EXPLANATORY STATEMENT

This Explanatory Statement has been prepared for the information of the Shareholders in connection with the business to be conducted at the Annual General Meeting.

The purpose of this Explanatory Statement is to provide Shareholders with all information known to the Company which is material to a decision on how to vote on all the Resolutions in the accompanying Notice of Annual General Meeting.

This Explanatory Statement should be read in conjunction with the Notice of Annual General Meeting.

Capitalised terms in this Explanatory Statement are defined in the Glossary or otherwise in the Explanatory Statement.

1. ANNUAL REPORT

Section 317 of the Corporations Act requires the reports of the directors and of the auditors and the Annual Report, including the financial statements, to be put before the Annual General Meeting and the Constitution provides for those reports and statements to be received and considered at the Annual General Meeting.

Neither the Corporations Act nor the Constitution requires a vote of Shareholders at the Annual General Meeting on the reports or statements. However, Shareholders will be given the opportunity to raise questions on the reports and the statements at the Annual General Meeting.

The Company's 2025 Annual Report is available at the Company's website at <https://www.asx.com.au/markets/trade-our-cash-market/announcements.gre>. Those shareholders that elected to receive a printed copy of the Annual Report will have received a copy with this Notice of Annual General Meeting.

At the Meeting, Shareholders will be offered the opportunity to:

- (a) discuss the Annual Report;
- (b) ask questions about, or comment on, the management of the Company; and
- (c) ask the auditor questions about the conduct of the audit and the preparation and content of the Auditor's Report.

In addition to taking questions at the Meeting, written questions to the Chairperson about the management of the Company, or to the Company's auditor about:

- (a) the preparation and the content of the Auditor's Report;
- (b) the conduct of the audit;
- (c) accounting policies of the Company in relation to the preparation of the financial statements; and
- (d) the independence of the auditor in relation to the conduct of the audit,

may be submitted no later than five business days before the Meeting to the Company Secretary at the Company's registered office.

2. RESOLUTION 1 – ADOPTION OF THE REMUNERATION REPORT

2.1 General

In accordance with section 250R(2) of the Corporations Act, the Company must put the Remuneration Report to the vote of Shareholders. The Directors' Report for the year ended 30 June 2025 in the 2025 Annual Report contains the Remuneration Report which sets out the remuneration policy for the Company and the remuneration arrangements in place for the Directors.

In accordance with section 250R(3) of the Corporations Act, Resolution 1 is advisory only and does not bind the Directors. If Resolution 1 is not passed, the Directors will not be required to alter any of the arrangements in the Remuneration Report.

If the Company's Remuneration Report receives a 'no' vote of 25% or more (Strike) at two consecutive annual general meetings, Shareholders will have the opportunity to remove the whole Board, except the managing director (if any).

Where a resolution on the Remuneration Report receives a Strike at two consecutive annual general meetings, the Company will be required to put to Shareholders at the second annual general meeting a resolution on whether another meeting should be held (within 90 days) at which all Directors (other than the managing director, if any) who were in office at the date of approval of the applicable Directors' Report must stand for re-election.

The Company's Remuneration Report did not receive a Strike at the 2024 annual general meeting held on 25 November 2024 (99.48% For Vote). If the Remuneration Report receives a Strike at this Meeting, Shareholders should be aware that if a second Strike is received at the 2026 annual general meeting, this may result in the re-election of the Board.

The Chair will allow a reasonable opportunity for Shareholders as a whole to ask about or make comments on the Remuneration Report.

2.2 Additional information

Resolution 1 is a non-binding resolution.

3. RESOLUTION 2 – ELECTION OF MR JOSZEF PATARICA

3.1 General

The Constitution allows the Directors to appoint at any time a person to be a Director either to fill a casual vacancy or as an addition to the existing Directors, but only where the total number of Directors does not at any time exceed the maximum number specified by the Constitution.

Pursuant to the Constitution and Listing Rule 14.4, any Director so appointed holds office only until the next annual general meeting and is then eligible for election by Shareholders but shall not be taken into account in determining the Directors who are to retire by rotation (if any) at that meeting.

Mr Jozsef Patarica, having been appointed to the board of the Company as a Non-Executive Director by other Directors on 19 August 2025 in accordance with the Constitution, will retire in accordance with the Constitution and Listing Rule 14.4 and being eligible, seeks election from Shareholders.

3.2 Qualifications and experience

Mr Patarica is a mining executive with over 30 years' experience developing projects in Australia and overseas successfully transitioning them into sustainable operations. Mr Patarica holds a Bachelor of Engineering, Mechanical, from Curtin University, a Master of Business Administration, Technology Management, from LaTrobe University, and a Diploma from the Australian Institute of Company Directors.

Mr Patarica was Chief Executive of the Grand Cote Operations, West Africa for Minerals Deposits Limited and managed the development of the Fosterville Gold Mine, the largest gold producer in Victoria. Mr Patarica has held several board positions throughout his career with Australian and overseas companies including various roles with major private equity funds.

Mr Patarica has confirmed that he considers he will have sufficient time to fulfil his responsibilities as a Non-Executive Director of the Company and does not consider that any other commitment will interfere with his availability to perform his duties as a Non-Executive Director of the Company.

3.3 Independence

Mr Patarica is an Executive Director of Artemis Resources Limited (ASX: ARV), a substantial shareholder of the Company. On this basis, the Board does not consider Mr Patarica to be an independent Director as he is an officer of a substantial shareholder of the Company. Notwithstanding this, the Board considers that Mr Patarica has the capacity to bring independent judgement to bear on issues before the Board and to act in the best interests of the Company as a whole, rather than in the interests of any individual security holder or other party.

3.4 Other material information

The Company conducts appropriate checks on the background and experience of candidates before their appointment to the Board. The Company undertook such checks prior to the appointment of Mr Patarica.

Having received an acknowledgement from Mr Patarica that they will have sufficient time to fulfil their responsibilities as a Director and having reviewed the performance of Mr Patarica since their appointment to the Board and the skills, knowledge, experience and capabilities required by the Board, the Directors (other than Mr Patarica) recommend that Shareholders vote in favour of this Resolution.

3.5 Technical information required by Listing Rule 14.1A

If Resolution 2 is passed, Mr Patarica will be elected to the Board as a Non-Executive Director.

In the event that Resolution 2 is not passed, Mr Patarica will not continue in their role as a Non-Executive Director. The Company may seek nominations or otherwise identify suitably qualified candidates to join the Company. As an additional consequence, this may detract from the Board and Company's ability to execute on its strategic vision

3.6 Board Recommendation

The Board has reviewed Mr Patarica's performance since his appointment to the Board and considers that his skills and experience will continue to enhance the Board's ability to perform its role. Accordingly, the Board supports the election of Mr Patarica and recommends that Shareholders vote in favour of Resolution 2.

4. RESOLUTION 3 – RE-ELECTION OF MR THOMAS REDDICLIFFE AS A DIRECTOR

4.1 General

Pursuant to ASX Listing Rule 14.5 and the Constitution a re-election of Directors must be held at each annual general meeting.

The Directors to retire are to be those who have been in office for 3 years since their appointment or last re-appointment or who have been longest in office since their appointment or last re-appointment or, if the Directors have been in office for an equal length of time, by agreement.

Mr Reddicliffe, who has held office without rotation since 23 November 2022, retires from office in accordance with these requirements and being eligible, offers himself for re-election by shareholders as a director of the Company, with effect from the end of the meeting.

Resolution 3 is an ordinary resolution.

4.2 Qualifications and experience

Mr Reddicliffe is a geologist with some 40 years of largely Australian-focused exploration and evaluation experience having graduated with an Honours degree in Geology in 1974 from the University of Queensland, and a MSc (Ore Resource Geology) from the University of Western Australia in 1999. Mr Reddicliffe is a Fellow of the Australian Institute of Mining and Metallurgy.

Mr Reddicliffe is currently Non-Executive Director of West Coast Silver Ltd (ASX:WCE) and Non-Executive Director of Gibb River Diamonds Limited (ASX:GIB).

Mr Reddicliffe has served as a director since 24 March 2021 and was last re-elected on 23 November 2022.

4.3 Independence

Mr Reddicliffe is not deemed an independent director due to his role as an Executive Director.

4.4 Technical information required by Listing Rule 14.1A

If Resolution 2 is passed, Mr Reddicliffe will be re-elected to the Board as an Executive Director.

In the event that Resolution 2 is not passed, Mr Reddicliffe will not continue in his role as an Executive Director. The Company may seek nominations or otherwise identify suitably qualified candidates to join the Company. As an additional consequence, this may detract from the Board and Company's ability to execute on its strategic vision

4.5 Board Recommendation

The Board has reviewed Mr Reddicliffe's performance since his appointment to the Board and considers that their skills and experience will continue to enhance the Board's ability to perform its role. Accordingly, the Board supports the re-election of Mr Reddicliffe and recommends that Shareholders vote in favour of Resolution 3.

5. RESOLUTION 4 – APPROVAL OF 10% PLACEMENT FACILITY

5.1 General

Listing Rule 7.1A enables eligible entities to issue Equity Securities up to 10% of its issued share capital through placements over a 12-month period after the annual general meeting (10% Placement Facility). The 10% Placement Facility is in addition to the Company's 15% placement capacity under Listing Rule 7.1.

An eligible entity for the purposes of Listing Rule 7.1A is an entity that is not included in the S&P/ASX 300 Index and has a market capitalisation of \$300 million or less. The Company is an eligible entity. The Company is now seeking shareholder approval by way of a special resolution to have the ability to issue Equity Securities under the 10% Placement Facility.

The exact number of Equity Securities to be issued under the 10% Placement Facility will be determined in accordance with the formula prescribed in Listing Rule 7.1A.2 (refer to Section 5.2(c) below).

If Resolution 4 is passed, the Company will be able to issue equity securities up to the combined 25% limit in Listing Rules 7.1 and 7.1A, without any further shareholder approval.

If Resolution 4 is not passed, the Company will not be able to access the additional 10% capacity to issue equity securities to issue equity securities without shareholder approval provided for in Listing Rule 7.1A and will remain subject to the 15% limit on issuing equity securities without shareholder approval set out in Listing Rule 7.1.

5.2 Listing Rule 7.1A

(a) Shareholder approval

The ability to issue Equity Securities under the 10% Placement Facility is subject to shareholder approval by way of a special resolution at an annual general meeting. Accordingly, at least 75% of votes cast by Shareholders present (in person, or by proxy or representative) and eligible to vote at the Meeting must be in favour of Resolution 4 for it to be passed.

(b) Equity securities

Any Equity Securities issued under the 10% Placement Facility must be in the same class as an existing quoted class of Equity Securities of the Company.

The Company, as at the date of the Notice, has on issue three classes of Equity Securities, namely quoted Shares, unquoted options and performance rights.

(c) Formula for calculating 10% Placement

Listing Rule 7.1A.2 provides that eligible entities which have obtained shareholder approval at an annual general meeting may issue or agree to issue, during the 12-month period after the date of the annual general meeting, a number of Equity Securities calculated in accordance with the following formula:

$$(A \times D) - E$$

where

A=The number of fully paid ordinary shares on issue at the commencement of the 12 months immediately preceding the date of issue or agreement to issue:

- plus the number of fully paid ordinary securities issued in the 12 months under an exception to ASX Listing Rule 7.2 other than exception 9, 16 or 17;
- plus the number of fully paid ordinary securities issued in the Relevant Period on the conversion of convertible securities within ASX Listing Rule 7.2 exception 9 where:
 - the convertible securities were issued or agreed to be issued before the commencement of the Relevant Period; or

- the issue of, or agreement to issue the convertible securities was approved or taken under these rules to have been approved under ASX Listing Rule 7.1 or 7.4;
- plus the number of fully paid ordinary securities issued in the Relevant Period under an agreement to issue securities within ASX Listing Rule 7.2 exception 16 where:
 - the agreement was entered into before the commencement of the Relevant Period; or
 - the agreement or issue was approved, or taken under these rules to have been approved under ASX Listing Rule 7.1 or rule 7.4;
- plus the number of partly paid ordinary securities that became fully paid in the Relevant Period;
- plus the number of any other fully paid ordinary securities issued in the Relevant Period under ASX Listing Rule 7.1 or 7.4;
- less the number of fully paid ordinary securities cancelled in the Relevant Period.

Note that A has the same meaning in ASX Listing Rule 7.1 when calculating an entity's 15% placement capacity.

D = 10%

E = the number of equity securities issued or agreed to be issued under ASX Listing Rule 7.1A.2 in the last 12 months immediately preceding the date of issue of the shares where the issue or agreement has not been subsequently approved by the holders of its ordinary securities under ASX Listing Rule 7.4.

(d) Listing Rule 7.1 and Listing Rule 7.1A

The ability of an entity to issue Equity Securities under Listing Rule 7.1A is in addition to the entity's 15% placement capacity under Listing Rule 7.1. At the date of this Notice, the Company has on issue 113,395,133 Shares, meaning the Company has the capacity to issue:

- (i) 17,000,269 Equity Securities under Listing Rule 7.1; and
- (ii) 11,339,513 Equity Securities under Listing Rule 7.1A.

The actual number of Equity Securities that the Company will have capacity to issue under Listing Rule 7.1A will be calculated at the date of issue of the Equity Securities in accordance with the formula prescribed in Listing Rule 7.1A.2 (refer to Section 5.2(c) above).

(e) Minimum issue price

The issue price of Equity Securities issued under Listing Rule 7.1A must be not less than 75% of the VWAP of Equity Securities in the same class calculated over the 15 Trading Days on which trades in that class were recorded immediately before:

- (i) the date on which the price at which the Equity Securities are to be issued is agreed by the Company and the recipient of the Equity Securities; or
- (ii) if the Equity Securities are not issued within 10 Trading Days of the date in paragraph (i) above, the date on which the Equity Securities are issued.

(f) 10% Placement period

The 10% Placement Period is defined in section 4.4(a) below.

5.3 Listing Rule 7.1A

The effect of Resolution 4 will be to allow the Directors to issue the Equity Securities under Listing Rule 7.1A during the 10% Placement Period without using the Company's 15% placement capacity under Listing Rule 7.1.

Resolution 4 is a special resolution and therefore requires approval of 75% of the votes cast by shareholders present and eligible to vote (in person, by proxy, by attorney or, in the case of a corporate Shareholder, by a corporate representative).

5.4 Listing Rule 7.3A Information Requirements

Pursuant to and in accordance with Listing Rule 7.3A, information is provided in relation to the approval of the 10% Placement Facility as follows:

(a) 10% Placement Period

Shareholder approval of the 10% Placement Facility under Listing Rule 7.1A is valid from the date of the annual general meeting at which the approval is obtained and expires on the earlier to occur of:

- (i) the date that is 12 months after the date of the annual general meeting at which the approval is obtained;
- (ii) the time and date of the Company's next annual general meeting; or
- (iii) the time and date of the approval by shareholders of ordinary securities of a transaction under ASX Listing Rules 11.1.2 (a significant change to the nature or scale of activities) or 11.2 (disposal of main undertaking (10% Placement Period)).

(b) Minimum issue price

The Equity Securities will be issued at an issue price of not less than 75% of the VWAP for the Company's Equity Securities in the same class calculated over the 15 Trading Days on which trades in that class were recorded immediately before:

- (i) the date on which the price at which the Equity Securities are to be issued is agreed by the Company and the recipient of the Equity Securities; or
- (ii) if the Equity Securities are not issued within 10 Trading Days of the date in paragraph (i) above, the date on which the Equity Securities are issued.

(c) Purpose for which the 10% Placement Facility may be implemented

The Company may seek to issue the Equity Securities for cash consideration in which case the Company intends to use the funds raised towards an acquisition of new resource assets or investments (including expenses associated with such acquisition), continued exploration and evaluation expenditures on the Company's current assets and/or for general working capital.

The Company will comply with the disclosure obligations under Listing Rules 7.1A(4) upon issue of any Equity Securities.

(d) Risk of economic and voting dilution

If Resolution 4 is approved by Shareholders and the Company issues Equity Securities under the 10% Placement Facility, the existing Shareholders' voting power in the Company will be diluted as shown in the below table (in the case of Unlisted Options, only if the Unlisted Options are exercised). There is a risk that:

- (i) the market price for the Company's Equity Securities may be significantly lower on the date of the issue of the Equity Securities than on the date of the Meeting; and
- (ii) the Equity Securities may be issued at a price that is at a discount to the market price for the Company's Equity Securities on the issue date,

which may have an effect on the amount of funds raised by the issue of the Equity Securities.

The below table shows the dilution of existing Shareholders on the basis of the current market price of Shares and the current number of ordinary securities for variable "A" calculated in accordance with the formula in Listing Rule 7.1A(2) as at the date of this Notice.

The table also shows:

- (i) two examples where variable "A" has increased, by 50% and 100%. Variable "A" is based on the number of ordinary securities the Company has on issue. The number of ordinary securities on issue may increase as a result of issues of ordinary securities that do not require Shareholder approval (for example, a pro rata entitlements issue or scrip issued under a takeover offer) or future specific placements under Listing Rule 7.1 that are approved at a future Shareholders' meeting; and
- (ii) two examples of where the issue price of ordinary securities has decreased by 50% and increased by 50% as against the current market price.

Variable 'A' in Listing Rule 7.1A.2	Dilution			
		\$0.0270	\$0.054	\$0.0810
		50% decrease in Issue Price	Issue Price	50% increase in Issue Price
Current Variable A 113,395,133 Shares	10% Voting Dilution Funds raised	11,339,513 Shares \$306,167	11,339,513 Shares \$612,334	11,339,513 Shares \$918,501
50% increase in current Variable A 170,092,700 Shares	10% Voting Dilution Funds raised	17,009,269 Shares \$459,250	17,009,269 Shares \$918,501	17,009,269 Shares \$1,377,751
100% increase in current Variable A 226,790,266 Shares	10% Voting Dilution Funds raised	22,679,027 Shares \$612,334	22,679,027 Shares \$1,224,667	22,679,027 Shares \$1,837,001

The table has been prepared on the following assumptions:

- (i) The Company issues the maximum number of Equity Securities available under the 10% Placement Facility.
- (ii) No options or performance rights are exercised into Shares before the date of the issue of the Equity Securities.
- (iii) The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%.
- (iv) The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the 10% Placement Facility, based on that Shareholder's holding at the date of the Meeting.
- (v) The table shows only the effect of issues of Equity Securities under Listing Rule 7.1A, not under the 15% placement capacity under Listing Rule 7.1.
- (vi) The issue of Equity Securities under the 10% Placement Facility consists only of Shares. If the issue of Equity Securities includes options or performance rights, it is assumed that those are exercised into Shares for the purpose of calculating the voting dilution effect on existing Shareholders.
- (vii) The issue price is \$0.054, being the closing price of the Shares on ASX on 14 October 2025.

(e) Allocation policy when the 10% Placement Facility may be implemented

The Company's allocation policy is dependent on the prevailing market conditions at the time of any proposed issue pursuant to the 10% Placement Facility. The identity of the allottees of Equity Securities will be determined on a case-by-case basis having regard to the factors including but not limited to the following:

- (i) the methods of raising funds that are available to the Company, including but not limited to, rights issue or other issue in which existing security holders can participate;
- (ii) the effect of the issue of the Equity Securities on the control of the Company;
- (iii) the financial situation and solvency of the Company; and
- (iv) advice from corporate, financial and broking advisers (if applicable).

The allottees under the 10% Placement Facility have not been determined as at the date of this Notice. However, the recipients of Equity Securities could consist of current Shareholders and/or new Shareholders (or both), none of whom will be related parties or associates of a related party of the Company.

(f) Prior Issues under Listing Rule 7.1A

The Company previously obtained approval from its Shareholders to issue Equity Securities pursuant to ASX Listing Rule 7.1A at the Annual General Meeting held on 25 November 2024.

Since that date, the Company has not issued any securities under Listing Rule 7.1A

(g) Voting Exclusions

At the date of the Notice, the Company has not approached any particular existing Shareholder or security holder or an identifiable class of existing security holder to participate in the issue of the Equity Securities utilising this 10% Placement Facility, accordingly, a voting exclusion statement is not included in this Notice.

5.5 Board Recommendation

Resolution 4 is a special resolution, which requires a minimum of 75% of the votes cast. The Chairperson intends to exercise all available proxies in favour of Resolution 4.

The Board unanimously recommends that Shareholders vote in favour of Resolution 4 as this will enable the Company to conserve its cash, and the ability to issue equity securities in the event of a capital raise.

6. RESOLUTION 5 –APPROVAL OF SHARE ISSUE UNDER LISTING RULE 7.1

6.1 General

This Resolution seeks Shareholder approval to issue up to 28,000,000 Shares (**Proposed Placement Shares**) to unrelated parties (**Proposed Placement Participants**) at an issue price of no less than 80% of the 5-day VWAP at the time of issue per Share (the **Proposed Placement**).

The Proposed Placement Shares, if issued in full, represents approximately 24.7% of the Company's total issued share capital of 113,395,133 at the date of this Notice (assuming that only the Proposed Placement Shares are issued and no other Shares are issued).

Resolution 5 seeks shareholder approval pursuant to ASX Listing Rule 7.1 to issue up to 28,000,000 Proposed Placement Shares to the Proposed Placement Participants. Set out below is a worked example of the potential funds that may be raised under this Resolution based on assumed issue prices of \$0.049, \$0.054 and \$0.059 per Share, being the closing price of Shares on 16 October 2025 (**Closing Price**) and assumed issue prices at 10% lower and higher.

If the Resolution is approved, funds raised from the Proposed Placement will allow the Company various options to access the growth capital needed for the advancements and future exploration work (including drilling) at the Company's projects and to help fund the Company's general working capital requirements. The Company currently anticipates that it will use such funding for:

Use of Funds	Issue Price \$0.049 Funds raised \$1,372,000 \$	Issue Price \$0.054 Funds raised \$1,512,000 \$	Issue Price \$0.059 Funds raised \$1,652,000 \$
Exploration and Development of Existing Projects	427,000	437,000	452,000
New project generation / investments in new resource assets (including expenses associated with such acquisitions)	575,000	625,000	675,000
General working capital purposes	370,000	450,000	525,000

The Company is currently considering a range of opportunities and no decisions have been made by the Board in relation to any specific transaction or funding source.

The above table is a statement of current intentions as of the date of this Notice. As with any budget, intervening events and new circumstances have the potential to affect the manner in which the funds are ultimately applied. The Board reserves the right to alter the way funds are applied on this basis.

6.2 Listing Rule 7.1 and Listing Rule 14.1A

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12-month period to 15% of the fully paid ordinary shares it had on issue at the start of that period.

The issue of the Proposed Placement Shares does not fit within any of the exceptions to Listing Rules 7.1 and, as it has not yet been approved by Shareholders, it will effectively use up part of the Company's existing 25% placement capacity under Listing Rules 7.1 and 7.1A if the Company decides to proceed with the Proposed Placement. This reduces the Company's capacity to issue further Equity Securities without Shareholder approval under those Listing Rules for the 12-month period following the issue of the Proposed Placement Shares.

The effect of Shareholders passing Resolution 5 will be to allow the Company to retain the flexibility to issue Equity Securities in the future up to the 25% placement capacity set out in Listing Rules 7.1 and 7.1A, without the requirement to obtain prior Shareholder approval.

6.3 Technical information required by Listing Rule 14.1A

If Resolution 5 is passed, the Company will be able to proceed with the issue of up to 28,000,000 Proposed Placement Shares. In addition, the issue will be excluded from the calculation of the number of equity securities that the Company can issue without shareholder approval under Listing Rule 7.1.

If Resolution 5 is not passed, the Company will not be able to proceed with the issue of up to 28,000,000 Proposed Placement Shares without using its available placement capacity permitted under Listing Rules 7.1 and 7.1A. The Company does not presently have sufficient placement capacity to issue all of the Proposed Placement Shares. Accordingly, if Resolution 5 is not passed, the Company will not be able to proceed with the issue of all of the Placement Shares. As at the date of this notice, the Company has the ability to issue 15,756,611 Placement Shares under ASX Listing Rule 7.1 and 11,339,513 Placement Shares under ASX Listing Rule 7.1A. A total of 903,876 Placement Shares fall outside the Company's placement capacity.

6.4 Technical information required by Listing Rule 7.3

In accordance with Listing Rule 7.3, the Company provides the following information:

- (i) The Proposed Placement Shares will be allotted to sophisticated investors (in accordance with sections 708(8) and (10) of the Corporations Act), professional investors (in accordance with section 708(11) of the Corporations Act), and/or other institutional and accredited investors to whom no disclosure is required under the Corporations Act. The names of these investors are not known to the Company and will likely be sourced from an independent corporate broker who will introduce the investors and who will likely be clients of them.

At the date of this Notice, the Company has not entered into any negotiations with any corporate broker or any other party in regards the fundraise contemplated under this Resolution and is therefore unable to name or identify who the corporate broker or lead manager might be. None of the proposed investors will be related parties or persons in a position of influence as described in Listing Rule 10.11.

- (ii) The number of Proposed Placement Shares to be allotted will not exceed 28,000,000.
- (iii) The Proposed Placement Shares issued will be fully paid ordinary shares in the capital of the Company issued on the same terms and conditions as the Company's existing Shares.
- (iv) If approved, and the Proposed Placement occurs, Proposed Placement Shares will be issued on one date on or before 3 months after the date of the meeting as required by the Listing Rules.
- (v) The Company has not agreed or determined a share price for the Proposed Placement, however the issue price of any Placement Shares will not be less than 80% of the volume weighted average closing price for ordinary shares calculated over the last 5 days on which sales of ordinary shares were recorded before the date on determining the Placement Shares issue price.
- (vi) Any issue of Shares will be to fund the business goals as detailed in Section 6.1.
- (vii) The Company has not entered into any agreement for the issue of any of the Proposed Placement securities.
- (viii) A voting exclusion applies to this Resolution.

6.5 Directors' Recommendation

The Board unanimously recommend that Shareholders vote in favour of Resolution 5.

7. RESOLUTION 6 ADOPTION OF EMPLOYEE SECURITIES INCENTIVE PLAN

7.1 General

The Company considers that it is desirable to maintain an employee incentive scheme pursuant to which the Company can issue Equity Securities to attract, motivate and retain key Directors, employees and consultants and provide them with the opportunity to participate in the future growth of the Company.

Under the Company's existing employee securities incentive plan, entitled "GreenTech Metals Limited Employee Securities Incentive Plan" (**Plan**), the Board may offer to eligible persons the opportunity to subscribe for such number of Equity Securities in the Company as the Board may decide and on the terms set out in the rules of the Plan, a summary of the key terms and conditions of which is in Schedule 1. In addition, a copy of the Plan is available for review by Shareholders at the registered office of the Company until the date of the Meeting. A copy of the Plan can also be sent to Shareholders upon request to the Company Secretary. Shareholders are invited to contact the Company if they have any queries or concern.

Since Shareholders approved the issue of up to 6,286,438 Equity Securities under the Plan at a general meeting held on 9 August 2023, the Company has issued 5,350,000 Equity Securities and the Company is therefore seeking renewed approval at this Meeting for the purposes of Listing Rule 7.2, exception 13(b) for the issue of up to a maximum of 11,339,513 Securities under the Plan. No amendments are proposed to be made to the terms of the Plan adopted on 9 August 2023.

7.2 Listing Rules 7.1 and 7.2, exception 13(b)

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of Equity Securities that a listed company can issue without the approval of its shareholders over any 12-month period to 15% of the fully paid ordinary shares it had on issue at the start of that period.

Listing Rule 7.2, exception 13(b) provides an exception to Listing Rule 7.1 such that issues of Equity Securities under an employee incentive scheme are exempt for a period of three years from the date on which shareholders approve the issue of Equity Securities under the scheme as an exception to Listing Rule 7.1.

7.3 Technical Information required by Listing Rule 14.1A

If this Resolution is passed, the Company will be able to issue Securities under the Plan to eligible participants over a period of 3 years. The issue of any Securities to eligible participants under the Plan (up to the maximum number of Securities stated in Section 7.4 below) will be excluded from the calculation of the number of equity securities that the Company can issue without Shareholder approval under Listing Rule 7.1.

For the avoidance of doubt, the Company must seek Shareholder approval under Listing Rule 10.14 in respect of any future issues of Securities under the Plan to a related party or a person whose relationship with the Company or the related party is, in ASX's opinion, such that approval should be obtained.

If this Resolution is not passed, the Company will be able to proceed with the issue of Securities under the Plan to eligible participants, but any issues of Securities will reduce, to that extent, the Company's capacity to issue equity securities without Shareholder

7.4 Specific information required by Listing Rule 7.2, exception 13(b)

Pursuant to and in accordance with Listing Rule 7.2, exception 13(b), the following information is provided in relation to Resolution 6:

- (a) The material terms of the Plan are summarised in Schedule 1.
- (b) Since the Plan was last approved by Shareholders on 9 August 2023, the Company has issued the following Equity

Securities under the terms of the Plan:

Number of Equity Securities	Equity Security	Issue Date
1,500,000	Unlisted Options	20/12/2024
2,600,000	Unlisted Options	8/02/2024
1,250,000	Unlisted Options	9/11/2023

- (c) The maximum number of Equity Securities proposed to be issued under the Plan in reliance on Listing Rule 7.2, exception 13(b), is 11,339,513. It is not envisaged that the maximum number of Equity Securities for which approval is sought will be issued immediately.

The Company may also seek Shareholder approval under Listing Rule 10.14 in respect of any future issues of Securities under the Plan to a related party or a person whose relationship with the Company or the related party is, in ASX's opinion, such that approval should be obtained.

- (d) A voting exclusion statement is included in the Notice.
- (e) A voting prohibition statement applies to this Resolution.
- (f) Exception 13 of Listing Rule 7.2 is only available if and to the extent that the number of equity securities issued under the Plan does not exceed the maximum number set out in this notice of meeting being 11,339,513 securities.
- (g) Exception 13 of Listing Rule 7.2 ceases to be available if there is a material change to the terms of the Plan set out in Schedule 1 of this notice of meeting.

7.5 Additional information

Resolution 6 is an ordinary resolution.

The Board decline to make a recommendation in relation to Resolution 6 due to their personal interest in the outcome of the Resolution 6.

8. RESOLUTION 7 RENEWAL OF PROPORTIONAL TAKEOVER PROVISIONS

8.1 General

Clause 36 of the Company's Constitution includes provisions requiring shareholder approval for any proportional takeover bid. These provisions allow shareholders to vote on whether a proportional takeover bid should proceed, providing a mechanism to protect shareholders from being forced to sell a proportion of their shares without having the opportunity to consider a full bid for all of their shares.

Under Section 648G of the Corporations Act, these provisions expire three years after they were last renewed, unless renewed by a special resolution of shareholders. The current provisions have not been renewed since the company adopted its current constitution on 17 June 2021, making it necessary to reinstate them at this Annual General Meeting. This Resolution is a special resolution which will enable the Company to modify its Constitution by re-inserting proportional takeover provisions into the Constitution in the form of clause 36. The new clause 36 is in the same form as the existing clause 36 (as set out in Schedule 2 to this Notice).

The Company is permitted to seek further Shareholder approval to renew this clause for further periods of up to three years on each occasion.

A copy of the Constitution was released to ASX on 30 December 2021 and is available for download from the Company's ASX announcements platform.

8.2 Information required by the Corporations Act

Reasons for Proportional Takeover Provisions

A proportional takeover bid may result in control of the Company changing without Shareholders having the opportunity to dispose of all their Shares. By making a partial bid, a bidder can obtain practical control of the Company by acquiring less than a majority interest. Shareholders are exposed to the risk of being left as a minority in the Company and the risk

of the bidder being able to acquire control of the Company without payment of an adequate control premium. These provisions allow Shareholders to decide whether a proportional takeover bid is acceptable in principle, and assist in ensuring that any partial bid is appropriately priced.

Effect of Proportional Takeover Provisions

If reinstated, Clause 36 will continue to prohibit the registration of any transfers of shares resulting from a proportional takeover bid unless a resolution to approve the bid is passed by shareholders. The proportional takeover provisions do not apply to full takeover bids.

The Company is required to hold a meeting at least 14 days before the last day of the bid period to allow shareholders to vote on the bid. If the resolution is not passed, the bid will be deemed withdrawn.

Potential Advantages and Disadvantages

Advantages:

- (i) **Shareholder Control:** The provisions ensure that shareholders have the right to decide whether a proportional takeover bid should proceed, thereby giving them control over any change in corporate control.
- (ii) **Protection Against Coercive Bids:** By allowing shareholders to vote, the provisions protect against bidders seeking to acquire control without offering to purchase all shares. This can prevent a scenario where shareholders are pressured to accept a bid to avoid being left with minority holdings.
- (iii) **Increased Bargaining Power:** Shareholders are better positioned to negotiate terms or seek better offers, as the approval mechanism gives them leverage in the event of a proportional bid.

Disadvantages:

- (i) **Discourages Potential Bidders:** The requirement for shareholder approval may discourage some bidders from making a proportional takeover offer, reducing the likelihood of takeovers.
- (ii) **Reduced Market Activity:** The existence of these provisions might limit the trading activity or potential interest in the Company's shares, as some investors may view the requirement as an obstacle to potential acquisitions.
- (iii) **May Delay Transactions:** The approval process could delay the completion of a proportional takeover, potentially leading to uncertainty and fluctuations in the Company's share price during the bid period.

Knowledge of Any Acquisition Proposals

As at the date of this Notice, no Director is aware of any proposal by any person to acquire, or to increase the extent of, a substantial interest in the Company

8.3 Directors' Recommendation

The Board believe that the benefits of reinstating the proportional takeover provisions outweigh any potential disadvantages and unanimously recommend that shareholders vote in favour of this resolution.

SCHEDULE 1 – SUMMARY OF EQUITY INCENTIVE PLAN RULES

A summary of the material terms of the Company's Employee Securities Incentive Plan (**Plan**) is set out below:

Eligible Participant	Eligible Participant means a person that is a 'primary participant' (as that term is defined in Division 1A of Part 7.12 of the Corporations Act) in relation to the Company or an Associated Body Corporate (as defined in the Corporations Act) and has been determined by the Board to be eligible to participate in the Plan from time to time.
Purpose	The purpose of the Plan is to: (a) assist in the reward, retention and motivation of Eligible Participants; (b) link the reward of Eligible Participants to Shareholder value creation; and (c) align the interests of Eligible Participants with shareholders of the Group (being the Company and each of its Associated Bodies Corporate), by providing an opportunity to Eligible Participants to receive an equity interest in the Company in the form of Shares, Options, Performance Rights or other convertible securities (Securities).
Plan administration	The Plan will be administered by the Board. The Board may exercise any power or discretion conferred on it by the Plan rules in its sole and absolute discretion (except to the extent that it prevents the Eligible Participant relying on the deferred tax concessions under Subdivision 83A-C of the <i>Income Tax Assessment Act 1997</i> (Cth)). The Board may delegate its powers and discretion.
Eligibility, invitation and application	The Board may from time to time determine that an Eligible Participant may participate in the Plan and make an invitation to that Eligible Participant to apply for any (or any combination of) the Securities provided under the Plan on such terms and conditions as the Board decides. On receipt of an invitation, an Eligible Participant may apply for the Securities the subject of the invitation by sending a completed application form to the Company. The Board may accept an application from an Eligible Participant in whole or in part. If an Eligible Participant is permitted in the invitation, the Eligible Participant may, by notice in writing to the Board, nominate a party in whose favour the Eligible Participant wishes to renounce the invitation.
Grant of Securities	The Company will, to the extent that it has accepted a duly completed application, grant the Eligible Participant the relevant number and type of Securities, subject to the terms and conditions set out in the invitation, the Plan rules and any ancillary documentation required.
Rights attaching to Convertible Securities	A Convertible Security represents a right to acquire one or more Plan Shares in accordance with the Plan (for example, an Option or a Performance Right). Prior to a Convertible Security being exercised, the holder: (a) does not have any interest (legal, equitable or otherwise) in any Share the subject of the Convertible Security other than as expressly set out in the Plan; (b) is not entitled to receive notice of, vote at or attend a meeting of the shareholders of the Company; (c) is not entitled to receive any dividends declared by the Company; and (d) is not entitled to participate in any new issue of Shares (see Adjustment of Convertible Securities section below).

Vesting of Convertible Securities	Any vesting conditions which must be satisfied before Convertible Securities can be exercised and converted to Shares will be described in the invitation. If all the vesting conditions are satisfied and/or otherwise waived by the Board, a vesting notice will be sent to the Eligible Participant by the Company informing them that the relevant Convertible Securities have vested. Unless and until the vesting notice is issued by the Company, the Convertible Securities will not be considered to have vested. For the avoidance of doubt, if the vesting conditions relevant to a Convertible Security are not satisfied and/or otherwise waived by the Board, that Convertible Security will lapse.
Exercise of Convertible Securities and cashless exercise	To exercise a Convertible Security, the Eligible Participant must deliver a signed notice of exercise and, subject to a cashless exercise of Convertible Securities (see next paragraph below), pay the exercise price (if any) to or as directed by the Company, at any time following vesting of the Convertible Security (if subject to vesting conditions) and prior to the expiry date as set out in the invitation or vesting notice. An invitation may specify that at the time of exercise of the Convertible Securities, the Eligible Participant may elect not to be required to provide payment of the exercise price for the number of Convertible Securities specified in a notice of exercise, but that on exercise of those Convertible Securities the Company will transfer or issue to the Eligible Participant that number of Shares equal in value to the positive difference between the Market Value of the Shares at the time of exercise and the exercise price that would otherwise be payable to exercise those Convertible Securities. Market Value means, at any given date, the volume weighted average price per Share traded on the ASX over the 5 trading days immediately preceding that given date, unless otherwise specified in an invitation. A Convertible Security may not be exercised unless and until that Convertible Security has vested in accordance with the Plan rules, or such earlier date as set out in the Plan rules.
Timing of issue of Shares and quotation of Shares on exercise	As soon as practicable after the valid exercise of a Convertible Security by an Eligible Participant, the Company will issue or cause to be transferred to that Eligible Participant the number of Shares to which the Eligible Participant is entitled under the Plan rules and issue a substitute certificate for any remaining unexercised Convertible Securities held by that Eligible Participant.
Restrictions on dealing with Convertible Securities	A holder may not sell, assign, transfer, grant a security interest over or otherwise deal with a Convertible Security that has been granted to them unless otherwise determined by the Board. A holder must not enter into any arrangement for the purpose of hedging their economic exposure to a Convertible Security that has been granted to them. However, in Special Circumstances as defined under the Plan (including in the case of death or total or permanent disability of the Eligible Participant) an Eligible Participant may deal with Convertible Securities granted to them under the Plan with the consent of the Board.
Listing of Convertible Securities	A Convertible Security granted under the Plan will not be quoted on the ASX or any other recognised exchange. The Board reserves the right in its absolute discretion to apply for quotation of an Option granted under the Plan on the ASX or any other recognised exchange.
Forfeiture of Convertible Securities	Convertible Securities will be forfeited in the following circumstances: (a) where an Eligible Participant who holds Convertible Securities ceases to be an Eligible Participant (e.g. is no longer employed or their office or engagement is discontinued with the Group), all unvested Convertible Securities will automatically be forfeited by the Eligible Participant; (b) where a Eligible Participant acts fraudulently or dishonestly, negligently, in contravention of any Group policy or willfully breaches their duties to the Group; (c) where there is a failure to satisfy the vesting conditions in accordance with the Plan; (d) on the date the Eligible Participant becomes insolvent; or (e) on the Expiry Date.

Change of control	If a change of control event occurs, or the Board determines that such an event is likely to occur, the Board may in its discretion determine the manner in which any or all of the holder's Convertible Securities will be dealt with, including, without limitation, in a manner that allows the holder to participate in and/or benefit from any transaction arising from or in connection with the change of control event.
Adjustment of Convertible Securities	If there is a reorganisation of the issued share capital of the Company (including any subdivision, consolidation, reduction, return or cancellation of such issued capital of the Company), the rights of each Eligible Participant holding Convertible Securities will be changed to the extent necessary to comply with the Listing Rules applicable to a reorganisation of capital at the time of the reorganisation. If Shares are issued by the Company by way of bonus issue (other than an issue in lieu of dividends or by way of dividend reinvestment), the holder of Convertible Securities is entitled, upon exercise of the Convertible Securities, to receive an issue of as many additional Shares as would have been issued to the holder if the holder held Shares equal in number to the Shares in respect of which the Convertible Securities are exercised. Unless otherwise determined by the Board, a holder of Convertible Securities does not have the right to participate in a pro rata issue of Shares made by the Company or sell renounceable rights.
Plan Shares	The Board may, from time to time, make an invitation to an Eligible Participant to acquire Plan Shares under the Plan. The Board will determine in its sole absolute discretion the acquisition price (if any) for each Plan Share which may be nil. The Plan Shares may be subject to performance hurdles and/or vesting conditions as determined by the Board. Where Plan Shares granted to an Eligible Participant are subject to performance hurdles and/or vesting conditions, the Eligible Participant's Plan Shares will be subject to certain restrictions until the applicable performance hurdles and/or vesting conditions (if any) have been satisfied, waived by the Board or are deemed to have been satisfied under the Rules.
Rights attaching to Plan Shares	All Shares issued or transferred under the Plan or issued or transferred to an Eligible Participant upon the valid exercise of a Convertible Security, (Plan Shares) will rank equally in all respects with the Shares of the same class for the time being on issue except for any rights attaching to the Shares by reference to a record date prior to the date of the allotment or transfer of the Plan Shares. An Eligible Participant will be entitled to any dividends declared and distributed by the Company on the Plan Shares and may participate in any dividend reinvestment plan operated by the Company in respect of Plan Shares. An Eligible Participant may exercise any voting rights attaching to Plan Shares.
Disposal restrictions on Plan Shares	If the invitation provides that any Plan Shares are subject to any restrictions as to the disposal or other dealing by an Eligible Participant for a period, the Board may implement any procedure it deems appropriate to ensure the compliance by the Eligible Participant with this restriction. For so long as a Plan Share is subject to any disposal restrictions under the Plan, the Eligible Participant will not: (a) transfer, encumber or otherwise dispose of, or have a security interest granted over that Plan Share; or (b) take any action or permit another person to take any action to remove or circumvent the disposal restrictions without the express written consent of the Company.

General Restrictions on Transfer of Plan Shares	If the Company is required but is unable to give ASX a notice that complies with section 708A(5)(e) of the Corporations Act, Plan Shares issued under the Plan (including on exercise of Convertible Securities) may not be traded until 12 months after their issue unless the Company, at its sole discretion, elects to issue a prospectus pursuant to section 708A(11) of the Act. Restrictions are imposed by Applicable Law on dealing in Shares by persons who possess material information likely to affect the value of the Shares and which is not generally available. These laws may restrict the acquisition or disposal of Shares by you during the time the holder has such information. Any Plan Shares issued to a holder under the Plan (including upon exercise of Convertible Securities) shall be subject to the terms of the Company's Securities Trading Policy.
Buy-Back	Subject to applicable law, the Company may at any time buy-back Securities in accordance with the terms of the Plan.
Employee Share Trust	The Board may in its sole and absolute discretion use an employee share trust or other mechanism for the purposes of holding Convertible Securities for holders under the Plan and delivering Shares on behalf of holders upon exercise of Convertible Securities.
Maximum number of Securities	The Company will not make an invitation under the Plan which involves monetary consideration if the number of Plan Shares that may be issued, or acquired upon exercise of Convertible Securities offered under an invitation, when aggregated with the number of Shares issued or that may be issued as a result of all invitations under the Plan during the 3 year period ending on the day of the invitation, will exceed 5% of the total number of issued Shares at the date of the invitation (unless the Constitution specifies a different percentage and subject to any limits approved by Shareholders under Listing Rule 7.2 Exception 13(b). The maximum number of equity securities proposed to be issued under the Plan, following Shareholder approval, is 11,339,516 Securities. It is not envisaged that the maximum number of Securities will be issued immediately.
Amendment of Plan	Subject to the following paragraph, the Board may at any time amend any provisions of the Plan rules, including (without limitation) the terms and conditions upon which any Securities have been granted under the Plan and determine that any amendments to the Plan rules be given retrospective effect, immediate effect or future effect. No amendment to any provision of the Plan rules may be made if the amendment materially reduces the rights of any Eligible Participant as they existed before the date of the amendment, other than an amendment introduced primarily for the purpose of complying with legislation or to correct manifest error or mistake, amongst other things, or is agreed to in writing by all Eligible Participants.
Plan duration	The Plan continues in operation until the Board decides to end it. The Board may from time to time suspend the operation of the Plan for a fixed period or indefinitely and may end any suspension. If the Plan is terminated or suspended for any reason, that termination or suspension must not prejudice the accrued rights of the Eligible Participants. If an Eligible Participant and the Company (acting by the Board) agree in writing that some or all of the Securities granted to that Eligible Participant are to be cancelled on a specified date or on the occurrence of a particular event, then those Securities may be cancelled in the manner agreed between the Company and the Eligible Participant.
Income Tax Assessment Act	The Plan is a plan to which Subdivision 83A-C of the <i>Income Tax Assessment Act 1997</i> (Cth) applies (subject to the conditions in that Act) except to the extent an invitation provides otherwise.
