EXPLANATORY STATEMENT

This Explanatory Statement has been prepared to provide information which the Directors believe to be material to Shareholders in deciding whether or not to pass the Resolutions.

1. FINANCIAL STATEMENTS AND REPORTS

In accordance with the Corporations Act, the business of the Meeting will include receipt and consideration of the annual financial report of the Company for the financial year ended 30 June 2025 together with the declaration of the Directors, the Directors' report, the Remuneration Report and the auditor's report.

The Company will not provide a hard copy of the Company's annual financial report to Shareholders unless specifically requested to do so. The Company's annual financial report is available on its website at www.capriceresources.com.

2. RESOLUTION 1 – ADOPTION OF REMUNERATION REPORT

2.1 General

The Corporations Act requires that at a listed company's annual general meeting, a resolution that the remuneration report to be adopted must be put to the shareholders. However, such a resolution is advisory only and does not bind the company or the directors of the company.

The remuneration report sets out the company's remuneration arrangements for the directors and senior management of the company. The remuneration report is part of the directors' report contained in the annual financial report of the company for a financial year.

The chair of the meeting must allow a reasonable opportunity for its shareholders to ask questions about or make comments on the remuneration report at the annual general meeting.

2.2 Voting consequences

A company is required to put to its shareholders a resolution proposing the calling of another meeting of shareholders to consider the appointment of directors of the company (**Spill Resolution**) if, at consecutive annual general meetings, at least 25% of the votes cast on a remuneration report resolution are voted against adoption of the remuneration report and at the first of those annual general meetings a Spill Resolution was not put to vote. If required, the Spill Resolution must be put to vote at the second of those annual general meetings.

If more than 50% of votes cast are in favour of the Spill Resolution, the company must convene a shareholder meeting (**Spill Meeting**) within 90 days of the second annual general meeting.

All of the directors of the company who were in office when the directors' report (as included in the company's annual financial report for the most recent financial year) was approved, other than the managing director of the company, will cease to hold office immediately before the end of the Spill Meeting but may stand for re-election at the Spill Meeting.

Following the Spill Meeting those persons whose election or re-election as directors of the company is approved will be the directors of the company.

2.3 Previous voting results

At the Company's previous annual general meeting the votes cast against the remuneration report considered at that annual general meeting were less than 25%. Accordingly, the Spill Resolution is not relevant for this Meeting.

3. RESOLUTION 2 – ELECTION OF DIRECTOR – ROBERT WAUGH

5. RESOLUTION 4 – APPROVAL OF 7.1A MANDATE

5.1 General

This Resolution seeks Shareholder approval by way of special resolution for the Company to have the additional 10% placement capacity provided for in Listing Rule 7.1A to issue Equity Securities without Shareholder approval.

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary shares it had on issue at the start of that period.

Under Listing Rule 7.1A, an Eligible Entity may seek shareholder approval by way of a special resolution passed at its annual general meeting to increase this 15% limit by an extra 10% to 25% (**7.1A Mandate**). An Eligible Entity means an entity which is not included in the S&P/ASX 300 Index and has a market capitalisation of \$300,000,000 or less. As of the date of this Notice, the Company's market capitalisation is approximately \$106.12 million. The Company is therefore an Eligible Entity.

5.2 Technical information required by Listing Rule 14.1A

For this Resolution to be passed, at least 75% of votes cast by Shareholders present and eligible to vote at the Meeting must be cast in favour of the Resolution.

If this Resolution is passed, the Company will be able to issue Equity Securities up to the combined 25% limit in Listing Rules 7.1 and 7.1A without any further Shareholder approval.

If this Resolution is not passed, the Company will not be able to access the additional 10% capacity to issue Equity Securities without Shareholder approval under Listing Rule 7.1A and will remain subject to the 15% limit on issuing Equity Securities without Shareholder approval set out in Listing Rule 7.1.

5.3 Technical information required by Listing Rule 7.3A

REQUIRED INFORMATION	DETAILS
Period for which the 7.1A Mandate is valid	The 7.1A Mandate will commence on the date of the Meeting and expire on the first to occur of the following: (a) the date that is 12 months after the date of this Meeting; (b) the time and date of the Company's next annual general meeting; and (c) the time and date of approval by Shareholders of any transaction under Listing Rule 11.1.2 (a significant change in the nature or scale of activities) or Listing Rule 11.2 (disposal of the main undertaking).
Minimum price	Any Equity Securities issued under the 7.1A Mandate must be in an existing quoted class of Equity Securities and be issued for cash consideration at a minimum price of 75% of the volume weighted average price of Equity Securities in that class, calculated over the 15 trading days on which trades in that class were recorded immediately before: (a) the date on which the price at which the Equity Securities are to be issued is agreed by the entity and the recipient of the Equity Securities; or (b) if the Equity Securities are not issued within 10 trading days of the date in paragraph (a) above, the date on which the Equity Securities are issued.
Use of funds	The Company intends to use funds raised from issues of Equity Securities under the 7.1A Mandate for the acquisition of new resources, assets and investments (including expenses associated with such an acquisition or investment), continued exploration expenditure and resource growth on the Company's current assets/or projects (funds would then be used for project feasibility studies and ongoing project administration), the

Risk of economic and voting dilution	Any issue of Equity Securities under the 7.1A Mandate will dilute the interests of Shareholders who do not receive any Shares under the issue. If this Resolution is approved by Shareholders and the Company issues the maximum number of Equity Securities available under the 7.1A Mandate, the economic and voting dilution of existing Shares would be as shown in the table below. The table below shows the dilution of existing Shareholders calculated in accordance with the formula outlined in Listing Rule 7.1A.2, on the basis of the closing market price of Shares and the number of Equity Securities on issue or proposed to be issued as at 22 October 2025. The table also shows the voting dilution impact where the number of Shares on issue (Variable A in the formula) changes and the economic dilution where there are changes in the issue price of Shares issued under the 7.1A Mandate. <table><tr><th colspan="2" rowspan="5">Number of Shares on Issue (Variable A in Listing Rule 7.1A.2)</th><th rowspan="5">Shares issued – 10% voting dilution</th><th colspan="3">DILUTION</th></tr><tr><th colspan="3">Issue Price</th></tr><tr><th>\$0.06</th><th>\$0.12</th><th>\$0.18</th></tr><tr><th>50% decrease</th><th>Issue Price</th><th>50% increase</th></tr><tr><th colspan="3">Funds Raised</th></tr><tr><td>Current</td><td>694,685,480</td><td>69,468,548</td><td>\$4,168,113</td><td>\$8,336,226</td><td>\$12,504,339</td></tr><tr><td>50% increase</td><td>1,042,028,220</td><td>104,202,822</td><td>\$6,252,169</td><td>\$12,504,339</td><td>\$18,756,508</td></tr><tr><td>100% increase</td><td>1,389,370,960</td><td>138,937,096</td><td>\$8,336,226</td><td>\$16,672,452</td><td>\$25,008,677</td></tr></table> *The number of Shares on issue (Variable A in the formula) could increase as a result of the issue of Shares that do not require Shareholder approval (such as under a pro-rata rights issue or scrip issued under a takeover offer) or that are issued with Shareholder approval under Listing Rule 7.1. The table above uses the following assumptions: - There are currently 694,685,480 Shares on issue, comprising 693,179,955 existing Shares on issue as at 22 October 2025 plus 1,505,525 Shares to be issued under the acquisition of the Comet Project, the subject of Resolution 6. - The issue price set out above is the closing market price of the Shares on the ASX on 22 October 2025 (being \$0.12) (Issue Price). The Issue Price at a 50% increase and 50% decrease are each rounded to three decimal places prior to the calculation of the funds raised. - The Company issues the maximum possible number of Equity Securities under the 7.1A Mandate. - The Company has not issued any Equity Securities in the 12 months prior to the Meeting that were not issued under an exception in Listing Rule 7.2 or with approval under Listing Rule 7.1. - The issue of Equity Securities under the 7.1A Mandate consists only of Shares. It is assumed that no Options are exercised into Shares before the date of issue of the Equity Securities. If the issue of Equity Securities includes quoted Options, it is assumed that those quoted Options are exercised into Shares for the purpose of calculating the voting dilution effect on existing Shareholders. REQUIRED INFORMATION	DETAILS
	6. The calculations above do not show the dilution that any one particular Shareholder will be subject to. All Shareholders should consider the dilution caused to their own shareholding depending on their specific circumstances. 7. This table does not set out any dilution pursuant to approvals under Listing Rule 7.1 unless otherwise disclosed. 8. The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%. 9. The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the 7.1A Mandate, based on that Shareholder's holding at the date of the Meeting. Shareholders should note that there is a risk that: (a) the market price for the Company's Shares may be significantly lower on the issue date than on the date of the Meeting; and (b) the Shares may be issued at a price that is at a discount to the market price for those Shares on the date of issue.
Allocation policy under 7.1A Mandate	The recipients of the Equity Securities to be issued under the 7.1A Mandate have not yet been determined. However, the recipients of Equity Securities could consist of current Shareholders or new investors (or both), none of whom will be related parties of the Company. The Company will determine the recipients at the time of the issue under the 7.1A Mandate, having regard to the following factors: (a) the purpose of the issue; (b) alternative methods for raising funds available to the Company at that time, including, but not limited to, an entitlement issue, share purchase plan, placement or other offer where existing Shareholders may participate; (c) the effect of the issue of the Equity Securities on the control of the Company; (d) the circumstances of the Company, including, but not limited to, the financial position and solvency of the Company; (e) prevailing market conditions; and (f) advice from corporate, financial and broking advisers (if applicable).
Previous approval under Listing Rule 7.1A.2	The Company previously obtained approval from its Shareholders pursuant to Listing Rule 7.1A at its annual general meeting held on 28 November 2024 (Previous Approval). During the 12-month period commencing on the date the Previous Approval was obtained, the Company issued 53,412,168 Shares pursuant to the Previous Approval (Previous Issue), which represent approximately 9.28% of the total diluted number of Equity Securities on issue in the Company on 28 November 2024, which was 575,710,271. 6. RESOLUTION 5 – CONFIRMATION OF APPOINTMENT OF AUDITOR

6.1 Background

On 6 February 2025, in accordance with section 327C of the Corporations Act, the Company appointed Criterion Audit Pty Ltd (**Criterion**) as auditor of the Company following ASIC's consent to the resignation of the previous auditor of the Company, RSM Australia Partners, in accordance with section 329(5) of the Corporations Act.

Following the above appointment, and in accordance with section 327C(2) of the Corporations Act, Criterion holds office as auditor of the Company until the Company's next annual general meeting, being the Meeting the subject of this Notice.

In accordance with section 327B(1)(b) of the Corporations Act, the Company now seeks Shareholder approval for the ongoing appointment of Criterion as the auditor of the Company and its controlled entities.

In accordance with section 328B of the Corporations Act, notice in writing nominating Criterion as auditor has been given to the Company by a Shareholder. A copy of this notice of nomination is attached to this Notice as Annexure A.

Criterion has provided to the Company, and has not withdrawn, its written consent to act as auditor of the Company, in accordance with section 328A(1) of the Corporations Act.

If this Resolution is passed, the appointment of Criterion as the Company's auditor will take effect at the close of this Meeting.

It is confirmed that RSM Australia Partners has given notice of its resignation as auditor of the Company in accordance with section 329(5) of the Corporations Act, to take effect on 6 February 2025, being the effective date of its resignation as consented to by ASIC.

6.2 Board Recommendation

The Board recommends that Shareholders vote in favour of this Resolution. The Chair of the Meeting intends to vote undirected proxies in favour of this Resolution.

7. RESOLUTION 6 – RATIFICATION OF AGREEMENT TO ISSUE CONSIDERATION SHARES

7.1 General

This Resolution seeks Shareholder ratification for the purposes of Listing Rule 7.4 for the agreement to issue 1,505,525 Shares (**Consideration Shares**) to Accelerate Resources Limited (ACN 617 821 771) (**AX8**) (and/or its nominees) pursuant to the Acquisition Agreement (defined below).

As announced on 6 October 2025, the Company entered into a binding agreement with AX8 to acquire a 75% interest in certain tenements located in Western Australia (**Tenements**), forming the Comet Project, and establish a joint venture (**Acquisition Agreement**).

Under the Acquisition Agreement, the Company has agreed to:

- (a) pay \$50,000 to AX8 as a reimbursement for expenditure incurred on the Tenements; and
- (b) issue the Consideration Shares to AX8 (and/or its nominees) (being that number of Shares to the value of \$200,000 calculated using the 5-day volume weighted average price of Shares for the period ending on the trading day (as that term is defined in the ASX Listing Rules) immediately preceding the execution date of the Acquisition Agreement),

as upfront consideration to acquire the 75% interest in the Tenements.

The Consideration Shares will be subject to voluntary escrow for a period of 12 months from the completion date.

Upon completion occurring, the parties will be deemed to have formed an unincorporated joint venture in relation to the Tenements (the Company: 75% and AX8: 25%).

AX8 will be free carried by the Company in relation to its 25% interest in the joint venture until completion of a Pre-Feasibility Study.

If the joint venture interest of a party reduces by dilution to 10% or less, then that party's joint venture interest will be reduced to nil and converted to a 1% net smelter returns royalty, with the Company holding the right to buy-back the royalty for \$1,000,000 within 90 days.

The Acquisition Agreement is subject to standard conditions precedent.

Refer to the Company's ASX Announcement released on 6 October 2025 for further details.

7.2 Listing Rule 7.1

A summary of Listing Rule 7.1 is set out in Section 5.1 above.

The agreement to issue the Consideration Shares does not fit within any of the exceptions set out in Listing Rule 7.2 and, as it has not yet been approved by Shareholders, it effectively uses up part of the 15% limit in Listing Rule 7.1, reducing the Company's capacity to issue further equity securities without Shareholder approval under Listing Rule 7.1 for the 12 month period following the date of the agreement to issue the Consideration Shares.

7.3 Listing Rule 7.4

Listing Rule 7.4 allows the shareholders of a listed company to approve an issue of equity securities after it has been made or agreed to be made. If they do, the issue is taken to have been approved under Listing Rule 7.1 and so does not reduce the company's capacity to issue further equity securities without shareholder approval under that rule.

The Company wishes to retain as much flexibility as possible to issue additional equity securities in the future without having to obtain Shareholder approval for such issues under Listing Rule 7.1. Accordingly, the Company is seeking Shareholder ratification pursuant to Listing Rule 7.4 for the agreement to issue the Consideration Shares.

7.4 Technical information required by Listing Rule 14.1A

If this Resolution is passed, the agreement to issue the Consideration Shares will be excluded in calculating the Company's 15% limit in Listing Rule 7.1, effectively increasing the number of equity securities the Company can issue without Shareholder approval over the 12 month period following the date of the agreement to issue the Consideration Shares.

If this Resolution is not passed, the agreement to issue the Consideration Shares will be included in calculating the Company's 15% limit in Listing Rule 7.1, effectively decreasing the number of equity securities that the Company can issue without Shareholder approval over the 12 month period following the date of the agreement to issue the Consideration Shares.
