4 Resolution 1 – Non-binding resolution to adopt Remuneration Report

4.1 General

Section 250R(2) of the Corporations Act requires the Company to put to its Shareholders a non-binding resolution that the Remuneration Report as disclosed in the Company's 2025 Annual Report, for the year ended 30 June 2025, be adopted. The Remuneration Report is set out in the Company's 2025 Annual Report and is also available on the Company's website www.genesisminerals.com.au.

The vote on Resolution 1 is advisory only and does not bind the Directors or the Company.

However, if at least 25% of the votes cast are against adoption of the Remuneration Report at two consecutive annual general meetings, the Company will be required to put a resolution to the second Annual General Meeting (**Spill Resolution**), to approve calling a general meeting (**Spill Meeting**). If more than 50% of Shareholders vote in favour of the Spill Resolution, the Company must then convene a Spill Meeting within 90 days of the second Annual General Meeting. All of the Directors who were in office when the applicable Directors' Report was approved, other than the Managing Director, will need to stand for re-election at the Spill Meeting if they wish to continue as Directors.

The Remuneration Report for the financial year ended 30 June 2024 was approved with 99.32% of votes in favour at the Company's last annual general meeting held on 14 November 2024. Accordingly, if at least 25% of the votes cast on Resolution 1 are against adoption of the Remuneration Report it will not result in the Company putting a Spill Resolution to Shareholders.

The Remuneration Report explains the Board policies in relation to the nature and level of remuneration paid to Directors, sets out remuneration details for each Director and any service agreements and sets out the details of any equity-based compensation. The Company notes that prior to the FY24 financial year, Genesis had implemented a unique remuneration structure for Key Management Personnel, reflecting materially below market base salaries with remuneration weighted towards at-risk equity, ensuring strong alignment with our Shareholders.

The Chairperson will give Shareholders a reasonable opportunity to ask questions about, or make comments on, the Remuneration Report.

Shareholders are urged to carefully read the Proxy Form and provide a direction to the proxy on how to vote on Resolution 1.

The Chairperson intends to exercise all available proxies in favour of Resolution 1.

4.2 Directors' recommendation

Resolution 1 is an ordinary resolution.

Given the personal interests of all Directors in this Resolution, the Board makes no recommendation to Shareholders regarding this Resolution.

5 Resolution 2 – Re-election of Ms Jacqueline Murray as a Director

8 Resolution 5 – Issue of FY26 NED Share Rights to Ms Jane Macey

8.1 General

In 2023, the Company established a scheme whereby Non-Executive Directors may elect to be remunerated partially in cash and partially in equity so as to further align their interests with our Shareholders.

Ms Jane Macey was appointed as a Director with effect from 17 June 2025 and has elected to participate in the Share Rights scheme under the Equity Incentive Plan in respect of her remuneration for FY26.

Resolution 5 seeks Shareholder approval for the issue of 6,869 Share Rights to Ms Macey (and/or her nominee(s)) in lieu of \$30,000 per annum of director fees for FY26 (**FY26 NED Share Rights**). The FY26 NED Share Rights will be granted to Ms Macey for nil consideration as the FY26 NED Share Rights are being issued as part of Ms Macey's remuneration. Ms Macey may direct the Company to grant the FY26 NED Share Rights to a nominee controlled by Ms Macey.

The FY26 NED Share Rights will automatically vest and convert into Shares if Ms Macey remains engaged by the Company (whether as an employee, Director or consultant) as at 30 June 2026.

If Ms Macey becomes a Leaver (as defined in Schedule 2) during FY26, a portion of the FY26 NED Share Rights (calculated on a time pro-rata basis) will be retained and vest. All other unvested FY26 NED Share Rights will lapse. However, the Board may determine in its absolute discretion that some or all of the unvested FY26 NED Share Rights will be retained and vest. In exercising its discretion, the Board may (but is not obliged to) have regard to the proportion of the performance period or service period in relation to the relevant FY26 NED Share Rights that has elapsed on the date Ms Macey became a Leaver and the circumstances in which Ms Macey became a Leaver.

The Board considers that the grant of FY26 NED Share Rights will be a cost effective method to further align Ms Macey's interests with Shareholders.

The terms and conditions of the FY26 NED Share Rights are detailed in Schedule 2.

A summary of the Equity Incentive Plan is detailed in Schedule 4.

Resolution 5 is an ordinary resolution.

The Chairperson intends to exercise all available proxies in favour of Resolution 5.

8.2 Section 200B of the Corporations Act

In accordance with section 200B of the Corporations Act, a company may only give a person a benefit in connection with their retirement from a managerial or executive office, or position of employment, in the Company or a Related Body Corporate if:

- (a) it is approved by shareholders under section 200E of the Corporations Act; or
- (b) an exemption applies (for example, where the benefit together with other benefits does not exceed the payment limits set out in the Corporations Act, including where the aggregate benefits do not exceed one year's average base salary).

Section 200B of the Corporations Act applies where the benefit is given to, among other persons, a person whose details were included in the Director's Report for the previous financial year. Ms Macey's details were included in the FY25 Directors' Report.

The term "benefit" is open to a potentially wide interpretation and may include automatic, or accelerated, vesting of share-based payments for a person or the exercise of discretion to allow a person to maintain a benefit they would not otherwise be entitled to retain, on, or as a result of, retirement from their position of employment in a company.

The benefits for which approval is being sought under Resolution 5 includes benefits that may result from the Board exercising discretions conferred under the terms of the Equity Incentive Plan and the terms and conditions of the FY26 NED Share Rights. The circumstances in which the early vesting of some or all of the FY26 NED Share Rights may be permitted at the Board's discretion could include, without limitation, upon Ms Macey becoming a Leaver or in connection with a Change of Control (as defined in Schedule 2) event.

The Company is therefore seeking Shareholder approval under section 200B of the Corporations Act for the exercise of the Board's discretion in

relation to termination benefits (if any) that may be awarded to Ms Macey pursuant to Resolution 5 under the Equity Incentive Plan and the terms and conditions of the FY26 NED Share Rights (detailed in Schedule 2) and does not of itself, guarantee that Ms Macey will receive such termination benefits.

8.3 Specific information required by section 200E of the Corporations Act

The following additional information in relation to Resolution 5 is provided to Shareholders for the purposes of section 200E of the Corporations Act:

- (a) the amount or value of the potential termination benefits that may be given to Ms Macey (and/or her nominee(s)) which may arise in connection with Ms Macey's retirement from a managerial or executive office cannot presently be ascertained. However, matters, events and circumstances that will, or are likely to affect the calculation of that amount or value include:
 - (i) the number of FY26 NED Share Rights held prior to ceasing to be a Non-Executive Director or being engaged by the Company (as applicable);
 - (ii) whether the Board exercises a discretion to waive the vesting condition (being, Ms Macey being engaged by the Company as at 30 June 2026);
 - (iii) the circumstances of, or reasons for ceasing to be a Non-Executive Director or being engaged by the Company (as applicable);
 - (iv) the length of service with the Company and performance over that period of time;
 - (v) any other factors that the Board determines to be relevant when exercising its discretion to provide potential retirement benefits to a Non-Executive Director;
 - (vi) the market price of Shares on ASX at the relevant time when the amount or value of the FY26 NED Share Rights is determined;
 - (vii) any changes in law; and
 - (viii) the risk-free rate of return in Australia and the estimated volatility of the Shares on ASX at the relevant time.
- (b) The Company will likely calculate the value of any potential termination benefits to be given at the relevant time based on the above factors.

8.4 Listing Rule 10.14

Listing Rule 10.14 provides that a listed company must not permit a director or an associate of any of the following persons to acquire securities under an employee incentive scheme without the approval of shareholders:

10.14.1 a director of the company;

10.14.2 an associate of a director of the company; or

10.14.3 a person whose relationship with the company or a person referred to in 10.14.1 or 10.14.2 is such that, in ASX's opinion, the acquisition should be approved by its shareholders.

The issue of FY26 NED Share Rights to Ms Macey (and/or her nominee(s)) falls within Listing Rule 10.14.1 and therefore requires Shareholder approval under Listing Rule 10.14.

Resolution 5 seeks Shareholder approve for the issue of FY26 NED Share Rights under and for the purposes of Listing Rule 10.14.

If Resolution 5 is passed, the Company will be able to proceed with the issue of the FY26 NED Share Rights to Ms Macey (and/or her nominee(s)) for the 12 month period ending 30 June 2026 in lieu of \$30,000 of Ms Macey's FY26 director fees. Approval pursuant to Listing Rule 7.1 will not be required as approval is being obtained under Listing Rule 10.14 (Listing Rule 7.2 Exception 14). Accordingly, if Resolution 5 is passed, the issue of the FY26 NED Share Rights will not be included in calculating the Company's 15% placement capacity under Listing Rule 7.1.

If Resolution 5 is not passed, the Company will not be able to proceed with the issue of the FY26 NED Share Rights to Ms Macey (and/or her nominee(s)) in lieu of \$30,000 of Ms Macey's FY26 director fees and the Company will be required to pay those fees in cash.

The total value attributed to the FY26 NED Share Rights is \$30,000, which Ms Macey has elected to receive in lieu of her FY26 director fees.
 - (i) The Company will grant the FY26 NED Share Rights to Ms Macey (and/or her nominee(s)) no later than three (3) years after the date of the Meeting.
 - (j) The FY26 NED Share Rights will be issued for nil consideration, as they are being granted in lieu of a proportion of director fees for FY26, being \$30,000 of her pre-tax cash FY26 director fees to be issued the FY26 NED Share Rights.

9 Resolution 6 – Issue of FY27 NED Share Rights to Non-Executive Directors

9.1 General

All Directors are encouraged to own Shares in the Company, which is reflected in the Company's minimum shareholding policy whereby Non-Executive Directors are expected to maintain a minimum shareholding equivalent to 50% of Non-Executive Director annual base fees to align the interests of Non-Executive Directors with the long-term success of the Company, thereby promoting alignment with the interests of Shareholders.

The Share Rights scheme under the Equity Incentive Plan was implemented in 2023 to assist Non-Executive Directors to satisfy the minimum shareholding policy by enabling Non-Executive Directors to elect to be remunerated partially in cash and partially in equity.

Resolution 6 seeks Shareholder approval, in accordance with Listing Rule 10.14 and Part 2D.2 of the Corporations Act (including sections 200B and 200E of the Corporations Act) and for all other purposes, for the grant of Share Rights which may be received in lieu of up to \$40,000 per annum of director fees for the Chairperson of the Company and up to \$30,000 per annum of director fees for other Non-Executive Directors of the Company (and/or their respective nominee(s)) from time to time under the Equity Incentive Plan (**FY27 NED Share Rights**). As at the date of this Notice the current Non-Executive Directors of the Company are:

- (a) Mr Anthony Kiernan (Chairperson);
- (b) Mr Michael Bowen;
- (c) Mr Gerard Kaczmarek;
- (d) Ms Jacqueline Murray; and
- (e) Ms Jane Macey.

The FY27 NED Share Rights will be granted to the Non-Executive Directors (and/or their respective nominee(s)) for nil consideration as the FY27 NED Share Rights are being issued as part of their annual remuneration. The Non-Executive Directors may direct the Company to grant the FY27 NED Share Rights to a nominee controlled by the relevant Non-Executive Director. The number of FY27 NED Share Rights to be granted in FY27 financial year will be calculated in accordance with the following formula:

$$\text{Number of FY27 NED Share Rights} = \frac{\text{Relevant Fees (A\$)}}{\text{Relevant VWAP}}$$

Where:

- **"Relevant Fees"** means the amount of Non-Executive Directors' fees (up to \$40,000 per annum of director fees of the Chairperson of the Company or up to \$30,000 per annum of director fees for other Non-Executive Directors) that the relevant Non-Executive Director has elected to receive in the form of FY27 NED Share Rights for the FY27 financial year.
- **"Relevant VWAP"** means the thirty day VWAP for Shares calculated up to but not including 1 July 2026.

The FY27 NED Share Rights will automatically vest and following receipt of a conversion notice, convert into Shares if the relevant Non-Executive

Director remains engaged by the Company (whether as an employee, Director or consultant) as at 30 June 2027.

If the relevant Non-Executive Director becomes a Leaver (as defined in Schedule 2) during the FY27 financial year, a portion of their FY27 NED Share Rights (calculated on a time pro-rata basis) will be retained. All other unvested FY27 NED Share Rights will lapse. However, the Board may determine in its absolute discretion that some or all of the unvested FY27 NED Share Rights will be retained and vest. In exercising its discretion, the Board may (but is not obliged to) have regard to the proportion of the performance period or service period in relation to the relevant FY27 NED Share Rights that have elapsed on the date the relevant Non-Executive Director became a Leaver and the circumstances in which the relevant Non-Executive Director became a Leaver.

The Board considers that the grant of the FY27 NED Share Rights will be a cost effective method to further align the Non-Executive Directors' interests with Shareholders.

The terms and conditions of the FY27 NED Share Rights are detailed in Schedule 2.

A summary of the Equity Incentive Plan is detailed in Schedule 4.

Resolution 6 is an ordinary resolution.

The Chairperson intends to exercise all available proxies in favour of Resolution 6.

The Company is therefore seeking Shareholder approval under section 200B of the Corporations Act for the exercise of the Board's discretion in relation to termination benefits (if any) that may be awarded to any Non-Executive Director pursuant to Resolution 6 under the terms of the Equity Incentive Plan and the terms and conditions of the FY27 NED Share Rights (detailed in Schedule 2) and does not of itself, guarantee that the relevant Non-Executive Director will receive such termination benefits.

10.2 Chapter 2E of the Corporations Act

Chapter 2E of the Corporations Act requires that for a public company to give a financial benefit to a related party of the public company, the public company must:

- obtain the approval of the public company's members in the manner in sections 217 to 227 of the Corporations Act; and
- give the benefit within 15 months following such approval,

unless the giving of the financial benefit falls within an exception in sections 210 to 216 of the Corporations Act.

The issue of the FY26 3-Year LTIs to Mr Coutts constitutes the giving of a financial benefit as Mr Coutts is a related party of the Company by virtue of being an executive Director. The Directors (other than Mr Coutts, given his interest in the outcome of Resolution 7) have considered the application of Chapter 2E of the Corporations Act and have resolved that the reasonable remuneration exception provided by section 211 of the Corporations Act is applicable. Accordingly, the Company will not seek approval for the issue of the FY26 3-Year LTIs pursuant to section 208 of the Corporations Act.

10.3 Section 200B of the Corporations Act

A summary of section 200B of the Corporations Act is detailed in Section 8.2.

The benefits for which approval is being sought under Resolution 7 includes benefits that may result from the Board exercising discretions conferred under the terms of the Equity Incentive Plan and the terms and conditions of the FY26 3-Year LTIs. In particular, the Board will have the discretion to determine that, when Mr Coutts is no longer an Eligible Participant, some or all of the FY26 3-Year LTIs will not lapse at that time (if they would otherwise lapse), will vest or that some or all of the vesting conditions and/or exercise conditions will be waived, will be retained or will be exercised or converted into Shares. The Board's discretion in relation to the FY26 3-Year LTIs is also outlined in the terms and conditions of the FY26 3-Year LTIs are detailed in Schedule 3 and the summary of the Equity Incentive Plan is detailed in Schedule 4.

One of the benefits for which approval is sought under Resolution 7 is the potential for Shares to be issued or transferred to Mr Coutts upon conversion of the FY26 3-Year LTIs as a result of the Board exercising a discretion to vest the FY26 3-Year LTIs as a termination benefit.

The Company is therefore seeking Shareholder approval under section 200B of the Corporations Act for the exercise of the Board's discretion in relation to termination benefits (if any) that may be awarded to Mr Coutts in connection with the FY26 3-Year LTIs under the Equity Incentive Plan or the terms and conditions of the FY26 3-Year LTIs and does not of itself, guarantee that Mr Coutts will receive such termination benefits.

10.4 Specific information required by section 200E of the Corporations Act

The following additional information in relation to Resolution 7 is provided to Shareholders for the purposes of section 200E of the Corporations Act:

- The amount or value of the potential termination benefit relating to the FY26 3-Year LTIs to be issued to Mr Coutts (and/or his nominee(s))

which may arise in connection with his retirement from a managerial or executive office cannot be presently ascertained. However, matters, events and circumstances that will, or are likely to affect the calculation of that amount or value include:

 - (ii) the outstanding conditions (if any) of vesting of the FY26 3-Year LTIs and the number that the Board determines to vest, lapse or leave on foot;

 - (viii) the market price of Shares on ASX at the relevant time when the amount or value of the FY26 3-Year LTIs is determined;
 - (ix) any changes in law; and
 - (x) the risk-free rate of return in Australia and the estimated volatility of the Shares on ASX at the relevant time.
- (b) The Company will likely calculate the value of the benefit at the relevant time based on the above factors and using the Black Scholes or Monte Carlo pricing models (as applicable) to value the FY26 3-Year LTIs.

The benefits for which approval is being sought under Resolution 9 includes benefits that may result from the Board exercising discretions conferred under the terms of the Equity Incentive Plan or the terms of the FY26 3-Year LTIs. In particular, the Board will have the discretion to determine that, when Mr Finlayson is no longer an Eligible Participant, some or all of the FY26 3-Year LTIs will not lapse at that time (if they would otherwise lapse), will vest or that some or all of the vesting conditions and/or exercise conditions will be waived, will be retained or will be exercised or converted into Shares. The Board's discretion in relation to the FY26 3-Year LTIs are also outlined in the terms and conditions of the FY26 3-Year LTIs are detailed in Schedule 3 and the summary of the Equity Incentive Plan is detailed in Schedule 4.

One of the benefits for which approval is sought under Resolution 9 is the potential for Shares to be issued or transferred to Mr Finlayson upon conversion of the FY26 3-Year LTIs as a result of the Board exercising a discretion to vest the FY26 3-Year LTIs as a termination benefit.

The Company is therefore seeking Shareholder approval under section 200B of the Corporations Act for the exercise of the Board's discretion in relation to termination benefits (if any) that may be awarded to Mr Finlayson in connection with the FY26 3-Year LTIs under the Equity Incentive Plan or the terms and conditions of the FY26 3-Year LTIs and does not of itself, guarantee that Mr Finlayson will receive such termination benefits.

12.4 Specific information required by section 200E of the Corporations Act

The following additional information in relation to Resolution 9 is provided to Shareholders for the purposes of section 200E of the Corporations Act:

- (a) The amount or value of the potential termination benefit relating to the FY26 3-Year LTIs to be issued to Mr Finlayson (and/or his nominee(s)) which may arise in connection with his retirement from a managerial or executive office cannot be presently ascertained. However, matters, events and circumstances that will, or are likely to affect the calculation of that amount or value include:
 - (i) the number of FY26 3-Year LTIs held by Mr Finlayson prior to ceasing employment or being engaged by the Company;
 - (ii) the outstanding conditions (if any) of vesting of the FY26 3-Year LTIs and the number that the Board determines to vest, lapse

- (b) The Company will likely calculate the value of the benefit at the relevant time based on the above factors using the Black Scholes or Monte Carlo pricing models (as applicable) to value the FY26 3-Year LTIs.

Resolution 9 seeks Shareholder approval to issue the 297,000 FY26 3-Year LTIs under and for the purposes of Listing Rule 10.14.

If Resolution 9 is not passed, the Company will not be able to proceed with the issue of the FY26 3-Year LTIs to Mr Finlayson (and/or his nominee(s)) and the Company and Mr Finlayson may consider alternative forms of remuneration.

12.7 Directors' recommendation

13 Resolution 10 – Approval of Potential Termination Benefits – Key Management Personnel

13.1 General

The Company has issued various Performance Rights to Relevant Personnel as announced to ASX by the Company and contained in annual reports released by the Company. If Shareholder approval is obtained, the Company will be able to provide the benefits detailed in this section 13 to the Relevant Personnel when they cease employment or engagement, or cease to hold a managerial or executive office with the Company or a Related Body Corporate.

Resolution 10 is an ordinary resolution.

The Chairperson intends to exercise all available proxies in favour of Resolution 10.

13.2 Section 200B of the Corporations Act

A summary of section 200B of the Corporations Act is detailed in Section 8.2.

The benefits for which approval is being sought under Resolution 10 include (together, the **Potential Termination Benefits**) include benefits that may result from the Board exercising discretions conferred under the terms of the Equity Incentive Plan and the terms and conditions of the Performance Rights issued to Relevant Personnel. In particular, the Board will have the discretion to determine that, when a Relevant Personnel is no longer an Eligible Participant, some or all of their Performance Rights will not lapse at that time (if they would otherwise lapse), will vest or

that some or all of the vesting conditions and/or exercise conditions will be waived, will be retained or will be exercised or converted into Shares. The Board's discretion in relation to the Performance Rights are also outlined in the terms and conditions of the Performance Rights are detailed in Schedule 3 and the summary of the Equity Incentive Plan is detailed in Schedule 4.

One of the benefits for which approval is sought under Resolution 10 is the potential for Shares to be issued or transferred to Relevant Personnel upon exercise or conversion of the Performance Rights as a result of the automatic vesting of the Performance Rights or the Board exercising a discretion to vest the Performance Rights as termination benefit.

13.3 Specific information required by section 200E of the Corporations Act

The following additional information in relation to Resolution 10 is provided to Shareholders for the purposes of section 200E of the Corporations Act:

- (a) The amount or value of the benefits that may be provided to the Relevant Personnel in accordance with Resolution 10 cannot be presently ascertained. However, matters, events and circumstances that will, or are likely to affect the calculation of that amount or value include:
- (i) the number of Performance Rights held by the Relevant Personnel prior to ceasing employment or engagement with the Company;
 - (ii) the outstanding conditions (if any) of vesting of the Performance Rights and the number of Performance Rights that the Board determines to vest, lapse or leave on foot;

 - (v) the circumstances of, or reasons for, ceasing employment with the Company;
 - (vi) the length of service with the Company and performance over that period of time;
 - (vii) any other factors that the Board determines to be relevant when exercising its discretion to provide the potential termination benefits;
 - (viii) the market price of the Shares on ASX at the relevant time when the amount or value of the Performance Rights is determined;
 - (ix) any changes in law; and

- (b) The Company will likely calculate the value of the benefits to be given at the relevant time based on the above factors and using the Black Scholes or Monte Carlo pricing models.

13.4 Directors' recommendation

The Directors recommend that Shareholders vote in favour of Resolution 10.

14 Resolution 11 – Financial Assistance

14.1 The proposed resolution

Resolution 11 seeks the approval of the Shareholders, pursuant to section 260B(2) of the Corporations Act, for financial assistance which is to be provided by Laverton Gold Pty Ltd ACN 087 360 996 (**Laverton Gold**) to assist the acquisition by Genesis Minerals (Laverton) Pty Ltd ACN 154 262 978 (as Buyer) (**GML**) (a wholly owned subsidiary of the Company) of all of the issued shares in Laverton Gold.

Approval is sought by special resolution, which requires at least 75% of the votes that are cast on the resolution to be in favour of the resolution.

14.2 Background

Under a share purchase agreement dated 23 May 2025 between the Company (as Guarantor), Focus Minerals Limited ACN 005 470 799 (as Seller) and GML (as Buyer), GML acquired all of the shares in Laverton Gold (the **Acquisition**) and Laverton Gold became a wholly owned subsidiary of the Company. The Acquisition completed on 4 June 2025.

The Company is the listed Australian holding company of GML. Accordingly, on completion of the Acquisition, the Company became the listed Australian holding company of Laverton Gold.

In order to assist in funding part of the purchase price for the Acquisition, the Company utilised existing facilities available under the syndicated facility agreement dated 23 December 2024 (as amended on 22 May 2025) between, among others, the Company and National Australia Bank Limited ACN 004 044 937, Sumitomo Mitsui Banking Corporation ARBN 114 053 459 and Westpac Banking Corporation ACN 007 457 141 (the **Lenders**), Westpac Administration Pty. Limited ACN 008 617 203 (as **Security Trustee**) and Westpac Banking Corporation ACN 007 457 141 (as **Agent**) (the **Facility Agreement**). Under the Facility Agreement, the Lenders agree to provide financial accommodation (the **Facilities**) to the

Company to fund, among other things, the general corporate and working capital requirements of the Company and the subsidiaries of the Company from time to time (the Company and its subsidiaries together, the **Group**).

The Company and certain of its subsidiaries guarantee the Facilities and grant security over all of their assets in favour of the Security Trustee to secure the Facilities. The Security Trustee holds that security on trust for the Lenders under a security trust deed dated 23 December 2024 between, among others the Company and the Security Trustee (**Security Trust Deed**).

Under the terms of the Facility Agreement, the Company is required to ensure that Laverton Gold accedes as an 'Additional Guarantor' (as defined within the Facility Agreement) to the Facility Agreement which will require Laverton Gold to provide, among other things, in accordance with the Facility Agreement:

- (a) an accession letter for the purposes of the Facility Agreement and an accession deed for the purposes of the Security Trust Deed;
- (b) a guarantee and indemnity in favour of the Lenders to guarantee all amounts (the **Guaranteed Money**) owing under or in relation to the Facilities (the **Guarantee**); and
- (c) security over all of its assets in favour of the Security Trustee to secure the Guaranteed Money (the **Security**).

The Company has discretion to enter into hedging arrangements with one or more of the Lenders to hedge its commodity and foreign exchange exposure under the Facilities (**Hedging Agreements**). The Hedging Agreements will also be guaranteed by the Guarantee and secured by the Security.

In addition to executing the Guarantee and granting the Security, Laverton Gold may, or may be required to:

- (a) execute, or accede or consent to, any instrument referred to in, or incidental or related to, the "Finance Documents" (as defined in the Facility Agreement, and including any document to be entered into at any time for the purpose of amending, varying, replacing, restating, novating or supplementing such instruments) (**the Finance Documents**);
- (b) subordinate its intercompany claims;
- (c) make available directly or indirectly its cash flows or other resources in order to enable the Company or other subsidiaries of the Company to comply with their obligations under the Finance Documents; and
- (d) provide additional support (which may include incurring additional obligations, giving new guarantees or new security interests) in connection with the Finance Documents, including in connection with any refinancing of amounts owing under or in respect of the Finance Documents.

Execution by Laverton Gold of the Guarantee and Security, and entry into any of the other transactions listed or contemplated above (together, the **Financial Assistance**) will have the effect of Laverton Gold financially assisting in the acquisition of its own shares for the purposes of the Corporations Act.

14.3 Why shareholder approval is required

Under section 260A(1) of the Corporations Act, a company may financially assist a person to acquire shares in it or its holding company only in certain limited circumstances, including where the assistance is approved by shareholders under section 260B of the Corporations Act.

Under section 260B(1) of the Corporations Act, shareholder approval must be given by the shareholders of the company at a general meeting by either:

- (a) a special resolution, with no votes being cast in favour of the resolution by the person acquiring the shares (or units of shares) or by their associates; or
- (b) a resolution agreed to, at a general meeting, by all ordinary shareholders.

In addition, because Laverton Gold became a subsidiary of a listed Australian holding corporation (the Company) immediately after the Acquisition, the financial assistance must also be approved by a special resolution passed at a general meeting of the Company under section 260B(2) of the Corporations Act.

The giving of the Financial Assistance has been, or will be, approved by a unanimous resolution of Laverton Gold in accordance with section 260B(1) of the Corporations Act. Accordingly, it is proposed that the Financial Assistance now be approved by special resolution of the Shareholders.

14.4 Effect of the Financial Assistance

The Company is already itself liable for amounts payable under the Finance Documents and has provided security over its assets to secure the amounts due under the Finance Documents, so the giving of the Financial Assistance is unlikely to adversely affect the Company or Laverton Gold, except that the operations of Laverton Gold will be restricted by the representations and undertakings given by them under the Finance Documents.

The Guarantee and Security to be given by Laverton Gold will be on substantially the same terms as the Guarantee and Security already given by the Company to secure the Guaranteed Money.

The substantial effect of the Financial Assistance on Laverton Gold will be that Laverton Gold will have guaranteed the amounts payable under

the Finance Documents, and granted one or more security interests over all of its assets and undertakings to secure all obligations under the Finance Documents.

The principal advantage to the Company (and, indirectly, Laverton Gold) is to ensure that the Company and its subsidiaries continue to have the benefit of the Facilities and comply with their obligations under the Facility Agreement.

Other advantages to Laverton Gold include that it:

- (a) may benefit from the working capital facilities provided under the Finance Documents;
- (b) may benefit from repayment of its existing indebtedness from funds drawn under the Facilities; and
- (c) may benefit from assisting the Company to raise money in order to later provide its subsidiaries with finance on better terms than would have been available to Laverton Gold on a stand-alone basis;
- (d) will be able to draw on the capital resources and management expertise of the Group, while retaining existing expertise and knowledge in the industry in which they operate.

On the other hand, the disadvantages of the Financial Assistance for Laverton Gold include that:

- (a) it will become liable for all amounts outstanding under the Finance Documents;
- (b) if an event of a default was to occur under the Facility Agreement, the Lender may require immediate repayment of all amounts outstanding under the Finance Documents and enforce the Guarantee and/or the Security granted by Laverton Gold to recover amounts due. This may result in a winding up or the appointment of a receiver and a sale of its assets, which could result in a lower return than could have been achieved had those assets been sold in the ordinary course of business; and
- (c) its assets will be subject to the Security, and its operations and ability to independently obtain finance from other sources may be restricted by the Security and the undertakings, representations and warranties given under the Finance Documents.

The directors of the Company have considered the giving of the Financial Assistance and are of the opinion that there are reasonable grounds to believe that it is in the best interests and for the commercial benefit of the Company and Laverton Gold.

14.5 Passing Resolution 11

Resolution 11 will be passed if 75% of the votes cast by Shareholders who are entitled to vote, vote in favour of the resolution. Shareholders may vote either for or against Resolution 11.

14.6 Directors recommendation

The Chairperson intends to exercise all available proxies in favour of Resolution 11.

The Directors recommend that Shareholders vote in favour of Resolution 11.

14.7 Notice to ASIC

A copy of this Notice of Annual General Meeting was lodged with the ASIC before being sent to the Shareholders, as required by section 260B(5) of the Corporations Act.

14.8 Disclosure

The Directors consider that this Explanatory Statement contains all information known to the Company that would be material to the decision of Shareholders on how to vote on the financial assistance resolution set out in Resolution 11, other than information which would be unreasonable to include because it had previously been disclosed to Shareholders.

15 Resolution 12 – Appointment of Auditor

15.1 Background

On 18 December 2024, in accordance with section 327C of the Corporations Act, the Company appointed BDO Audit Pty Ltd (**BDO Audit**) as auditor of the Company following ASIC's consent to the resignation of the Company's previous auditor, Hall Chadwick, in accordance with section 329(5) of the Corporations Act.

Following the above appointment, and in accordance with section 327C(2) of the Corporations Act, BDO Audit holds office as auditor of the Company until the Company's next annual general meeting.

In accordance with section 327B(1)(b), the Company seeks Shareholder approval for the ongoing appointment of BDO Audit as auditor of the Company and its controlled entities.

In accordance with section 328B of the Corporations Act, notice in writing nominating BDO Audit as auditor has been given to the Company by a Shareholder. A copy of this notice is attached as Schedule 6.

BDO Audit has provided to the Company, and has not withdrawn, its written consent to act as auditor of the Company, in accordance with section 328A(1) of the Corporations Act.

If Resolution 12 is passed, the appointment of BDO Audit as the Company's auditor will take effect at the close of this Meeting.

The Chairperson intends to exercise all available proxies in favour of Resolution 12.

15.2 Directors' recommendation

The Directors recommend that Shareholders vote in favour of Resolution 12.

16 Resolution 13 – Amendment to the Company's Constitution

16.1 Background

Pursuant to section 136(2) of the Corporations Act, a company may amend its constitution by way of a special resolution passed by its shareholders. Therefore, this Resolution 13 is a special resolution that will only be passed if at least 75% of the total votes cast by shareholders entitled to vote on this Resolution 13 are voted in its favour.

If Resolution 13 is passed by the requisite majority, the Constitution will be amended as set out in the amended Constitution tabled at the meeting. The proposed amendments to the Constitution are available in mark-up on the Company's website at:- <https://genesisminerals.com.au/sustainability/corporate-governance/>

Proposed amendments to the Constitution

Resolution 13 proposes to amend the Constitution to account for recent developments in law and general corporate practice for ASX-listed companies. The main proposed changes are noted below:

Use of Technology at General Meetings

Under the Corporations Act, companies are permitted to hold meetings of members physically or as a hybrid meeting but are only allowed to hold wholly virtual meetings of members if the company's constitution expressly allows the company to do so. The current Constitution does not contemplate virtual meetings and, accordingly, amendments are proposed to include a new clause 14 in the Constitution to expressly allow the Company to hold wholly virtual meetings of Shareholders. While the Company does not envisage that it will hold wholly virtual meetings soon, it considers it prudent to ensure its constitution permits it, should it be required.

The Company only intends to hold a wholly virtually meeting of Shareholders in exceptional circumstances where an in-person meeting cannot be held due to any restrictions imposed by law or it is otherwise not practicable. All Shareholders will receive reasonable opportunity to participate in any wholly virtual meetings held by the Company and the Company does not intend that virtual meetings replace in-person meetings where in-person meetings are practical.

14 Use of technology at General Meetings

14.1 Use of technology

- (a) *To the extent permitted under the Corporations Act, Listing Rules and any other applicable law, a general meeting may be convened using virtual technology only, or at two or more venues, provided that the form of technology used provides all shareholders entitled to attend the meeting, as a whole, a reasonable opportunity to participate in the meeting without being physically present in the same place.*
- (b) *The provisions of this Constitution relating to general meetings apply, so far as they can and with any necessary changes to ensure compliance with the Corporations Act, Listing Rules and any other applicable law, to general meetings held using that technology.*
- (c) *Where a general meeting is held using virtual technology only or at two or more venues using any form of technology:*
 - (i) *a Shareholder participating in the meeting is taken to be present in person at the meeting;*
 - (ii) *any documents required or permitted to be tabled at the meeting will be taken to have been tabled at the meeting if the document is given, or made available, to the persons entitled to attend the meeting (whether physically or using technology) before or during the meeting; and*
 - (iii) *the meeting is taken to be held at the physical venue set out in the notice of meeting, or at the registered office of the Company if the meeting is held using virtual technology only.*

14.2 Communication of meeting documents

To the extent permitted under the Corporations Act, Listing Rules and any other applicable law, any document that is required or

permitted to be given to a Shareholder that relates to a Shareholders' meeting (including, but not limited to, the notice of meeting) may be distributed:

- (a) *by means of electronic communication; or*
- (b) *by giving the Shareholder (by means of an electronic communication or otherwise) sufficient information to allow the person to access the document electronically,*

in accordance with the Corporations Act.'

Other amendments

Other more minor amendments have been proposed, as outlined in the marked up copy of the amended Constitution available at <https://genesisminerals.com.au/sustainability/corporate-governance/>

16.2 Professional Advice

If you have any doubt or do not understand Resolution, it is strongly recommended that you seek advice from a solicitor or other professional advisor. Directors' Recommendation. **Directors' recommendation**

The Directors recommend that Shareholders vote in favour of Resolution 13.

17 Resolution 14 – Renewal of Proportional Takeover Provisions

17.1 Background

The Company wishes to renew the proportional takeover provision in its current Constitution, which was last amended by Shareholders at the Company's annual general meeting on 27 November 2023 (**Proportional Takeover Provisions**). The Proportional Takeover Provisions were last approved by Shareholders upon the adoption of the Constitution at a general meeting on 4 September 2020.

Section 648G(1) of the Corporations Act provides that a company's proportional takeover provisions will cease to have effect at the end of three years from the date of adoption (or renewal, as the case may be). The Company accordingly seeks the Shareholder approval of Resolution 14 for the refresh of the Proportional Takeover Provisions under clause 36 of its current Constitution, which, for the purposes of the Corporations Act, requires the same process to amend or adopt a new constitution for the purposes of 136(2) of the Corporations Act.

Pursuant to section 136(2) of the Corporations Act, a modification to the Constitution (which includes renewal of the Proportional Takeover Provisions) can only be effected by way of a special resolution passed by its Shareholders. Therefore, this Resolution 14 is a special resolution that can only be passed if at least 75% of the total votes cast by Shareholders entitled to vote on this Resolution are voted in its favour.

Proportional takeover bid

A proportional takeover bid is a takeover bid where the offer made to each Shareholder is only for a proportion of the Shareholder's Shares. If a Shareholder accepts, in full, an offer under a proportional takeover bid, the Shareholder will only dispose of a specified portion of their Shares in the Company and retain the balance of the Shares.

The Proportional Takeover Provisions are designed to assist Shareholders to receive proper value for their Shares if a proportional takeover bid is made for the Company by providing, in the Constitution, that:

- (a) in the event of a proportional takeover bid being made for Shares in the Company, Shareholders are required to vote and collectively decide whether to accept or reject the offer; and
- (b) the majority decision of the Company's members will be binding on all Shareholders.

Effect of the proposed provisions

Where offers have been made under a proportional takeover bid in respect of a class of securities in a company, the registration of a transfer giving effect to a contract resulting from the acceptance of an offer made under such a proportional takeover bid is prohibited unless and until a resolution to approve the proportional takeover bid is passed by Shareholders or otherwise, as pursuant to the terms of the Proportional Takeover Provisions.

In more detail, the effect of the Proportional Takeover Provisions is as follows:

- (a) if a proportional takeover bid is made for Securities of the Company, the Directors must ensure that a meeting of Shareholders is convened to vote on a resolution to approve that bid;
- (b) the bidder and persons associated with the bidder may not vote;
- (c) approval of the bid will require a simple majority of the votes cast;
- (d) the meeting must take place more than 14 days before the last day of the bid period (**Resolution Deadline**);

-
- (e) if the resolution is rejected before the Resolution Deadline, the bid cannot proceed and any transfers giving effect to takeover contracts for the bid will not be registered;
 - (f) the bid will be taken to have been approved if, as at the end of the day before the Resolution Deadline, the resolution has not been voted on;
 - (g) if the resolution is approved, the transfers must be registered (subject to other provisions of the Corporations Act and the Constitution); and
 - (h) the Directors will breach the Corporations Act if they fail to ensure the resolution is voted on. However, the bid will still be taken to have been approved if it is not voted on within the Resolution Deadline.

The Proportional Takeover Provisions do not apply to full takeover bids. If the Proportional Takeover Provisions are adopted, they will cease to apply at the end of three years after renewal unless renewed by a special resolution of Shareholders.

Reasons for the proposed provisions

In the absence of the Proportional Takeover Provisions, a proportional takeover bid may result in control of the Company changing without Shareholders having an opportunity to dispose of all their Shares. By making a partial bid, a bidder can obtain practical control of the Company by acquiring less than a majority interest. Shareholders could be exposed to the risks of passing control to the bidder without payment of an adequate control premium for all their Shares and being left with a minority interest in the Company. Such Shareholders could suffer potential further loss if the takeover bid were to cause a decrease in the Share price or otherwise make the Shares less attractive and, therefore, more difficult to sell.

Knowledge of any acquisition proposals

As at the date of this Notice of Meeting, no Director is aware of any proposal to acquire, or to increase the extent of, a substantial interest in the Company.

Advantages and disadvantages during the period in which they have been in effect

The Directors consider that the Proportional Takeover Provisions had no advantages or disadvantages for them during the period in which they have been in effect. The advantages and disadvantages of the Proportional Takeover Provisions for Shareholders include those set out below, which were applicable during the period in which they have been in effect.

Potential advantages and disadvantages

The adoption of the Proportional Takeover Provisions will enable the Directors to formally ascertain the views of the Shareholders in respect of a proportional takeover bid. Without such provisions, the Directors are dependent upon their perception of the interests and views of Shareholders. Other than this advantage, the Directors consider that the Proportional Takeover Provisions have no potential advantages or disadvantages for them and that they remain free to make a recommendation on whether an offer under a proportional takeover bid should be accepted.

The potential advantages of the Proportional Takeover Provisions for Shareholders include:

- (a) providing the right to discuss, in a meeting called specifically for that purpose, and then decide, by majority vote, whether an offer under a proportional takeover bid should proceed;
- (b) assisting the prevention of Shareholders being locked in as a minority;
- (c) increasing the bargaining power of Shareholders which may assist in ensuring that any proportional takeover bid is adequately priced;
- (d) potentially increasing the likelihood of a full takeover bid rather than a proportional takeover bid; and/or
- (e) enabling individual Shareholders to better assess the likely outcome of the proportional takeover bid, by knowing the view of the majority of Shareholders, which may assist in deciding whether to accept or reject an offer under the bid.

The potential disadvantages of the Proportional Takeover Provisions for Shareholders include:

- (a) imposing a hurdle to, and potentially discouraging the making of, provisional takeover bids which, in turn, may reduce any takeover speculation element in the price of Shares;
- (b) potentially reducing the likelihood of success of a proportional takeover bid;
- (c) possible reduction or loss of opportunities for Shareholders to sell some or all of their Shares at a premium; and/or
- (d) potentially causing some Shareholders to form the view that the Proportional Takeover Provisions impose an unreasonable restriction on their ability to freely deal with their Shares.

Accordingly, the Company wishes to renew clause 36 of the current Constitution, which prescribes the procedure to be followed when a proportional off-market bid is made.

Prior to the Meeting, a copy of the Constitution is available for review by Shareholders at the Company's registered office during normal business hours. A copy of the Constitution can also be sent to Shareholders of the Company upon a request being made to the Company Secretaries on +61 8 6323 9050, or alternatively the Company's Constitution can be located at <https://genesiminerals.com.au/sustainability/corporate-governance/>

A complete signed copy of the Constitution will be tabled at the Meeting.

 - (b) the holder will retain a Relevant Proportion of their unvested LTIs (which is calculated as a percentage of the performance period or service period in relation to the LTIs that has elapsed on the date the Relevant Person became a Good Leaver) on the same terms and conditions on which those unvested LTIs were held prior to becoming a Good Leaver;
 - (c) the Board may, in respect to any unvested LTIs which are not retained pursuant to paragraph 1.11(b), exercise its discretion to permit the holder to retain part or all of the remaining LTIs on the terms and conditions on which those unvested LTIs were held prior to becoming a Good Leaver or determine that such LTIs vest regardless of whether the Vesting Conditions have been satisfied or waived by the Board; and
 - (d) any unvested LTIs which are not retained pursuant to paragraphs 1.11(b) or 1.11(c) shall lapse.
- 1.12 **(Malus and clawback)**: Where, in the opinion of the Board, a holder:
- (a) acts fraudulently or dishonestly;
 - (b) wilfully breaches their duties to the company (or any other entity within the same corporate group as the Company);
 - (c) is responsible for: material financial misstatements; major negligence; significant legal; regulatory and/or policy non-compliance; or significant harmful act; or
 - (d) breaches the Company's Code of Conduct,
- then the Board may determine that:
- (e) some or all of the LTIs will not be issued to the holder; and/or

- 1.13 **(Holder Statement)**: On issue of the LTIs a holding statement or certificate will be issued by the Company for the LTIs.
- 1.14 **(Change of Control)**: Subject to the Corporations Act, the Listing Rules and any other applicable law, if a Change of Control occurs or the Board determines for the purpose of the Equity Incentive Plan that a Change of Control is likely to occur:
- (a) a Relevant Proportion of the holder's unvested LTIs will vest;
 - (b) the Board may, in respect of any LTIs which have not automatically vested in accordance with paragraph 1.14(a), exercise its discretion to allow the holder to retain a portion or all of the remaining unvested LTIs or determine that such LTIs vest regardless of whether the Vesting Conditions have been satisfied or waived by the Board at that time; and
 - (c) the Board may determine the manner in which the holder's Shares delivered on exercise of the holder's LTIs will be dealt with.
- 1.15 **(Quotation of the LTIs)**: The LTIs will not be quoted on the ASX.
- 1.16 **(Lapse)**: Where the Vesting Conditions applicable to the LTIs have been satisfied or waived by the Board, or the holder has not exercised those vested LTIs in accordance with the Equity Incentive Plan, in each case by the Expiry Date, those LTIs will automatically expire.
- 1.17 **(Cash Payment or Shares)**: Upon vesting of LTIs and the exercise of those vested LTIs by the holder, the Board may elect that either:
- (a) the Company will arrange for the holder to receive the number of Shares to which the holder is entitled for the vested LTIs (**Equity Settled**); or
 - (b) the Company will pay the holder Cash Payment (as defined herein) in accordance with the terms of the Equity Incentive Plan.
- 1.18 **(Issue of Shares)**: If any LTIs are Equity Settled pursuant to paragraph 1.17, as soon as practicable after the vesting of the LTIs and the exercise of those LTIs by the holder, the Company will: issue, allocate or cause to be transferred to the holder, the Shares pursuant to which the holder is entitled (including when Equity Settled):
- (a) if required, subject to paragraph 1.19 below, give ASX notice that complies with section 708A(5)(e) of the Corporations Act; and
 - (b) do all such acts, matters and things to obtain official quotation on ASX of the Shares issued pursuant to the vesting and exercise of the LTIs (including when Equity Settled) in accordance with the Listing Rules,
- within ten (10) business days after the satisfaction or waiver by the Board of the relevant Vesting Condition.
- 1.19 **(Restrictions on transfer of Shares)**: if the Company is unable to give ASX a notice that complies with section 708A(5)(e) of the Corporations Act, or such notice for any reason is not effective to ensure that an offer for sale of the Shares does not require disclosure to investors, Shares issued on exercise of the Share Rights may not be traded until 12 months after issue unless the Company, at its
-

sole discretion, elects to issue a prospectus pursuant to section 708A(11) of the Corporations Act. The Company is authorised by the Non-Executive Director to apply a holding lock on the relevant Shares during the period of such restriction from trading.

- 1.20 **(Ranking)**: All Shares issued upon vesting and exercise of the LTIs (including when Equity Settled) will rank *pari passu* in all respects with the Company's then existing Shares.
- 1.21 **(Adjustment for reorganisation)**: If there is any reorganisation of the issued share capital of the Company, all rights of the holder are to be changed in a manner consistent with the Corporations Act and the Listing Rules applicable at the time of the reorganisation.
- 1.22 **(LTIs do not confer entitlement)**: A holder who holds LTIs is not entitled by virtue of holding those LTIs to:
- (a) notice of, or to vote or attend at, a meeting of Shareholders;
 - (b) receive any dividends declared by the Company;
 - (c) any right to a return of capital, whether in winding up of the Company, upon a reduction of capital in the Company or otherwise;
 - (d) participate in new issues of capital offered to holders of Shares such as bonus issues and entitlement issues;
 - (e) participate in any new issues of Equity Securities offered to Shareholders during the term of the LTIs; or
 - (f) subject to the Board's right to elect to Equity Settle any vested and exercised LTIs pursuant to paragraph 1.17, cash for the LTIs or any right to participate in surplus assets or profits of the Company on winding up,
- unless the relevant Vesting Condition is satisfied, the holder has exercised the relevant vested LTIs and the holder holds Shares.
- 1.23 **(Transferability of the LTIs)**: LTIs are not transferable, unless permitted in accordance with the Equity Incentive Plan.
- 1.24 **(Takeover prohibition)**:
- (a) the issue of Shares on conversion of the LTIs is subject to and conditional upon the issue of the relevant Shares not resulting in any person being in breach of section 606(1) of the Corporations Act; and
 - (b) the Company will not be required to seek approval of its members for the purposes of item 7 of section 611 of the Corporations Act to permit the issue of any Shares on conversion of the LTIs.
- 1.25 **(No other rights)**: An LTI does not give the holder any rights other than those expressly provided by these terms and those provided at law where such rights at law cannot be excluded by these terms.
- 1.26 **(Constitution)**: Upon the issue of the Shares on conversion of the LTIs, the holder will be bound by the Company's Constitution.
- 1.27 For the purposes of these terms and conditions:

Cash Payment means in respect of a vested LTI, a cash amount equal to the current market value of a Share. The Company may deduct from the cash payment any applicable tax the Company is required to withhold or any superannuation amount the Company is required to pay in connection with the cash payment.

Change of Control means:

- (a) a bona fide Takeover Bid (as defined in the Corporations Act) is declared unconditional and the bidder has acquired a relevant interest in at least 50.1% of the Company's issued Shares;
- (b) a court approves, under section 411(4)(b) of the Corporations Act, a proposed compromise or arrangement for the purposes of, or in connection with, a scheme for the reconstruction of the Company or its amalgamation with any other company or companies; or
- (c) in any other case, a person obtains Voting Power (as defined in the Corporations Act) in the Company which the Board (which for the avoidance of doubt will comprise those Directors immediately prior to the person acquiring that Voting Power) determines, acting in good faith and in accordance with their fiduciary duties, is sufficient to control the composition of the Board.

Good Leaver means a Relevant Person who becomes a leaver due to:

- (a) their death or total and permanent disability; or
- (b) their retirement or Redundancy; or
- (c) other circumstances where the Board (in its absolute discretion) has determined in writing that they be treated as a Good Leaver.

Redundancy means termination of the employment, office or engagement of a Relevant Person due to economic, technological, structural or other organisational change:

- (a) the Company no longer requires the duties and responsibilities carried out by the Relevant Person to be carried out by anyone; or
- (b) the Company no longer requires the position held by the Relevant Person to be held by anyone.

Relevant Person means:

- (a) in respect of an Eligible Participant (as defined in Schedule 4), that person; and
- (b) in respect of a nominee of an Eligible Participant, that Eligible Participant.

Relevant Proportion means, in relation to the LTIs, the proportion (expressed as a percentage) of the performance period or service period in relation to that LTI (whichever applicable) that will have elapsed on the date that:

- (a) the Relevant Person became a Good Leaver as determined by the Board acting reasonably;
- (b) the Change of Control occurs or the Board determines that a Change of Control is likely to occur; or
- (c) such other date determined by the Board.

Schedule 4 - Summary of Equity Incentive Plan

The material terms of the Equity Incentive Plan are summarised below:

- 1.1 **Eligible Participant** means:
- (a) a Director (whether executive or non-executive) of any Group Company;
 - (b) a full or part time or casual employee of any Group Company;
 - (c) any other individual who provides services to any Group Company; or
 - (d) a prospective participant, being a person to whom the Offer is made but who can only accept the Offer if an arrangement has been entered into that will result in the person becoming an Eligible Participant under paragraph (i), (ii) or (iii) above.
- 1.2 **Participant** means an Eligible Participant or their nominee to whom Awards have been granted under the Equity Incentive Plan.
- 1.3 **Offer:** The Board may, from time to time, in its absolute discretion, make a written offer to any Eligible Participant to apply for Awards, upon the terms set out in the Equity Incentive Plan and upon such additional terms and conditions as the Board determines (**Offer**).
- Award** means either a Performance Right or an Option granted under the Equity Incentive Plan to acquire one or more Shares by one or more of the methods determined by the Board and as specified in the terms of any applicable Offer.
- 1.4 **Consideration:** Awards issued under the Equity Incentive Plan will be issued for nil cash consideration unless otherwise required in the Offer.
- 1.5 **Exercise price:** The Board may determine the exercise price (which to avoid doubt, may be nil) for an Award offered under that Offer in its absolute discretion. To the extent the Listing Rules specify or require a minimum price, the exercise price must not be less than any minimum price specified in the Listing Rules.
- 1.6 **Cashless Exercise:** The cashless exercise facility entitles a Participant (subject to Board approval) to set-off the exercise price against the number of Shares which the Participant is entitled to receive upon exercise of the Participant's Awards. By using the cashless exercise facility, the Participant will receive Shares to the value of the surplus after the exercise price has been set off.
- 1.7 **Vesting conditions:** An Award may be made subject to vesting conditions as determined by the Board in its discretion and as specified in the Offer for the Award (**Vesting Conditions**).
- 1.8 **Vesting:** The Board may in its absolute discretion (except in respect of paragraph (b) below where Vesting Conditions are deemed to be automatically waived) by written notice to a Participant (being an Eligible Participant to whom Awards have been granted under the Equity Incentive Plan or their nominee where the Awards have been granted to the nominee of the Eligible Participant (**Relevant Person**)), resolve to waive any of the Vesting Conditions applying to Awards due to:
- (a) special circumstances arising in relation to a Relevant Person in respect of those Awards, being:
 - (i) a Relevant Person suffering severe financial hardship;
 - (ii) any other circumstance stated to constitute "special circumstances" in the terms of the relevant Offer made to and accepted by the Participant; or
 - (iii) any other circumstances determined by the Board at any time (whether before or after the Offer) and notified to the relevant Participant which circumstances may relate to the Participant, a class of Participant, including the Participant or particular circumstances or class of circumstances applying to the Participant,
- (Special Circumstances);**
- (b) a Change of Control (defined below) occurring; or
 - (c) the Company passing a resolution for voluntary winding up, or an order is made for the compulsory winding up of the Company.
- 1.9 **Change of Control:** Unless otherwise specified in the Offer and subject to the Corporations Act, the Listing Rules and any other applicable law, if a Change of Control occurs or the Board determines for the purpose of the Equity Incentive Plan that a Change of Control is likely to occur:
- (a) unless the Board determines otherwise, a Relevant Proportion of each Participant's unvested Awards will vest;
 - (b) the Board may, in respect of any Awards which have not automatically vested in accordance with paragraph 1.9(a), exercise its discretion to allow the Participant to retain a portion or all of the unvested Awards or determine that such Awards vest regardless of whether the Vesting Conditions (if any) have been satisfied or waived by the Board.
 - (c) the Board may determine the manner in which the Participant's Awards and/or Shares delivered on exercise of the Participant's Awards (as applicable) will be dealt with. In determining how to deal with a Participant's Awards and/or Shares delivered on exercise of Awards (as applicable), the Board may (but is not obliged to):
 - (i) have regard to the circumstances of the Change of Control;
 - (ii) determine that the Participant may participate in and/or benefit from any transaction arising from or in connection with the Change of Control;
 - (iii) specify an exercise period for all Awards which have vested and are exercisable and require that such Awards will lapse if not exercised within the specified period, or otherwise decide that those Awards will be deemed exercised on a specific date or on the occurrence of a specific event;
 - (iv) determine that any disposal restrictions on Shares delivered under the Equity Incentive Plan will cease to have effect from a specific date or on the occurrence of a specific event;
 - (v) determine that a Participant must sell their Shares into the Change of Control;
 - (vi) determine that a Participant's outstanding Awards (or a subset of them) (together, the **Relevant Awards**):
 - (A) be cancelled for fair market value, where the Board has determined (in good faith) that it is necessary or desirable for the purposes of the Change of Control event that such Relevant Awards are cancelled prior

- to, or with effect from, the occurrence of the Change of Control event; or
- (B) if, as a result of the Change of Control, the Company has or will become a wholly-owned subsidiary of another entity listed on an internationally recognised stock exchange (**New Head Company**), determine that a Participant's Relevant Awards be:
- (I) exchanged for awards issued by the New Head Company; or
 - (II) on vesting and exercise of those Relevant Awards, be provided with shares of the New Head Company in lieu of Shares in the Company,
- on substantially the same terms and on substantially the same conditions but with any necessary or appropriate adjustments to the number and kind of awards, or shares (as applicable).

A Change of Control means:

- (a) a bona fide Takeover Bid (as defined in the Corporations Act) is declared unconditional and the bidder has acquired a Relevant Interest in at least 50.1% of the Company's issued Shares;
- (b) a court approves, under section 411(4)(b) of the Corporations Act, a proposed compromise or arrangement for the purposes of, or in connection with, a scheme for the reconstruction of the Company or its amalgamation with any other company or companies; or
- (c) in any other case, a person obtains Voting Power in the Company which the Board (which for the avoidance of doubt will comprise those Directors immediately prior to the person acquiring that Voting Power) determines, acting in good faith and in accordance with their fiduciary duties, is sufficient to control the composition of the Board.

1.10 **Lapse of an Award:** An Award will lapse upon the earlier to occur of:

- (a) an unauthorised dealing in, or hedging of, the Award occurring;
- (b) a Vesting Condition in relation to the Award is not satisfied by the due date, or becomes incapable of satisfaction, as determined by the Board in its absolute discretion, unless the Board exercises its discretion to waive the Vesting Conditions and vest the Award in the circumstances set out in paragraph 1.8;
- (c) the Board deems that an Award lapses due to fraud, dishonesty or other improper behaviour of the Eligible Participant; and
- (d) the expiry date of the Award.

1.11 **Good Leaver:** Unless the Offer provides otherwise, if a Participant becomes a Good Leaver:

- (a) the Participant will retain their vested Awards;
- (b) the Participant will retain a Relevant Proportion of their unvested Awards (which is calculated as a percentage of the performance period or service period in relation to that Award that has elapsed on the date the Participant became a Good Leaver) on the same terms and conditions on which the Participant held those unvested Awards prior to becoming a Good Leaver; and
- (c) the remainder of the Participant's unvested Awards will lapse,

unless the Board determines in its absolute discretion that another treatment of the Participant's Awards will apply.

Good Leaver means a Relevant Person who becomes a Leaver due to:

- (a) their death or total and permanent disability;
- (b) their retirement or redundancy; or
- (c) other circumstances where the Board (in its absolute discretion) has determined in writing that they be treated as a Good Leaver.

Leaver means a Relevant Person who ceases to be an Eligible Participant or has given or been given notice of cessation of employment or engagement.

Relevant Proportion means in relation to a Participant's Awards, the proportion (expressed as a percentage) of the performance period or service period in relation to that Award (whichever applicable) that will have elapsed on the date that:

- (a) the Relevant Person became a Good Leaver as determined by the Board acting reasonably;
- (b) the Change of Control occurs or the Board determines for the purpose of the Equity Incentive Plan that a Change of Control is likely to occur; or
- (c) such other date determined by the Board.

1.12 **Leavers (other than Good Leavers):** Unless the Offer provides otherwise, if a Relevant Person becomes a Leaver and is not a Good Leaver:

- (a) the Participant will retain all of their vested Awards; and
- (b) all of the Participant's unvested Awards will lapse,

unless the Board determines in its absolute discretion that another treatment of the Participant's Awards will apply.

1.13 **Not transferable:** Subject to the Listing Rules, and except as otherwise provided for by an Offer, Awards are only transferable in Special Circumstances or for Good Leavers with the prior written consent of the Board (which may be withheld in its absolute discretion) or by force of law upon death, to the Participant's legal personal representative or upon bankruptcy to the Participant's trustee in bankruptcy.

1.14 **Shares:** Subject to the Cash Payment facility (see paragraph 1.15 below), upon satisfaction or waiver of Vesting Conditions, the Company will (subject to the Corporations Act, the Listing Rules, the Equity Incentive Plan and the terms of any relevant Offer document) within ten (10) business days issue the Shares to the Relevant Person. Shares issued under the Equity Incentive Plan will rank equally in all respects with the Shares of the same class for the time being on issue except as regards any rights attaching to such Shares by reference to a record date prior to the date of their issue.

1.15 **Cash Payment facility:** Subject to the Corporations Act, the Listing Rules, the Equity Incentive Plan and the terms of any Offer, where

all Vesting Conditions in respect of an Award have been satisfied or waived, the Board may, in its absolute discretion, within ten (10) business days of receipt of a valid notice of exercise for a vested Award, in lieu of issuing, allocating or causing to be transferred a Share to the Participant on exercise of the Award, pay the Participant or his or her personal representative (as the case may be) a Cash Payment for the Award exercised (which may be nil if the Cash Payment is a negative amount). A vested Award automatically lapses upon payment of a Cash Payment in respect of the vested Award.

Cash Payment means in respect of a vested Award, except as otherwise provided for in the Offer for that Award, a cash amount equal to the current market value of a Share. The Company may deduct from the cash payment an amount on account of the exercise price, if applicable, (to the extent not already paid) relating to the relevant Award and any applicable tax the Company is required to withhold or any superannuation amount the Company is required to pay in connection with the Cash Payment.

- 1.16 **Sale restrictions:** The Board may, in its discretion, determine at any time up until exercise of Awards, that a restriction period up to a maximum of five years will apply to some or all of the Shares issued to a Participant on exercise of those Awards (**Restriction Period**). In addition, the Board may, in its sole discretion, having regard to the circumstances at the time, waive any such Restriction Period.
- 1.17 **Quotation of Shares:** If Shares of the same class as those issued under the Equity Incentive Plan are quoted on the ASX, the Company will, subject to the Listing Rules, apply to the ASX for those Shares to be quoted on ASX within ten (10) business days of the later of the date the Shares are issued and the date any Restriction Period applying to the disposal of Shares ends. The Company will not apply for quotation of any Options or Performance Rights on the ASX.
- 1.18 **No participation rights:** There are no participation rights or entitlements inherent in the Awards and holders will not be entitled to participate in new issues of capital offered to Shareholders during the currency of the Awards without exercising the Awards.
- 1.19 **No change:** An Award does not confer the right to a change in exercise price or in the number of underlying Shares over which the Award can be exercised.
- 1.20 **Reorganisation:** If, at any time, the issued capital of the Company is reorganised (including consolidation, subdivision, reduction or return), all rights of a Participant are to be changed in a manner consistent with the Corporations Act and the Listing Rules at the time of the reorganisation.
- 1.21 **Trust:** The Board may, at any time, establish a trust for the sole purpose of acquiring and holding Shares in respect of which a Participant may exercise, or has exercised, vested Awards, including for the purpose of enforcing the disposal restrictions and appoint a trustee to act as trustee of the trust. For the avoidance of doubt, the trustee will hold the Shares as trustee for and on behalf of a Participant as beneficial owner upon the terms of the trust.
- 1.22 **Amendments:** Subject to express restrictions set out in the Equity Incentive Plan and complying with the Corporations Act, Listing Rules and any other applicable law, the Board may, at any time, by resolution amend or add to all or any of the provisions of the Equity Incentive Plan, or the terms or conditions of any Award granted under the Equity Incentive Plan including giving any amendment retrospective effect.
