3 for release to the market.

(f) Allocation policy under the 10% Placement Capacity

The Company's allocation policy for the issue of Equity Securities under the 10% Placement Capacity will be dependent on the prevailing market conditions at the time of the proposed placement(s).

The recipients of the Equity Securities to be issued under the 10% Placement Capacity have not yet been determined. However, the recipients of Equity Securities could consist of current Shareholders or new investors (or both), none of whom will be related parties of the Company.

The Company will determine the recipients at the time of the issue under the 10% Placement Capacity, having regard to the following factors:

- (i) the purpose of the issue;
- (ii) alternative methods for raising funds available to the Company at that time, including, but not limited to, an entitlement issue or other offer where existing Shareholders may participate;
- (iii) the effect of the issue of the Equity Securities on the control of the Company;
- (iv) the circumstances of the Company, including, but not limited to, the financial position and solvency of the Company;

- (v) prevailing market conditions; and
- (vi) advice from corporate, financial and broking advisers (if applicable).

Further, if the Company is successful in acquiring new resources, assets or investments, it is likely that the recipients under the 10% Placement Capacity will be vendors of the new resources, assets or investments.

(g) Previous approval under ASX Listing Rule 7.1A

The Company previously obtained approval from its Shareholders pursuant to ASX Listing Rule 7.1A at its annual general meeting held on 26 November 2024 (**Previous Approval**).

The Company has not issued Equity Securities pursuant to the Previous Approval.

- (h)** Details of all Equity Securities issued by the Company during the 12 months preceding the date of the Meeting are set out in the table below.

If this information is incorrect, and you have an Issuer Sponsored holding, you can update your address through the investor portal: <https://investor.automic.com.au/#/home> Shareholders sponsored by a broker should advise their broker of any changes.

STEP 1 - APPOINT A PROXY

If you wish to appoint someone other than the Chair of the Meeting as your proxy, please write the name of that Individual or body corporate. A proxy need not be a Shareholder of the Company. Otherwise if you leave this box blank, the Chair of the Meeting will be appointed as your proxy by default.

DEFAULT TO THE CHAIR OF THE MEETING

Any directed proxies that are not voted on a poll at the Meeting will default to the Chair of the Meeting, who is required to vote these proxies as directed. Any undirected proxies that default to the Chair of the Meeting will be voted according to the instructions set out in this Proxy Voting Form, including where the Resolutions are connected directly or indirectly with the remuneration of Key Management Personnel.

STEP 2 - VOTES ON ITEMS OF BUSINESS

You may direct your proxy how to vote by marking one of the boxes opposite each item of business. All your shares will be voted in accordance with such a direction unless you indicate only a portion of voting rights are to be voted on any item by inserting the percentage or number of shares you wish to vote in the appropriate box or boxes. If you do not mark any of the boxes on the items of business, your proxy may vote as he or she chooses. If you mark more than one box on an item your vote on that item will be invalid.

APPOINTMENT OF SECOND PROXY

You may appoint up to two proxies. If you appoint two proxies, you should complete two separate Proxy Voting Forms and specify the percentage or number each proxy may exercise. If you do not specify a percentage or number, each proxy may exercise half the votes. You must return both Proxy Voting Forms together. If you require an additional Proxy Voting Form, contact Automic Registry Services.
