| E80/5491    | Wolfe Basin                  | WA       | Granted     | 100%     |

## 2) References to relevant market announcements and Competent Persons Statement

In accordance with ASX Listing Rule 5.22 and 5.23, Auravelle supplements the information in the Annual Report that relates to Auravelle Metals Exploration Results. For the Tunkillia North Project, Skeleton Rocks Project and Barbwire Terrace Project the information has been extracted from Auravelle's previous ASX announcements dated 12 September 2024, 5 February 2025 and 29 April 2025.

### Competent Person Statement

The information in this report that relates to Exploration Results is based on, and fairly represents, information and supporting documentation compiled by Ms Anna Price, a Member of the Australian Institute of Geoscientists. Ms Anna Price is a full-time employee of Auravelle Metals Limited who holds options in the Company and has sufficient experience relevant to the styles of mineralisation and types of deposit under consideration and to the activities being undertaken to qualify as a Competent Person as defined in the 2012 Edition of the 'Australasian Code for Reporting of Exploration Results, Mineral Resources and Ore Reserves'. Ms Price consents to the inclusion in this report of the matters based on her information in the form and context in which they appear.

Auravelle confirms that it is not aware of any new information or data that materially affects the information included in the original market announcement. The Company confirms that the form and context in which the Competent Person's findings are presented have not been materially modified from the original market announcements.

In accordance with ASX Listing Rule 5.22, Auravelle supplements the information in the Annual Report that relates to Skye Gold Project. Reference to nearby resources and results has been presented based on the following announcements:

- Golf Bore (reference 2) - see ASX: TYX 30-5-2018
- Aurora Tank (reference 3) - see ASX: MEU 20-01-2025 & 26-11-2024

This addendum should be read in conjunction with the Annual Report.

This announcement has been authorised for release by the Managing Director of Auravelle Metals Limited.

**About Auravelle**

Auravelle Metals Limited (ASX: AUV) is an Australian-based exploration company focused on the discovery of precious, base and specialty metal deposits, with projects located in South Australia and Western Australia.

Auravelle is currently prioritising gold exploration on its recently acquired South Australian Projects in the Gawler Craton, and the Crown Project, located near Kalgoorlie in Western Australia.

The Company continues to review the current portfolio to ensure the optimal blend of assets to ensure efficient and cost-effective exploration.
