¹ "Corporate governance statement" is defined in Listing Rule 19.12 to mean the statement referred to in Listing Rule 4.10.3 which discloses the extent to which an entity has followed the recommendations set by the ASX Corporate Governance Council during a particular reporting period.

Listing Rule 4.10.3 requires an entity that is included in the official list as an ASX Listing to include in its annual report either a corporate governance statement that meets the requirements of that rule or the URL of the page on its website where such a statement is located. The corporate governance statement must disclose the extent to which the entity has followed the recommendations set by the ASX Corporate Governance Council during the reporting period. If the entity has not followed a recommendation for any part of the reporting period, its corporate governance statement must separately identify that recommendation and the period during which it was not followed and state its reasons for not following the recommendation and what (if any) alternative governance practices it adopted in lieu of the recommendation during that period.

Under Listing Rule 4.7.4, if an entity chooses to include its corporate governance statement on its website rather than in its annual report, it must lodge a copy of the corporate governance statement with ASX at the same time as it lodges its annual report with ASX. The corporate governance statement must be current as at the effective date specified in that statement for the purposes of Listing Rule 4.10.3.

Under Listing Rule 4.7.3, an entity must also lodge with ASX a completed Appendix 4G at the same time as it lodges its annual report with ASX. The Appendix 4G serves a dual purpose. It acts as a key designed to assist readers to locate the governance disclosures made by a listed entity under Listing Rule 4.10.3 and under the ASX Corporate Governance Council's recommendations. It also acts as a verification tool for listed entities to confirm that they have met the disclosure requirements of Listing Rule 4.10.3.

The Appendix 4G is not a substitute for, and is not to be confused with, the entity's corporate governance statement. They serve different purposes and an entity must produce each of them separately.

² Tick whichever option is correct and then complete the page number(s) of the annual report, or the URL of the web page, where your corporate governance statement can be found. You can, if you wish, delete the option which is not applicable.

³ Throughout this form, where you are given two or more options to select, you can, if you wish, delete any option which is not applicable and just retain the option that is applicable. If you select an option that includes "OR" at the end of the selection and you delete the other options, you can also, if you wish, delete the "OR" at the end of the selection.

The Company Secretary has primary responsibility for ensuring that the Board processes and procedures run efficiently and effectively. Further details are contained in Clause 7 of the Board Charter which is included in the <i>Corporate Governance</i> section of the Company's website.
<u>Recommendation 1.5</u> <i>A listed entity should:</i> a) <i>have and disclose a diversity policy;</i> b) <i>through its board or a committee of the board set measurable objectives for achieving gender diversity in the composition of its board, senior executives, and workforce generally; and</i> c) <i>disclose in relation to each reporting period:</i> 1) <i>the measurable objectives set for that period to achieve gender diversity;</i> 2) <i>the entity's progress towards achieving those objectives; and</i> 3) <i>either:</i> i. <i>the respective proportions of men and women on the board, in senior executive positions and across the whole workforce (including how the entity has defined "senior executive" for these purposes); or</i> ii. <i>if the entity is a "relevant employer" under the Workplace Gender Equality Act, the entity's most recent "Gender Equality Indicators", as defined in and published under that Act.</i>	N	The Company has adopted a Diversity Policy which is included in the <i>Corporate Governance</i> section of the Company's website. The Company recognises that a diverse and talented workforce is a competitive advantage and encourages a culture that embraces diversity. Due to the size, scale, and activities of the Company at the current time, no measurable objectives have been set for gender diversity, noting that the Company currently has only one full-time staff member who is female (excluding directors). The Board is currently comprised of all male directors. The Company is not a 'relevant employer' under the <i>Workplace Gender Equality Act 2012</i>.
<u>Recommendation 1.6</u> <i>A listed entity should:</i> a) <i>have and disclose a process for periodically evaluating the performance of the board, its committees, and individual directors; and</i> b) <i>disclose for each reporting period whether a performance evaluation has been undertaken in accordance with that process during or in respect of that period.</i>	Y	The role of the Nomination Committee, as detailed in the Nomination Committee Charter, which is included in the <i>Corporate Governance</i> section of the Company's website, includes establishing a process for evaluating the Board, its Committees, and individual Directors. The assessment process which may be used by the Board is that each director completes a questionnaire relating to the role, composition, procedures, practices and behaviour of the Board and its members. An independent third-party consultant may be used to facilitate the assessment. A Board performance review was not undertaken in the 2024 financial year.

Recommendations (4 th Edition)	Conform (Y/N)	Disclosure
<u>Recommendation 1.7</u> <i>A listed entity should:</i> <i>have and disclose a process for evaluating the performance of its senior executives at least once every reporting period; and</i> <i>Disclose for each reporting period whether a performance evaluation has been undertaken in accordance with that process during or in respect of that period.</i>	Y	Employee numbers during the Reporting Period were limited to less than 5 and at most times during the year were 2 (including the Managing Director). Given the limited employee numbers, performance evaluation is a process undertaken informally. Staff matters (including performance) are discussed on a regular basis and at a minimum, annually.
Principle 2: Structure the board to be effective and add value		
<u>Recommendation 2.1</u> <i>The board of a listed entity should:</i> <i>Have a nomination committee which:</i> <i>Has at least three members, a majority of whom are independent directors; and</i> <i>Is chaired by an independent director,</i> <i>And disclose:</i> <i>The charter of the committee;</i> <i>The members of the committee; and</i> <i>As at the end of each reporting period, the number of times the committee met throughout the period and the individual attendances of the members at those meetings; or</i> <i>If it does not have a nomination committee, disclose that fact and the processes it employs to address board succession issues and to ensure that the board has the appropriate balance of skills, knowledge, experience, independence, and diversity to enable it to discharge its duties and responsibilities effectively.</i>	N Y	Due to the small size of the Board and the Company's current level of operations, the Company does not have a separate Nomination Committee. The role of the Nomination Committee is undertaken by the full Board. The Board has decided that no efficiencies will be achieved by establishing a separate nomination committee. The Board carries out the duties that would otherwise be undertaken by the nomination committee, in accordance with the Nomination Committee Charter, which is included in the <i>Corporate Governance</i> section of the Company's website.

Recommendations (4 th Edition)	Conform (Y/N)	Disclosure																				
<u>Recommendation 2.2</u> <i>A listed entity should have and disclose a board skills matrix setting out the mix of skills and diversity that the board currently has or is looking to achieve in its membership.</i>	Y	The composition of the Board during the Reporting Period included directors with a mix of skills and diversity in areas of exploration and geology, corporate governance, finance, listed resource companies, and equity markets. Board members, including some who are also directors of other ASX-listed companies, together have a combination of experience in the following business areas: <table><tr><td>Commercial</td><td>Business development</td></tr><tr><td>Corporate Governance</td><td>Risk management</td></tr><tr><td>Legal</td><td>Mineral exploration</td></tr><tr><td>Investor relations</td><td>Geographic experience</td></tr><tr><td>Capital raising</td><td>Mineral development</td></tr><tr><td>Corporate strategy</td><td>Mining Operations</td></tr><tr><td>Leadership</td><td>Accounting</td></tr></table>	Commercial	Business development	Corporate Governance	Risk management	Legal	Mineral exploration	Investor relations	Geographic experience	Capital raising	Mineral development	Corporate strategy	Mining Operations	Leadership	Accounting

<u>Recommendation 2.4</u> <i>A majority of the board of a listed entity should be independent.</i>	N	The Company does not meet this recommendation since only one of the four directors are independent. The Board considers that it has an appropriate balance between executive and non-executive directors as well as a complementary mix of skills and experience. The Board will continue to periodically review the need to appoint additional directors in the future, after considering its objectives, the nature and extent of its actual and proposed operations and any skills gap.																				

Recommendations (4 th Edition)	Conform (Y/N)	Disclosure
<u>Recommendation 2.5</u> <i>The chair of the board of a listed entity should be an independent director, and in particular, should not be the same person as the CEO of the entity.</i>	N	Mr Shaw, who is a non-executive director, is the Chair of the Company and is deemed not independent by the Board (see disclosure at 2.3). He does not perform the role of CEO of the Company (which position is currently held by Cadell Buss). The Board believes given the current skills and experience of the directors, the size and development of the Company, it is appropriate that the Chair is not independent. As the Company grows in scale, this matter will be monitored and amended as appropriate. Sourcing alternative directors to strictly comply with this Principle has been considered and deemed not appropriate at this stage of the Company's development.
<u>Recommendation 2.6</u> <i>A listed entity should have a program for inducting new directors and for periodically reviewing whether there is a need for existing directors to undertake professional development to maintain the skills and knowledge needed to perform their role as directors effectively.</i>	Y	Induction and professional development form part of the responsibilities of the Nomination Committee as noted in the Nomination Committee Charter, which is included in the <i>Corporate Governance</i> section of the Company's website. Induction documents are provided with a written engagement letter and the Company Secretary is available to assist with the process of new Directors familiarising themselves with the Company. Directors undertake their own continuing professional development as circumstances require. The Board is in regular communication, as is necessary, with respect to briefing on material developments in laws, regulations and any accounting standards which may affect the Company.
Principle 3: Instil a culture of acting lawfully, ethically, and responsibly		
<u>Recommendation 3.1</u> <i>A listed entity should articulate and disclose its values.</i>	Y	The Company has formulated core Values and a general Code of Conduct which all employees and directors are expected, at a minimum, to follow. The core Values are included in the <i>Our Mission and Values</i> section of the Company's website here, https://www.chilwaminerals.com.au/our-mission-and-values. The Code of Conduct is included in the <i>Corporate Governance</i> section of the Company's website.
<u>Recommendation 3.2</u> <i>A listed entity should:</i> a) <i>have and disclose a code of conduct for its directors, senior executives, and employees; and</i> b) <i>ensure that the board or a committee of the board is informed of any material breaches of that code.</i>	Y	The Company has formulated a general Code of Conduct which all employees and directors are expected, at a minimum, to follow. Any material breaches of the Whistleblower Policy are required to be reported to the Board or a committee of the Board.
<u>Recommendation 3.4</u> <i>A listed entity should:</i> a) have and disclose an anti-bribery and corruption policy; and b) ensure that the board or a committee of the board is informed of any material breaches of that policy.	Y	The Company has established an Anti-Bribery and Corruption Policy which is included in the <i>Corporate Governance</i> section of the Company's website. Any material breaches of the Anti-Bribery Policy are required to be reported to the Board or a committee of the Board.
Principle 4: Safeguard the integrity of corporate reports		
<u>Recommendation 4.1</u> <i>The board of a listed entity should:</i> a) Have an audit committee which: 1) Has at least three members, all of whom are non-executive directors and a majority of whom are independent directors; and 2) Is chaired by an independent director, who is not the chair of the board, <i>And disclose:</i> 3) The charter of the committee; 4) The relevant qualifications and experience of the members of the committee; and 5) In relation to each reporting period, the number of times the committee met throughout the period and the individual attendances of the members at those meetings; or b) If it does not have an audit committee, disclose that fact and the processes it employs that independently verify and safeguard the integrity of its corporate reporting, including the processes for the appointment and removal of the external auditor and the rotation of the audit engagement partner.	N Y	Due to the small size of the Board and the Company's current level of operations, the Company does not have a separate Audit Committee. The role of the Audit Committee is undertaken by the full Board. The Board has decided that no efficiencies will be achieved by establishing a separate audit committee. The Board carries out the duties that would otherwise be undertaken by the audit committee, in accordance with the Audit and Risk Committee Charter, which is included in the <i>Corporate Governance</i> section of the Company's website. Principle 5: Make timely and balanced disclosure		
<u>Recommendation 5.1</u> <i>A listed entity should have and disclose a written policy for complying with its continuous disclosure obligations under listing rule 3.1.</i>	Y	The Company has established written policies and procedures for complying with its continuous disclosure obligations under the ASX Listing Rules. The Company's Continuous Disclosure Policy is included in the <i>Corporate Governance</i> section of the Company's website.

<u>Recommendation 6.3</u> <i>A listed entity should disclose the policies and processes it has in place to facilitate and encourage participation at meetings of security holders.</i>	Y	The Company has a Shareholder Communication Policy, which is included in the <i>Corporate Governance</i> section of the Company's website. The Policy specifically encourages full participation of shareholders at the Annual General Meeting to ensure a high level of accountability and identification with the Company's strategy and goals and outlines the various ways in which the Company communicates with shareholders.
<u>Recommendation 6.4</u> <i>A listed entity should ensure that all substantive resolutions at a meeting of security holders are decided by a poll rather than by a show of hands.</i>	Y	In accordance with ASX guidance, all Listing Rule resolutions and all substantive resolutions are decided by a poll rather than by a show of hands.

The Board carries out the duties that would otherwise be undertaken by the risk committee, in accordance with the Audit and Risk Committee Charter, which is included in the <i>Corporate Governance</i> section of the Company's website. The Board's responsibilities include reviewing and evaluating the external audit function, the Company's financial reporting, the internal control system, the assessment of risk and compliance with legislation. The Board has reviewed the Company's risk management framework during the Reporting Period. Additionally, this issue is regularly tabled and discussed at Board meetings and a positive risk management culture is encouraged amongst employees and contractors.

<u>Recommendation 7.4</u> A listed entity should disclose whether it has any material exposure to environmental or social risks and, if it does, how it manages or intends to manage those risks.	Y	The Company does not have any material exposure to these risks. As an exploration company rather than an economic producer there is no material exposure to economic or social sustainability risk.
