EXPLANATORY STATEMENT

This Explanatory Statement has been prepared to provide information which the Directors believe to be material to Shareholders in deciding whether or not to pass the Resolutions.

1. FINANCIAL STATEMENTS AND REPORTS

In accordance with the Corporations Act, the business of the Meeting will include receipt and consideration of the annual financial report of the Company for the financial year ended 30 June 2025 together with the declaration of the Directors, the Directors' report, the Remuneration Report and the auditor's report.

The Company will not provide a hard copy of the Company's annual financial report to Shareholders unless specifically requested to do so. The Company's annual financial report is available on its website at <https://relait.westcoastsilver.com.au/announcements>.

2. RESOLUTION 1 – ADOPTION OF REMUNERATION REPORT

2.1 General

The Corporations Act requires that at a listed company's annual general meeting, a resolution that the remuneration report to be adopted must be put to the shareholders. However, such a resolution is advisory only and does not bind the company or the directors of the company.

The remuneration report sets out the company's remuneration arrangements for the directors and senior management of the company. The remuneration report is part of the directors' report contained in the annual financial report of the company for a financial year.

The chair of the meeting must allow a reasonable opportunity for its shareholders to ask questions about or make comments on the remuneration report at the annual general meeting.

2.2 Voting consequences

A company is required to put to its shareholders a resolution proposing the calling of another meeting of shareholders to consider the appointment of directors of the company (**Spill Resolution**) if, at consecutive annual general meetings, at least 25% of the votes cast on a remuneration report resolution are voted against adoption of the remuneration report and at the first of those annual general meetings a Spill Resolution was not put to vote. If required, the Spill Resolution must be put to vote at the second of those annual general meetings.

If more than 50% of votes cast are in favour of the Spill Resolution, the company must convene a shareholder meeting (**Spill Meeting**) within 90 days of the second annual general meeting.

All of the directors of the company who were in office when the directors' report (as included in the company's annual financial report for the most recent financial year) was approved, other than the managing director of the company, will cease to hold office immediately before the end of the Spill Meeting but may stand for re-election at the Spill Meeting.

Following the Spill Meeting those persons whose election or re-election as directors of the company is approved will be the directors of the company.

2.3 Previous voting results

At the Company's previous annual general meeting the votes cast against the remuneration report considered at that annual general meeting were less than 25%. Accordingly, the Spill Resolution is not relevant for this Meeting.

3. RESOLUTION 2 – ELECTION OF MATTHEW BIRNEY (BOARD ENDORSED)

3.1 General

The Constitution allows the Directors to appoint at any time a person to be a Director either to fill a casual vacancy or as an addition to the existing Directors, but only where the total number of Directors does not at any time exceed the maximum number specified by the Constitution.

Pursuant to the Constitution and Listing Rule 14.4, any Director so appointed holds office only until the next annual general meeting and is then eligible for election by Shareholders but shall not be taken into account in determining the Directors who are to retire by rotation (if any) at that meeting.

If this Resolution is passed, Mr Birney will be elected to the Board as an independent Director.

If this Resolution is not passed, Mr Birney will not continue in his role as an independent Director. Term of office	Mr Reddicliffe has served as a Director since 2 November 2020 and was last re-elected on 29 November 2022.
Independence	If re-elected, the Board does not consider that Mr Reddicliffe will be an independent Director. Mr Reddicliffe has been the Executive Chairman in the last 3 years and continues to provide geological consulting services to the Company.
Board recommendation	Having received an acknowledgement from Mr Reddicliffe that they will have sufficient time to fulfil his responsibilities as a Director and having reviewed the performance of Mr Reddicliffe since his appointment to the Board and the skills, knowledge, experience and capabilities required by the Board, the Directors (other than Mr Reddicliffe) recommend that Shareholders vote in favour of this Resolution.

4.2 Technical information required by Listing Rule 14.1A

If this Resolution is passed, Mr Reddicliffe will be re-elected to the Board as Non-Executive Director.

If this Resolution is not passed, Mr Reddicliffe will not continue in his role as Non-Executive Director. The Company may seek nominations or otherwise identify suitably qualified candidates to join the Company. 5.2 Chapter 2E of the Corporations Act

Chapter 2E of the Corporations Act requires that for a public company, or an entity that the public company controls, to give a financial benefit to a related party of the public company, the public company or entity must:

- (a) obtain the approval of the public company's members in the manner set out in sections 217 to 227 of the Corporations Act; and

unless the giving of the financial benefit falls within an exception set out in sections 210 to 216 of the Corporations Act.

The issue constitutes giving a financial benefit and each of the proposed recipients is a related party of the Company by virtue of being a Director.

The Directors (other than Thomas Reddicliffe and Matthew Birney who have a material personal interest in the Resolutions) consider that Shareholder approval pursuant to Chapter 2E of the Corporations Act is not required in respect of the issue because the agreement to issue the Options, reached as part of the remuneration package for Mr Reddicliffe and Mr Birney, is considered reasonable remuneration in the circumstances and was negotiated on an arm's length basis.

5.3 Listing Rule 10.11

Listing Rule 10.11 provides that unless one of the exceptions in Listing Rule 10.12 applies, a listed company must not issue or agree to issue equity securities to:

- 10.11.5 a person whose relationship with the company or a person referred to in Listing Rules 10.11.1 to 10.11.4 is such that, in ASX's opinion, the issue or agreement should be approved by its shareholders,

unless it obtains the approval of its shareholders.

The issue falls within Listing Rule 10.11.1 and does not fall within any of the exceptions in Listing Rule 10.12. It therefore requires the approval of Shareholders under Listing Rule 10.11.

5.4 Technical information required by Listing Rule 14.1A

If these Resolutions are passed, the Company will be able to proceed with the issue within one month after the date of the Meeting (or such later date as permitted by any ASX waiver or modification of the Listing Rules). As approval pursuant to Listing Rule 7.1 is not required for the issue (because approval is being obtained under Listing Rule 10.11), the issue will not use up any of the Company's 15% annual placement capacity.

7. RESOLUTION 7 – APPROVAL OF 7.1A MANDATE

7.1 General

This Resolution seeks Shareholder approval by way of special resolution for the Company to have the additional 10% placement capacity provided for in Listing Rule 7.1A to issue Equity Securities without Shareholder approval.

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary shares it had on issue at the start of that period.

Under Listing Rule 7.1A, an Eligible Entity may seek shareholder approval by way of a special resolution passed at its annual general meeting to increase this 15% limit by an extra 10% to 25% (**7.1A Mandate**). An Eligible Entity means an entity which is not included in the S&P/ASX 300 Index and has a market capitalisation of \$300,000,000 or less. As of the date of this Notice, the Company's market capitalisation is \$58,975,253. The Company is therefore an Eligible Entity.

If this Resolution is not passed, the Company will not be able to access the additional 10% capacity to issue Equity Securities without Shareholder approval under Listing Rule 7.1A

and will remain subject to the 15% limit on issuing Equity Securities without Shareholder approval set out in Listing Rule 7.1.

7.3 Technical information required by Listing Rule 7.3A

REQUIRED INFORMATION	DETAILS						
Period for which the 7.1A Mandate is valid	The 7.1A Mandate will commence on the date of the Meeting and expire on the first to occur of the following: (a) the date that is 12 months after the date of this Meeting; (b) the time and date of the Company's next annual general meeting; and (c) the time and date of approval by Shareholders of any transaction under Listing Rule 11.1.2 (a significant change in the nature or scale of activities) or Listing Rule 11.2 (disposal of the main undertaking).						
Minimum price	Any Equity Securities issued under the 7.1A Mandate must be in an existing quoted class of Equity Securities and be issued for cash consideration at a minimum price of 75% of the volume weighted average price of Equity Securities in that class, calculated over the 15 trading days on which trades in that class were recorded immediately before: (a) the date on which the price at which the Equity Securities are to be issued is agreed by the entity and the recipient of the Equity Securities; or (b) if the Equity Securities are not issued within 10 trading days of the date in paragraph (a) above, the date on which the Equity Securities are issued.						
Use of funds	The Company intends to use funds raised from issues of Equity Securities under the 7.1A Mandate for the acquisition of new resources, assets and investments (including expenses associated with such an acquisition), continued exploration expenditure on the Company's current assets/or projects (funds would then be used for project, feasibility studies and ongoing project administration), the development of the Company's current business and general working capital.						
Risk of economic and voting dilution	Any issue of Equity Securities under the 7.1A Mandate will dilute the interests of Shareholders who do not receive any Shares under the issue. If this Resolution is approved by Shareholders and the Company issues the maximum number of Equity Securities available under the 7.1A Mandate, the economic and voting dilution of existing Shares would be as shown in the table below. The table below shows the dilution of existing Shareholders calculated in accordance with the formula outlined in Listing Rule 7.1A.2, on the basis of the closing market price of Shares and the number of Equity Securities on issue or proposed to be issued as at 8 October 2025. The table also shows the voting dilution impact where the number of Shares on issue (Variable A in the formula) changes and the economic dilution where there are changes in the issue price of Shares issued under the 7.1A Mandate. <table border="1"> <thead> <tr> <th colspan="2">DILUTION</th></tr> <tr> <th></th><th>Issue Price</th></tr> </thead> <tbody> <tr> <td></td><td></td></tr> </tbody> </table>	DILUTION			Issue Price

	*The number of Shares on issue (Variable A in the formula) could increase as a result of the issue of Shares that do not require Shareholder approval (such as under a pro-rata rights issue or scrip issued under a takeover offer) or that are issued with Shareholder approval under Listing Rule 7.1. The table above uses the following assumptions: - There are currently 327,640,295 Shares on issue as at the date of this Notice. - The issue price set out above is the closing market price of the Shares on the ASX on 7 October 2025 (being \$0.18) (Issue Price). The Issue Price at a 50% increase and 50% decrease are each rounded to three decimal places prior to the calculation of the funds raised. - The Company issues the maximum possible number of Equity Securities under the 7.1A Mandate. - The Company has not issued any Equity Securities in the 12 months prior to the Meeting that were not issued under an exception in Listing Rule 7.2 or with approval under Listing Rule 7.1. - The issue of Equity Securities under the 7.1A Mandate consists only of Shares. It is assumed that no Options are exercised into Shares before the date of issue of the Equity Securities. If the issue of Equity Securities includes quoted Options, it is assumed that those quoted Options are exercised into Shares for the purpose of calculating the voting dilution effect on existing Shareholders. - The calculations above do not show the dilution that any one particular Shareholder will be subject to. All Shareholders should consider the dilution caused to their own shareholding depending on their specific circumstances. - This table does not set out any dilution pursuant to approvals under Listing Rule 7.1 unless otherwise disclosed. - The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%. - The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the 7.1A Mandate, based on that Shareholder's holding at the date of the Meeting. Shareholders should note that there is a risk that: - the market price for the Company's Shares may be significantly lower on the issue date than on the date of the Meeting; and - the Shares may be issued at a price that is at a discount to the market price for those Shares on the date of issue.					
Allocation policy under 7.1A Mandate	The recipients of the Equity Securities to be issued under the 7.1A Mandate have not yet been determined. However, the recipients of Equity Securities could consist of current Shareholders or new investors (or both), none of whom will be related parties of the Company.					

REQUIRED INFORMATION	DETAILS
	The Company will determine the recipients at the time of the issue under the 7.1A Mandate, having regard to the following factors: (a) the purpose of the issue; (b) alternative methods for raising funds available to the Company at that time, including, but not limited to, an entitlement issue, share purchase plan, placement or other offer where existing Shareholders may participate; (c) the effect of the issue of the Equity Securities on the control of the Company; (d) the circumstances of the Company, including, but not limited to, the financial position and solvency of the Company; (e) prevailing market conditions; and (f) advice from corporate, financial and broking advisers (if applicable).
Previous approval under Listing Rule 7.1A.2	The Company previously obtained approval from its Shareholders pursuant to Listing Rule 7.1A at its annual general meeting held on 26 November 2024 (Previous Approval). During the 12-month period preceding the date of the Meeting, being on and from 20 November 2025, the Company issued 31,031,294 Shares pursuant to the Previous Approval (Previous Issue), which represent approximately 25.52% of the total diluted number of Equity Securities on issue in the Company on 20 November 2024, which was 121,545,669. Further details of the issues of Equity Securities by the Company pursuant to Listing Rule 7.1A.2 during the 12 month period preceding the date of the Meeting are set out in Schedule 3.
Voting exclusion statement	As at the date of this Notice, the Company is not proposing to make an issue of Equity Securities under Listing Rule 7.1A. Accordingly, a voting exclusion statement is not included in this Notice.

8. RESOLUTION 8 – ELECTION OF A STEPHEN DAVID MAYNE WHO HAS NOMINATED HIMSELF FOR ELECTION (NOT BOARD ENDORSED)

8.1 General

Pursuant to clause 15.3 of the Constitution, the Company may elect a person as a Director at a general meeting on the basis that a nomination has been received in accordance with the Constitution.

The Company received Stephen David Mayne's nomination for election and consent to act as a Director within the required time prescribed under the Constitution.

Mr Mayne, in his nomination advised the following information on his biography – this information has not been verified by the Company:

“Stephen Mayne, 56. BCom (Melb). GAICD. Stephen is a Walkley Award-winning business journalist and Australia's best known retail shareholder advocate. He was the founder of www.crikey.com.au, publishes the corporate governance website www.maynereport.com, writes regular columns for The Intelligent Investor and co-hosts The Money Café podcast with Alan Kohler. His governance experience includes 8 years as a City of Manningham councillor in Melbourne's eastern suburbs, a 4 year term (2012-2016) as a City of Melbourne councillor where he chaired the Finance and Governance committee, 5 years on the

Australian Shareholders' Association board and asking questions at more than 1100 ASX listed company AGMs since 1998."

In his nomination, Mr Wayne raised concerns about the Company holding physical only shareholder meetings and the Company completing share placements to institutional investors without a share purchase plan offering for retail shareholder participation.

Mr Mayne declined to engage with the Company's usual director candidate assessment process, citing the unlikelihood of success in his candidacy.

The Board has assessed Mr Mayne's nomination including his stated skills and experience in the context of the current composition of the Board and against the skills matrix in the Company's Corporate Governance Statement.

Based on the information available, in the Board's view:

- (a) Mr Mayne's skills and experience are not complementary to the current Board and he does not have the requisite mining and exploration experience to be an effective director;
- (b) Mr Mayne would not add to the effectiveness of the Board; and
- (c) it is not in the best interest of the Company and its Shareholders that Mr Mayne be elected as a non-executive director.

The Directors unanimously recommend that Shareholders vote against this Resolution. The Chair of the Meeting intends to vote all available proxies against this Resolution.

8.2 Technical information required by Listing Rule 14.1A

If this Resolution is passed, Stephen David Mayne will be elected to the Board as a director and will become effective only if he satisfies the Company's standard requirements for director candidates and meets associated regulatory requirements. Mr Mayne has not met any of these requirements to date.

If this Resolution is not passed, Stephen David Mayne will not join the Board as a director.
