STOCKWORKS GOLD ANNOUNCES $335,071 OF DEBT SETTLEMENTS

Vancouver, British Columbia – (September 8, 2026) – Stockworks Gold Inc. (TSXV: STW; OTCQB: ROVMF; FSE: 4XO1) ("**Stockworks**" or the "**Company**") is pleased to announce that, subject to approval by the TSX Venture Exchange (the "Exchange"), it has entered into Debt Settle Agreements with various creditors to settle $335,071 of debt by issuing 3,350,715 $0.10 units ("Units").

Each Unit consists of 1 common share of the Company and ½ of a common share purchase warrant, each full warrant entitling the holder to acquire an additional share of the Company at an exercise price of $0.15 for the first 12 months from the date of issue, and at $0.20 for the second 12 months from the date of issue, for a total exercise period of 24 months (2 years).

All securities issued pursuant to this debt settlement will be subject to a 4-month statutory hold period, with 2,728,215 of the Units being subject to a voluntary 12-month restrictive legend.

This transaction remains subject to Exchange approval.

The Company also announces that it has granted 100,000 stock options to an officer of the Company, such options having an exercise price of $0.10, with an exercise period of 4 years.

About Stockworks

Cautionary Statement Regarding Forward Looking Information
This news release contains "forward looking information" within the meaning of applicable Canadian securities legislation. Forward looking information in this release includes statements regarding the Company's expectations relating to trading on the OTCQB Venture Market, the potential benefits of such trading, and the Company's

application to FINRA for a change of its U.S. trading symbol. Forward looking information is based on the opinions, assumptions and estimates of management as of the date such statements are made and involves known and unknown risks, uncertainties and other factors that may cause actual results to differ materially. These risks include, but are not limited to, market conditions, regulatory decisions, and the Company's ability to maintain compliance with applicable listing requirements. There can be no assurance that trading on the OTCQB will increase visibility or liquidity, or that FINRA will approve any symbol change within a particular timeframe, if at all. Readers are cautioned not to place undue reliance on forward looking information. The Company undertakes no obligation to update any forward looking information except as required by applicable securities laws.

No Offer or Solicitation
This news release does not constitute an offer to sell or a solicitation of an offer to buy any securities of the Company in any jurisdiction. Any such offer or solicitation would be made only by way of a prospectus or other offering document in accordance with applicable securities laws. No securities regulatory authority has approved or disapproved the contents of this news release.

Reader Advisory
Trading on the OTCQB Venture Market may not result in increased liquidity or investor awareness, and there is no assurance that the Company will continue to meet the requirements for continued quotation. U.S. investors are cautioned that the Company's securities are subject to the risks associated with investing in a foreign issuer and a junior mining company, including exploration risk, commodity price volatility, and regulatory uncertainty in the jurisdictions in which the Company operates.
