ASX Announcement

Coal Sales Update

TerraCom Limited (ASX: TER) (**TerraCom** or **Company**) wishes to advise shareholders of the full year coal sales result from its Blair Athol (**BA**) Coal Mine in Clermont, Queensland.

BA sold 408kt for the June Quarter resulting in total coal sales for the financial year ended 30 June 2024 of 1.57Mt.

BA was set to deliver within its revised full year guidance range of 1.7Mt and had planned three shipments for June to achieve this. In mid-June, a significant unscheduled downtime event occurred on the dragline, resulting in unforeseen delays to production ultimately impacting railing to achieve all three shipments. The third planned June shipment is scheduled to sail early July 2024, subject to network and railing performance.

Our sales guidance for BA is 1.8Mt for the 12 months ending 30 June 2025.

This announcement has been approved by the Board for release.
