Explanatory Statement

This Explanatory Statement has been prepared for the information of Shareholders in relation to the business to be conducted at the Annual General Meeting.

The purpose of this Explanatory Statement is to provide Shareholders with all information known to the Company which is material to a decision on how to vote on the Resolutions in the accompanying Notice of Annual General Meeting.

This Explanatory Statement should be read in conjunction with the Notice of Annual General Meeting. Capitalised terms in this Explanatory Statement are defined in the Glossary or otherwise in the Explanatory Statement.

1. Annual Financial Report

The Corporations Act requires that the annual financial statements, Directors' report and Auditor's report of the Company for the year ended 30 June 2024 be tabled at the Meeting. These reports are contained in the 2024 Annual Report which is available on the Company's website, www.nicoresources.com.au/investors/, by selecting the 'Reports' link.

Shareholders will be given reasonable opportunity to raise questions on these reports and ask questions of the Auditor.

2. Resolution 1: Adoption of Remuneration Report

2.1 Background

Resolution 1 is an ordinary resolution to approve the Remuneration Report. The Remuneration Report is set out in the Directors' report which forms part of the 2024 Annual Report.

The vote on Resolution 1 is advisory only and does not bind the Board or the Company. Notwithstanding, the Board will take the outcome of the vote into consideration when considering the remuneration policy of the Company going forward. On that basis, the Company encourages all Shareholders to cast their votes on Resolution 1.

2.2 Corporations Act requirements

Section 250R(2) of Corporations Act requires a listed public company put a resolution to its shareholders that the remuneration report set out in the directors' report for the preceding financial year be adopted. The resolution is advisory only and does not bind the relevant company or its directors.

If 25% or more of votes that are cast on the resolution are voted against the adoption of the remuneration report at two consecutive annual general meetings of a company, its shareholders will be required to vote at the second of those annual general meetings on a resolution (a **Spill Resolution**) that a further meeting be held within 90 days at which all of the offices of director are vacated (other than the office of managing director) and each such office will be put to a vote.

A voting exclusion applies to Resolution on the terms set out in the Notice.

2.3 Directors' recommendation

The Directors decline to make a recommendation as to how Shareholders should vote in respect of Resolution 1 as they each have an interest in the outcome of the Resolution.

3. Resolution 2: Approval of change of Auditor

3.1 Background

Under the Corporations Act, shareholder approval is required for the appointment of a new auditor. It is proposed that Hall Chadwick WA Audit Pty Ltd be appointed as the auditor of the Company and its controlled entities.

KPMG is currently the Company's auditor. Following receipt of a proposal which the Board considers to be reasonable and competitive in terms, the Board has determined that Hall Chadwick WA Audit Pty Ltd be

appointed as the new auditor of the Company and its controlled entities. Hall Chadwick WA Audit Pty Ltd has consented to the appointment subject to ASIC's consent to the resignation of KPMG as the existing auditor.

KPMG has agreed to resign as auditor with effect from the close of the Meeting and will seek consent from ASIC for the resignation in accordance with section 329(5) of the Corporations Act prior to the Meeting.

Section 328B(1) of the Corporations Act requires that written notice of nomination of a new auditor be received from a member of the Company. The Company has received such a nomination from the Company's Company Secretary, Amanda Burgess, in her capacity as a member of the Company, nominating the proposed new auditor. A copy of this nomination is set out in Annexure A to this Notice of Meeting.

If Resolution 2 is approved, the appointment of Hall Chadwick WA Audit Pty Ltd as the Company's new auditor will take effect at the close of the Annual General Meeting.

3.2 Directors' recommendation

The Directors unanimously recommend that Shareholders vote in favour of Resolution 2.

4. Resolution 3: Re-Election of Roderick Corps as Non-Executive Director

4.1 Background

Mr Roderick Corps was appointed as a Director of the Company on 29 April 2021 and served as managing director of the Company from that time until March 2023. To satisfy the requirements of the Listing Rules and the Constitution, Mr Corps seeks re-election at the Annual General Meeting.

4.2 Listing Rule and Constitutional requirements

Listing Rule 14.4 requires that a director of an entity:

- must not hold office (without re-election) past the third annual general meeting following the director's appointment, or 3 years, whichever is longer; and
- appointed to fill a casual vacancy or as an addition to the board must not hold office (without re-election) past the next annual general meeting of the entity.

The rule does not apply to the entity's managing director, unless there is more than one managing director, in which case only one is entitled not to be subject to re-election. This rule is mirrored in clause 7.1(e) of the Constitution.

Listing Rule 14.5 requires an entity which has directors to hold an election of directors at each annual general meeting. This rule is mirrored in clause 7.3 of the Constitution.

4.3 Biography – Rod Corps, Non-Executive Director

Rod Corps has been involved in the finance industry for over 30 years, having worked as a stockbroker for Porter Western Ltd (now Macquarie Group), and Morgan Stanley and JP Morgan in the United Kingdom. Rod has been a director of Eternal Resources Ltd (taken over by Aziana Ltd - now Brainchip Holdings Ltd ASX:BRN) and Voyager Global Ltd - now Cycliq Group Ltd (ASX:CYQ). From 2013 to 2021 Rod was the corporate & investor relations manager for ASX listed Westgold Resources Ltd (ASX:WGX). He is currently a Non-Executive Chairman of Far Northern Resources Limited (ASX:FNR) and Non-Executive Director of Marketech Limited.

4.4 Resolution

Resolution 3 is an ordinary resolution to approve the re-election of Rod Corps as a Director.

If Resolution 3 is passed, Mr Corps will be re-elected as a non-executive Director of the Company.

If Resolution 3 is not passed, Mr Corps will not be re-elected and he will retire as a Director.

4.5 Directors' recommendation

The Directors (other than Mr Corps) recommend that Shareholders vote in favour of Resolution 3. Mr Corps declines to make a voting recommendation noting his interest in the Resolution.

5. Resolution 4: Re-approval of Employee Incentive Plan

5.1 Background

The Company currently operates an Employee Incentive Plan under which Directors, officers, employees and certain contractors may be offered awards pursuant to which they acquire or earn Equity Securities (e.g. Shares, Options and performance rights) in the Company.

The Employee Incentive Plan has been established with the objectives of:

- (a) establishing a method by which eligible participants can participate in the future growth and profitability of the Company through holding of equity interests in the Company;
- (b) providing an incentive and reward for eligible participants for their contributions to the Company;
- (c) attracting and retaining a high standard of executive, managerial, technical and other personnel for the benefit of the Company; and
- (d) aligning the interests of eligible participants more closely with the interests of the Shareholders, by providing an opportunity for eligible participants to hold an equity interest in the Company

A summary of the Employee Incentive Plan is set out in the Schedule.

Shareholder approval is being sought under Resolution 4 for the purposes of Exception 13 of Listing Rule 7.2 to approve the issue of additional Equity Securities under the Employee Incentive Plan.

5.2 Regulatory Requirements

Listing Rule 7.1 limits the amount of Equity Securities that a listed company can issue without the approval of its shareholders over any 12-month period to 15% of the fully paid ordinary shares it had on issue at the start of that period. However, securities issued pursuant to an exception to Listing Rule 7.1 set out in Listing Rule 7.2 are not counted for the purposes of the limit.

Exception 13 of Listing Rule 7.2 provides that shareholders may approve the issue of Equity Securities under an employee incentive scheme as an exception to Listing Rule 7.1. If such approval is obtained, Listing Rule 7.1 does not apply to an issue of Equity Securities in the listed company made under an employee incentive scheme within three years of the date of the approval.

Relevantly, exception 13 of Listing Rule 7.2 is only available to the Company if:

- (a) shareholders have approved the issue of Equity Securities under the employee incentive scheme within 3 years of the date of any issue under that scheme; and
- (b) the number of Equity Securities issued under an employee incentive scheme does not exceed the maximum number set out in an entity's notice of meeting.

The Employee Incentive Plan was adopted by the Company on 25 August 2021, before the Company was admitted to the official list of ASX on 17 January 2022. The Company therefore seeks Shareholder approval under Exception 13 of Listing Rule 7.2 under Resolution 4 for the purposes of permitting the issue of additional securities under the Employee Incentive Plan as an exception to Listing Rule 7.1.

5.3 Technical Information required by Listing Rule 14.1A

If Resolution 4 is passed, the Company will be able to issue up to an additional 10,945,058 Equity Securities under the Plan without further Shareholder approval and without those securities being included in the calculation of the Company's 15% placement capacity under Listing Rule 7.1 for a period of 3 years from the date Resolution 4 is passed.

If Resolution 4 is not passed, future grants of Equity Securities under the Employee Incentive Plan will be included in the calculation of the Company's 15% placement capacity under Listing Rule 7.1 until such time as

the Company obtains Shareholder approval under Exception 13 of Listing Rule 7.2 for the Employee Incentive Plan in the future. In that scenario, the Board may need to consider alternative remuneration arrangements which are consistent with the Company's remuneration principles, including providing an equivalent cash long-term incentive, subject to the risk of forfeiture, performance conditions and performance period.

5.4 Listing Rule information requirements

In accordance with the requirements set out in Exception 13(b) of Listing Rule 7.2, the following information is provided in relation to Resolution 4:

(a) **Summary of the Employee Incentive Plan**

A summary of the Employee Incentive Plan is set out in the Schedule.

(b) **Maximum number of securities proposed to be issued under the Employee Incentive Plan**

The maximum number of securities proposed to be issued under the Employee Incentive Plan within the three-year period from the date of the passing of Resolution 4 is 10,945,058 Equity Securities, representing 10% of the undiluted Shares in the Company as at 27 September 2024 (109,450,575 Shares). The maximum number is not intended to be a prediction of the actual number of securities to be issued under the Employee Incentive Plan, simply a ceiling for the purposes of Listing Rule 7.2 Exception 13(b).

(c) **Previous issues under the Employee Incentive Plan since the entity was listed**

The Employee Incentive Plan was adopted by the Company on 25 August 2021, before the Company was admitted to the official list of ASX on 17 January 2022. Since 17 January 2022, the following Equity Securities have been issued to employees under the Employee Incentive Plan

- (i) 3,000,000 unquoted options issued on 22 March 2022;
 - (ii) 1,150,000 unquoted options issued on issued on 6 October 2022;
 - (iii) 150,000 unquoted options issued on issued on 23 January 2023;
 - (iv) 450,000 unquoted options issued on issued on 5 February 2023; and
 - (v) 550,000 unquoted options issued on issued on 9 July 2023,
- totalling 5,300,000 Equity Securities.

(d) **A voting exclusion statement**

A voting exclusion statement in respect of Resolution 4 is included at page 3 of this Notice.

5.5 Directors' recommendation

Noting that the Directors may have a personal interest in the outcome of this Resolution 4 by virtue of being eligible to participate in the Employee Incentive Plan, the Directors recommend that Shareholders vote in favour of Resolution 4. This will give the Board the flexibility to issue securities to eligible participants under the Employee Incentive Plan without using the Company's issuing capacity under Listing Rule 7.1.

6. Resolution 5: Approval of Additional Issuance Capacity

6.1 Background

Resolution 5 seeks Shareholder approval for an additional issuing capacity under Listing Rule 7.1A (**Additional Issuance Capacity**).

If approved, the Resolution will enable the Company to issue additional equity securities (calculated below) over a 12-month period without having to obtain Shareholder approval. If the Resolution is not approved, the Company's ability to issue equity securities without Shareholder approval will remain limited to the amount permitted under Listing Rule 7.1.

Resolution 5 is a special resolution. It must be passed by at least 75% of the votes cast by Shareholders present and entitled to vote on the Resolution.

6.2 Applicable Listing Rules

Listing Rule 7.1A provides that an eligible entity may seek shareholder approval by way of a special resolution passed at its annual general meeting, to allow it to issue equity securities totalling up to 10% of its issued share capital through placements over a 12-month period after the annual general meeting (i.e. the Additional Issuance Capacity). This capacity is in addition to the 15% annual issuance capacity under Listing Rule 7.1.

An “eligible entity” for the purposes of Listing Rule 7.1A is an entity that is not included in the S&P/ASX 300 Index and has a market capitalisation of \$300 million or less. The Company meets the requirements of an eligible entity for this purpose.

6.3 Overview of Listing Rule 7.1A

(a) Quoted securities

Equity Securities issued under the Additional Issuance Capacity must be the same as an existing class of equity securities of the Company quoted on ASX.

As at the date of this Notice, the Company has only class of quoted equity securities on issue, being fully paid ordinary Shares.

(b) Formula for calculating Additional Issuance Capacity

Listing Rule 7.1A.2 provides that the Company may issue or agree to issue a number of equity securities calculated in accordance with the following formula under the Additional Issuance Capacity:

Additional Placement Capacity = (A x D) – E

where:

A is the number of Shares on issue 12 months before the commencement of the relevant period:

- plus the number of Shares issued in the period from the date the Company was admitted to the official list of ASX to the date immediately preceding the date of the issue or agreement (**Relevant Period**) under an exception in Listing Rule 7.2 (other than exceptions 9, 16 or 17);
- plus the number of Shares issued in the Relevant Period on the conversion of convertible securities within Listing Rule 7.2 exception 9 where:
 - the convertible securities were issued or agreed to be issued before the commencement of the Relevant Period; or
 - the issue of, or agreement to issue, the convertible securities was approved, or taken under these rules to have been approved, under Listing Rules 7.1 or 7.4;
- plus the number of Shares issued in the Relevant Period under an agreement to issue securities within Listing Rule 7.2 exception 16 where:
 - the agreement was entered into before the commencement of the Relevant Period; or
 - the agreement or issue was approved, or taken under these rules to have been approved, under Listing Rules 7.1 or rule 7.4;
- plus the number of Shares issued in the Relevant Period with approval under Listing Rules 7.1 or 7.4;
- plus the number of partly paid ordinary securities that became fully paid in the Relevant Period; and
- less the number of Shares cancelled in the Relevant Period;

D is 10%; and

E is the number of equity securities issued or agreed to be issued under Listing Rule 7.1A.2 in the Relevant Period where the issue or agreement has not been subsequently approved by the Shareholders under Listing Rule 7.4.

(c) Interaction with Listing Rule 7.1

Listing Rule 7.1 limits the number of equity securities that an entity may issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary shares it had on issue at the start of that period, subject to certain exceptions.

The Additional Issuance Capacity under Listing Rule 7.1A is in addition to the Company's 15% placement capacity under Listing Rule 7.1.

6.4 Listing Rule requirements

The following information is provided in relation Resolution 5, in accordance with Listing Rule 7.3A:

(a) Period over which approval will be valid

An approval under Listing Rule 7.1A commences on the date of the Annual General Meeting at which the approval is obtained and expires on the first to occur of the following:

- The date that is 12 months after the date of the Annual General Meeting at which the approval is obtained;
- the time and date of Company's next annual general meeting; and
- the time and date of the approval by Shareholders of a transaction under Listing Rules 11.1.2 (change to nature or scale of activities) or 11.2 (change involving main undertaking).

(the **Additional Issuance Period**). The Company will only issue and allot Equity Securities during the Additional Issuance Period.

(b) Minimum price at which equity securities may be issued

Equity securities issued under the Additional Issuance Capacity must be in the same class as an existing class of quoted Equity Securities of the Company. As at the date of this Notice of Annual General Meeting, the Company has on issue one class of quoted Equity Securities, being Shares.

The issue price of any Equity Security under the Additional Issuance Capacity must not be less than 75% of the volume weighted average price (**VWAP**) for securities in the same class, calculated over the 15 trading days on which trades in that class were recorded immediately before:

- the date on which the price at which the securities are to be issued is agreed by the entity and the recipient of the securities; or
- if the securities are not issued within 10 trading days of the date above, the date on which the securities are issued.

(c) Purposes for which funds may be used

The Company does not have any current intention to issue equity securities using the Additional Issuance Capacity. However, it may decide to do so for cash consideration to fund working capital requirements, advancing projects (including those outlined in its initial public offer prospectus), potential acquisitions, meet financial commitments and capital management activities.

The Company will comply with the disclosure obligations under Listing Rules 7.1A.4 and 3.10.3 upon any issue of equity securities under Listing Rule 7.1A.

(d) Risk of economic and voting dilution

Any issue of equity securities under the Additional Issuance Capacity will dilute the interests of Shareholders who do not receive Shares under the issue.

If Resolution 5 is approved and the Company issues equity securities under the Additional Issuance Capacity, then there is a risk to existing Shareholders of economic and voting dilution, including the risk that:

- the market price for equity securities in the same class may be significantly lower on the issue date of the new equity securities than on the date of the Meeting; and
- the new equity securities may be issued at a price that is at a discount to the market price for equity securities in the same class on the issue date.

This may have an effect on the amount of funds raised by the issue of the equity securities.

The table below identifies the potential dilution to existing Shareholders following the issue of equity securities under the Additional Issuance Capacity (based on the formula set out above) using different variables for the number of issued Shares and the market price of Shares.

Number of Shares on issue	Share price	New Shares issued	Funds raised	Voting dilution	Economic dilution
109,450,575 (Shares currently on issue / current variable 'A' in Listing Rule 7.1A)	\$0.11 (current market price)	10,945,058	\$1,203,956	10.00%	0.00%

Notes: The above table has been prepared on the following assumptions:

1. the current market price is the closing price at which Shares were traded on 27 September 2024 (being \$0.11);
2. the current Shares on issue are the Shares at 27 September 2024 (being 109,450,575 Shares);
3. the Company issues the maximum number of equity securities available under the Additional Issuance Capacity;

4. existing Shareholders' holdings do not change from the date of this Meeting to the date of the issue under the Additional Issuance Capacity;
5. the Company issues Shares only and does not issue other types of equity securities (such as Options) under the Additional Issuance Capacity;
6. the impact of placements under Listing Rule 7.1 or following the conversion of convertible securities (e.g. Options, Performance Rights) is not included in the calculations; and
7. economic dilution (**ED**) is calculated using the following formula:

$$\text{ED} = (\text{MP} - (\text{NMC} / \text{TS})) / \text{MP}$$

where:

- MP** = the market price of shares traded on ASX, expressed in dollars;
- MC** = market capitalisation prior to issue of equity securities, being the MP multiplied by the number of shares on issue;
- NMC** = notional market capitalisation, being the market capitalisation plus the NSV;
- NSV** = new security value, being the number of new equity securities multiplied by the issue price of those equity securities; and
- TS** = total shares on issue following new Equity Security issue.

(e) **Allocation policy**

The Company's allocation policy is dependent on the prevailing market conditions at the time of any proposed issue pursuant to the Additional Issuance Capacity.

The Company has not yet identified allottees to receive the equity securities under the Additional Issuance Capacity. However, they may include current Shareholders, new investors, or both. None of the allottees will be Related Parties or 'associate' (as defined in the Listing Rules) of Related Parties.

Potential allottees will be determined on a case-by-case basis having regard to the factors including but not limited to the following:

- the purpose of the issue;
- the methods of raising funds that are available to the Company including, but not limited to, an entitlements issue or other issue in which existing security holders can participate;
- the effect of the issue of the equity securities on the control of the Company;
- the financial situation and solvency of the Company;
- prevailing market conditions; and
- advice from corporate, financial and broking advisers (if applicable).

(f) **Details of prior issues**

The Company has not issued any equity securities under Listing Rule 7.1A in the 12 months prior to the Meeting.

(g) **Voting exclusion statement**

A voting exclusion statement appears on page 4 of the Notice.

6.5 **Directors' recommendation**

The Directors unanimously recommend that Shareholders vote in favour of Resolution 5 as it will give the Company the flexibility to raise additional working capital whilst preserving the Company's cash reserves.

An Eligible Employee who participates in the Plan is a “Participant”.

Employee Incentives may, among other things, be issued as tax-deferred incentives under Australian tax legislation.
Maximum allocation	The Company must not make an offer of Employee Incentives under the Plan where the total number of Shares that may be issued, or acquired upon exercise of Options or performance rights, when aggregated with the number of Shares issued or that may be issued as a result of offers made under the Plan at any time during the previous 3-year period would exceed 10% of the total number of Shares on issue at the date of the offer.
Administration	The Plan will be administered by the Board. The Board may exercise any power or discretion conferred on it by the Plan rules in its sole and absolute discretion. The Board may delegate its powers and discretion

Possible vesting and performance conditions	Employee Incentives issued/granted under the Plan may be subject to vesting conditions set in the offer of the Employee Incentives, as determined by the Board. These are conditions which must be satisfied or waived before the Employee Incentives can vest or can be exercised (if applicable). They may be time-based criteria or performance-based criteria.
Possible restrictions on disposal	Employee Incentives issued/granted under the Plan and any resulting Shares, may be subject to restrictions on sale or disposal, as determined by the Board

Equity Incentives may not be issued to any person to whom the issue of those Equity Incentives would require the approval of Shareholders under the Corporations Act, the Listing Rules or other applicable law unless: • approval is given by Shareholders in general meeting in accordance with the applicable legal requirements; or • the issue of those Equity Incentives falls within a relevant exception to the applicable law.

Unless the Board otherwise determines, where a person commits an action of the type described above and ceases to be an employee or officer of the Company (and becomes a “Bad Leave” as defined under the Plan) any Employee Incentives (vested or unvested) will be forfeited immediately.
Vesting of change of control	If a Change of Control Event occurs in relation to the Company, the Options or performance rights granted under the Plan which are subject to vesting conditions may automatically vest regardless of whether any performance criteria or vesting conditions have been satisfied.
Rights attaching to Plan Shares	All Shares issued under the Plan, or issued or transferred to a Participant upon the valid exercise of a convertible security (Plan Shares), will rank pari passu in all respects with all other Shares on issue.
Taxation deferral	The Plan provides for the issue of equity securities in circumstances where income tax otherwise payable by a Participant on the value of Options or Performance Rights granted

	under the Plan may be deferred in accordance with the provisions of subdivision 83A-C of the Income Tax Assessment Act 1997 (Cth)
Participation in new issues	There are no participation rights or entitlements inherent in Options or Performance Rights granted under the Plan and holders are not entitled to participate in any new issue of Shares of the Company during the currency of Options or performance rights granted under the Plan without exercising the Options or performance rights.
Amendment of Plan	Subject to the following paragraph, the Board may at any time amend any provisions of the Plan rules, including (without limitation) the terms and conditions upon which any Employee Incentives have been granted under the Plan and determine that any amendments to the Plan rules be given retrospective effect, immediate effect or future effect. No amendment to any provision of the Plan rules may be made if the amendment materially reduces the rights of any Participant as they existed before the date of the amendment, other than an amendment introduced primarily for the purpose of complying with legislation or to correct manifest error or mistake, amongst other things, or is agreed to in writing by Participants.
