About Kali Metals Limited

Kali Metals' (ASX: KM1) portfolio of assets represents one of the largest and most prospective exploration packages across Australia's world leading hard-rock lithium fields. Kali's 3,960km^2 exploration tenure is located near existing, emerging, and unexplored lithium and critical minerals regions in WA including the Pilbara and Eastern Yilgarn and the Southern Lachlan Fold Belt in NSW and Victoria.

Kali Metals has a team of well credentialed professionals who are focused on exploring and developing commercial lithium resources and identifying new strategic assets to add to the portfolio. In addition to Lithium, Kali Metals has a number of prospective gold and tin projects within its existing tenure and is committed to generate shareholder value through exploration and development of these assets.
