¹ “Corporate governance statement” is defined in Listing Rule 19.12 to mean the statement referred to in Listing Rule 4.10.3 which discloses the extent to which an entity has followed the recommendations set by the ASX Corporate Governance Council during a particular reporting period.

Listing Rule 4.10.3 requires an entity that is included in the official list as an ASX Listing to include in its annual report either a corporate governance statement that meets the requirements of that rule or the URL of the page on its website where such a statement is located. The corporate governance statement must disclose the extent to which the entity has followed the recommendations set by the ASX Corporate Governance Council during the reporting period. If the entity has not followed a recommendation for any part of the reporting period, its corporate governance statement must separately identify that recommendation and the period during which it was not followed and state its reasons for not following the recommendation and what (if any) alternative governance practices it adopted in lieu of the recommendation during that period.

Under Listing Rule 4.7.4, if an entity chooses to include its corporate governance statement on its website rather than in its annual report, it must lodge a copy of the corporate governance statement with ASX at the same time as it lodges its annual report with ASX. The corporate governance statement must be current as at the effective date specified in that statement for the purposes of Listing Rule 4.10.3.

Under Listing Rule 4.7.3, an entity must also lodge with ASX a completed Appendix 4G at the same time as it lodges its annual report with ASX. The Appendix 4G serves a dual purpose. It acts as a key designed to assist readers to locate the governance disclosures made by a listed entity under Listing Rule 4.10.3 and under the ASX Corporate Governance Council's recommendations. It also acts as a verification tool for listed entities to confirm that they have met the disclosure requirements of Listing Rule 4.10.3.

The Appendix 4G is not a substitute for, and is not to be confused with, the entity's corporate governance statement. They serve different purposes and an entity must produce each of them separately.

² Tick whichever option is correct and then complete the page number(s) of the annual report, or the URL of the web page, where your corporate governance statement can be found. You can, if you wish, delete the option which is not applicable.

A new Managing Director was appointed 1 July 2025 with his KPIs approved by the Board in July 2025.

PRINCIPLE 2: STRUCTURE THE BOARD TO ADD VALUE

RECOMMENDATION 2.1 – NOMINATION COMMITTEE

The Board considers that the Company is not currently of a size, nor are its affairs of such complexity, to justify the establishment of a nomination committee. All matters which might otherwise be delegated to committees are dealt with by the full Board. The Board Charter sets out the procedures adopted by the Board to satisfy itself of the matters which may otherwise be dealt with by Committees. The Board Charter may be viewed at the Company's website at www.investres.com.au in the Corporate Governance section.

RECOMMENDATION 2.3 – INDEPENDENT DIRECTORS

An independent Director is a Non-Executive Director who is not a member of management and free from any business or other relationship that could materially interfere with, or could reasonably be perceived to materially interfere with, the independent exercise of judgement.

The Board regularly assesses the independence of each Non-Executive Director considering the information that each Director is required to disclose in relation to any material contract or other relationship with the Company, in accordance with the director's terms of appointment, the Corporations Act 2001, and the Board Charter.

When appointing an independent Director or reviewing the independence of its Directors, the Board will have regard to the definition of independent Director and the factors set out in the Recommendations, in particular the factors relevant to assessing the independence of a Director set out in Recommendation 2.3.

The Board's assessment of each current Director is set out below:

Director	Position	Independence Status	Appointment Date
Lachlan Wallace	Managing Director	Non-Independent	1 July 2025
Andrew Shearer	Non-Executive Director	Independent	14 July 2020
Richard Hillis	Non-Executive Chairman	Independent	1 January 2022
Andrew McIlwain*	Managing Director	Non-Independent	20 June 2018

** Mr Andrew McIlwain retired 30 June 2025*

Mr Andrew McIlwain was considered a non-independent Director on the basis of his role as Managing Director from 1 October 2019 until his retirement as MD effective 2 March 2025, and as an Executive Director on 30 June 2025.

Mr Lachlan Wallace was appointed Managing Director effective 1 July 2025. As an interim measure, Mr Shearer was appointed as Interim Managing Director for the period 3 March 2025 to 30 June 2025 to support the Company during this transition phase. The Board is of the opinion that as Mr Shearer's appointment as Interim Managing Director was a temporary part-time position, it would not materially interfere with, or could be reasonably perceived to interfere with, the independent exercise of Mr Shearer's judgement and that Mr Shearer was able to fulfil the role of independent Director for the purposes of the ASX Recommendations.

The Board has considered the holdings of shares in the Company by Non-Executive Directors and is of the opinion that their respective interests in shares will not materially interfere with, or could be reasonably perceived to interfere with, the independent exercise of their judgement in their position as a Director. The Board considers that the independent Director is otherwise free from any business or other relationship that could materially interfere with, or reasonably be perceived to interfere with, the independent exercise of his judgement, and that the Director is able to fulfil the role of independent Director for the purposes of the ASX Recommendations. The Board believe that the separation of the roles of Chairman and Managing Director, and the composition of the Board is appropriate.

Directors' shareholdings are set out in the 2025 Annual Report.

RECOMMENDATION 2.4 – MAJORITY INDEPENDENCE

The Board comprises a majority of independent directors, being Dr Richard Hillis and Mr Andrew Shearer.

As set out in the ASX Recommendations, the Board acknowledges that having a majority of independent directors makes it harder for any individual or small group of individuals to dominate the board's decision-making and maximises the likelihood that the decisions of the board will reflect the best interests of the entity and its security holders generally and not be biased towards the interests of management or any other person or group with whom a non-independent director may be associated.

RECOMMENDATION 2.5 – INDEPENDENT CHAIR

On 1 January 2022 Dr Richard Hillis was appointed as Non-Executive Chair of the Company and is considered an independent Director on the basis outlined in Recommendation 2.3.

RECOMMENDATION 4.3 – EXTERNAL AUDITOR ATTENDS AGM

The Company's external auditor is Grant Thornton Australia Limited (**Grant Thornton**).

Grant Thornton's independence declaration is contained in the Director's Report in the Company's 2025 Annual Report.

Any periodic corporate report the Company releases to the market that is not audited or reviewed by an external auditor is reviewed and approved by the Board so that it is satisfied the report in question is materially correct, balanced and provides investors with appropriate information to make an informed investment decision. Following review by the Board the report is formally approved prior to release.

RECOMMENDATION 7.3 – INTERNAL AUDIT

The Company does not have an Internal Audit function. The Board is of the view that the Company's size and scale does not currently support an independent internal audit function. The Board from time to time may utilise external parties to undertake internal audit control reviews. The Board Charter which can be viewed in the Corporate Governance section of the Company's website at (www.investres.com.au) sets out the processes the Board employs to oversee the Company's risk management framework.

RECOMMENDATION 7.4 – ECONOMIC, ENVIRONMENTAL AND SOCIAL SUSTAINABILITY RISK

Given the nature of the Company's current business and activities, it acknowledges that it inherently has exposure to a number of general risks. However, given its present circumstances and stage of development, it does not consider that it has a material exposure to any major economic, environmental or social sustainability risks at this time. It is acknowledged that this position is likely to change as the Company moves towards development of the Paris Silver Project.

The Board considers a wide range of risks as part of the Company's risk management review at an operational and strategic level, including the following:
