

Investor Webinar – Solid-State Battery Evaluation Program

Critical Resources Limited ('Critical Resources' or the 'Company', ASX:CRR) advises that it will be hosting an investor webinar on Friday, 20th February 2026. The webinar will feature Critical Resources' Managing Director, Tim Wither and globally recognised solid-state battery scientist, Dr Smirnova, Technical Advisor to the Company.

The webinar will provide shareholders, investors and interested parties with background on solid-state battery technology and context on the Company's ongoing solid-state battery evaluation programs being undertaken under the U.S. National Science Foundation-backed Centre for Solid-State Electric Power Storage (CEPS) framework in partnership with the South Dakota School of Mines & Technology (SDM).

WEBINAR DETAILS

Date: Friday, 20th February 2026
Time: 12:00 pm (Sydney + Melbourne, Australia), 9:00 am (Perth, Australia)
Registration Link: [CRR Webinar Registration Link](#)

Attendees will be able to submit questions in advance of the webinar, once registered.

This announcement has been approved for release by the Board of Directors of Critical Resources.
