Dear Dale

Request for Voluntary Suspension

The Board of Trinex Minerals Limited ("the Company") refers to the request for a trading halt sent to the ASX on 23 February 2024.

The Company requires further time to finalise the proposed transaction and therefore requests a voluntary suspension under listing rule 17.2.

The following information is provided in relation to this request:

1. The suspension is sought as the Company is not yet in a position to finalise the proposed transaction;
2. The Company will remain in suspension until the earlier of the announcement to the market or commencement of trade on Wednesday 28 February 2024;
3. The event we expect to happen that will end the voluntary suspension is an announcement to the market; and
4. There is no other information necessary to inform the market about the voluntary suspension or that the ASX has requested.

We confirm that we are not aware of any reason why the suspension should not be granted.

Yours sincerely

Kevin Hart
Company Secretary
