Webinar Invitation to Shareholders

September Quarterly Activities and Outlook

Investigator Resources Limited (ASX: IVR) (“Investigator” or the “Company”) is pleased to invite shareholders to a Webinar Presentation and Discussion on the September Quarter Activities Report.

Highlights

- **Paris Silver Project:** DFS and permitting activities continue to advance in parallel, with optimisation work confirming a 1.5 Mtpa development scale delivers a robust and fundable project, and process engineering refinements delivering cost and design improvements.
- **Exploration Momentum:**
 - Curnamona – maiden gold-copper drilling commencing Q4 CY25.
 - Uno Morgans hub & spoke – gravity and soil programs commencing Q4 CY25 to prioritise high-grade silver targets.
 - Paris Silver Corridor – gravity survey completed at Athena. Drilling planned to commence in the Corridor in Q1 CY2026.
- **Corporate Strength:** \$10 million placement completed at an 8.6 % premium to the 15-day VWAP, strengthening the institutional register and accelerating workstreams across DFS, permitting and exploration.

Managing Director Lachlan Wallace will present an update on:

- Progress of the Paris Silver Project and pathway to production,
- Exploration across the Paris Silver Corridor and broader portfolio, and
- The Company’s strategic direction as Australia’s only pure-silver development of scale.

A Q&A session will follow the presentation. Shareholders and investors are encouraged to submit questions in advance when registering.

When: Thursday 30 October 2025

Time: 9.00am AWST / 11.00am AEST / 11.30am ACST / 12.00pm AEDT
