- **Event:** Morgan Stanley National Security & Critical Materials Virtual Symposium
- **Presenter:** Michael Walshe, Managing Director & CEO, Metallium Ltd
- **Time:** U.S. – Fri 14 Nov, 9:30am ET | AUS – Fri Nov, 10:30pm AWST
- **Format:** Virtual audio-only webcast (interactive Q&A)
- **Registration:** https://morganstanley.zoom.us/webinar/register/WN_EK4UdrrFS2G9ixEtThEU6w

Event Background

The Morgan Stanley National Security & Critical Materials Symposium brings together leading policymakers, investors, and industry participants to discuss the realignment of global supply chains amid tightening Chinese export controls and rising U.S. investment in onshoring critical materials. Topics include AI and semiconductor dependencies, rare earth supply risks, and emerging technologies driving U.S. materials independence.

This announcement has been authorised for release by the Board of Directors.
